## THE AMERICAN REVOLUTION.

### (Times' Correspondence.)

The The Government his reliable infor-mation that a quarrel has broken out between the leading traitors of the Confed-eracy that promises to be disasterous. The cracy that promises to be divasterous. The beligerents are Soomba and Virginians and North Carolina on the one side, and Davis, Wig all and the extremists of South Caro-lina on the other. The complaint among the disaffected is that Davis is making rather fast to the legitimate result of trea son, viz., the abnegation of State and in-dividual rights. The scenare Seminole, from the block-

ade off Charleston, has arrived. She hrought as a prize the schooner *Aibion*, formerly a Washington pilot boat, from Cardenas, with a cargo of sugar, coffee, fruit, and eigars. When taken she was under English colors. The captain and nearly all hands were doub. She had run the blockade off Wilnington. The Semizole has also everhauled several vessels showing English colours. She space the *Dale* last night. She will coal and undergo repairs at Old Pont. Ballimoré, Aug. 24. ade off Charleston, has arrived. Sh

Baltimore, Aug. 24. Mayor Berrett of Washington passed through this city as a prisoner this morning

Through this city as a prisoner this morning. He is sufroute for Fort Lafayette. The arrest of Mayor Berrett and his removal hence produced some sensation but no suffrise, that military measure hav-ing previously been expected. It is not the reason merely that refused the oath of loyalty as an ex-officer and member of the board of Pahee authorized by Co free tools of the formation of the second se ເມລາຍ.

## Washington, Aug. 25.

Washington, Ang. 25, The Gövernment is considering the pro-priety of organizing a National Detective Police Force. New York, St. Louis, Chi-rago, and other enties were represented in the conference. The plan is to have agents distributed through the country, forming a but work of a unit lower. The network network of surve flace. The petercite force in Washington is brggly increased by recruits from New York and Phila-delphia. A woman from Beauregard's head-

quarters was arrested to-day while passing through our bacs into Alexandria. An Irish woman searched her and found some twenty letters addressed to and implicating prominent citizens in Washington and Alwanderia.

or on to West Point way to the order of the go on to West Point by express, was ex-amined, and in it were found plans of the forthfications at the Chan Bedge and on the Potomne, traced on paper by some clerk in the War Department.

(Special to the Commercial.) Private advices from Kentuckey re-present that State as being on the verge of

civil war. The Union men are ready for whitever

issue Secesson may force upon them. Pitsburgh, Aug. 27. An infernal machine which had beer

placed of Adams' Express car exploded on its arrival in this city at one p in. to-day, resulting in the killing of two employ-Bees and the wounding of a man fained Batchelder in the leg. One of the killed Was named McLaughlin.

Cinkinatti, Aug. 27. We learn from the Kanawha that Col Tyler's forces at Somerville were surrounded by the rebels, under Gen. Floyd early yesterday morning. We have particulars yet.

Bridgeport, Ct., Aug. 24. The secession Farmer office here was guited by volunters to night, in the pre-sence of from three to five thousand peo-Windows were smashed, type dis tributed in the street, and the presses destroyed.

Bridgport, Aug. 25: In cleaning out the Farmer office last In cleaning out the *Lattice* once has normed a with a latter states mail bag was found filled with papers addressed to leading setessionists in Alabama, Georgia and other setessionists in Alabama, Setessionists and other setessionists and the set of th Southern States; also some 200 " billeys." Some curious letters were also discovered exposing the treason of politicians in Hart-ford and elsewhere. One of the editors of the Farmer has gone to New Haven threatening to issue his paper from the tonded so vigorously and s uccessfully his ' politicals " and ' civilians ' in Inc Register office to-morrow.

Washington, Aug. 27. read here, from Tennessee A letter, saye that 25,000 rebels are under arms in that State.

In the La Grange District all but 24 of male inhobitization 1 The male ishabitauts have culisted in the rebel army. The Pickets of Beauregard's army arc

nearer Arlington Heights than ever before, but this fa 1, it is believed, does not indicate an attack. It is report

It is reported that the English and French fleets on our coast are intended for service at Vera Cruz. Intervention in Mexican affairs is the probable design of these Governments.

and luft the city thi

country, belong to the very basest class of line rary hirelings. Their presence here organ not to be allowed National ealf-respect and pro-dence equally forbid it. If there is any class of persons who should be at once subjected to the influence of martial law, it is these British correspondents. They violate the first laws of hospitality, trainple upon decency, and are a musance which eaglit to be esclowed and de-noanced by overv uprgit and patroite citizen. Such fellows, from Russell of the London Times, down to the lowest vergubend who fel-be via in his trans, cloud be beliefed forth from the community. They should be arrested, and packed off to the couttry from which they come, at the shortest possible notice. country, belong to the very basest class of lite-rary hirelings. Their presence here ought not TORONTO MARKETS. 

