NOTICE!

ON Saturday, the 1st of June, inst., a Lad calling himself "I don't care for anybody," who was in company with a man calling himself Phillips, addressed painful and improper language to a young Lady domiciled in my house; therefore, in view of protecting his family from the chance of any similar insult, Capt. MacLeod begs to state that he has reluctantly come to the resolution of preventing any persons from trespassing on his farm with the view of fishing in the lake.