MR. RUSSELL'S SKETCHES FROM. VASHINGFON.

e following are extracts from the letter of ondon Times' special correspondent, who the London Times' special correspondent, who dates from Washington, July 12 :

## PRESIDENT LINCOLN.

The feeble courtiness of Mr. Bachann is replaced by the straightforward purpose and effi-ergy of Mr. Lincoln, on whice of mad shoulders has falles, the growns legev of this predaces-sor's verification and orrest; and the ist down, des-patches and messages which nutrated legions who are about to this Legish public are already familiar with the lines the safety. Jong and strongly marked face of the 'readent' in defeat, the probability of the safety long, and strongly marked face of the 'readent', which then he large inquiring and hend, which the large of famore, the system of the safety dentified of shownless, homewith, and hend large inquiring the year are decayly so that power bright, both indy, sate on long loose legs, with power/of arms owngoing by the skies, is tra-clined with a sight stoop forward, if there be not much grave, there is no lack of vigor GENELAL COTT. The feeble courdiness of Mr. Buchanan GOLD! GOLD!! More to be desired than gold is the health of our children. Physicians are almost univerally prescribing Dr. McKenzie's Dead Shot

AN H.L-USED ' BRITCHES SUBJIX.'

Worm-Caudy, it has given such decided satis-faction to all that have used it, that it has taken the lead of all Worm Medicines now in use.— GENERAL SCOTT. The bold leoning front of the man, the mas The bold begins for the man, the mas-sive head and broad trachead, the Jull five eys, the month world and distinctly cur, and the square resolute chin arrost attoution, and recall the types of some better-known commanders; but Athonicans are justly proud of one who in a military caveor oxtouding they and haf as century, has been uniformly successful, and who has not been less fortunation any hiphomatic or point-cal functions he has undertaken to declarage. The Yingmians, who burned the house in which South was born, less it should see the birth of a county in their State called atter him to that of Davia, will not do him any harm will pros-perity. This look and manner indicate that his forw; but when the tower-fike frame and great torso are act in motion, there is a feebleness in brow; but when the tower-fike frame and great to are act in motion, there is a feebleness how that age and weinds sud thard labor have taken that age and weinds and thard labor law the SUMATE AND SUMATORS. Ask for Dr. McKenzie's Dead Shot Worm Candy and be sure and get it-in bone in-stances you may be induced to try another proparation, you may be sure the inducement held at is because it affords more prefit to the seller-

To Consumptives. THE Advortisor, having been restored boolth in a few weeks by a very sim

A. boold in a few weeks by a very simple remedy, after having suffered several years with a every long offection, and that dread diseases. Consumption—is anxious to make known to bis fellow-sufferent having and a copy of the prescription used (free of charge), with the directions for preparing and using the same, which they will find a stark Conserven Consumerror, Asvina, theosenerris, &c. The only object of the advertisor in sending the prescription is to bonefit the afficient, and spread information which he conceives to be involutios, and be lopes overy aufforer will and that age find worths and more than the fixed that the backges and securities. THE SIXATE AND SYATORS.
An enthusiastic lady, who canso over with mo-tin the Arabia was very indiginant with a coun-tryman of het's, because in affirmed that ne-hid never seem a more diginifed assembly than the house of Lords, What I' said she, do you mean for one moment to say that they are equal in appearance to our Senators I' in one respect, the Senators are catalaily destitute of the origon the Senators are catalaily destitute of the direct senators are catalaily destitute of the direct senators. Fow of the Sonetors are men of advanced years, and Mr. Crittenden is pointed ont sa a kind of obsolets emi-fossili-zed pointicsan, as much out of place as Nestor would be in a revel with Achilles and Patrochus. In another phase they are not sa digified. They do not consider it unbecoming to write at their desks if the midst of debate. Writing is a brea mechanical process, fibre all, and no me-looks well while he is engaged at it. Senators are the other mon. Yethag they are a little forder of stationery. When the hest Congress was coming to a close, leave a large man, cov-ered with perspiration, dragging a huge buy after bin into the railway station. Ho was fol-by mad, his simply of public stationery contain-ed in these boxes. Then it must be 'conce-dod' that dress has something to do will the aspect of a deliberate body, and that 'Jun Crow' has and hang bloases would detract from the appearance of the most aristocratic molu the world. Permitting these bloases in the United States' Senator, there are noble heads, commanding forms, and high intelligen-ces, nearly equal to the greatest of the basic before them. Buynesse is transacted colloqui-al year entiting the case there is the asset before them. Buynesse is transacted colloqui-ation of a deliberate body, and that case time the United States' Senator, there are noble heads, commanding forms, and high intelligen-ees of making set orains, kernes is transacted col

'reseription is to unnern the cunceives to be pread information which he cunceives to be uvaluable, and he hopee overy sufferer will ry his romedy, as it will cost them no.hing, and may prove a blossing. Parties wishing the proscription will please
