YOUNG MEN TAKE PARTICULAR NOTICE. Those who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are nightly felt even when asleep, and which renders marriage impossible and destroys both mind and body, should apply immediately. Self-avoidance is one of the most formidable enemies to health, for nothing else in the dire catalogue of human diseases causes so destructive a drain upon the human system, drawing its thousands of victims through a few years of suffering down to an untimely grave. It destroys the nervous system rapidly, wastes away the energies of life, causes mental derangement, prevents the proper development of the system, disqualifies for marriage, society, business, and all earthly happiness, and leaves the sufferer wrecked in body and mind, predisposed to consumption and a train of evils more to be dreaded than death itself.

IMPORTANT. DR. WISTAR'S PULMONIC SYRUP, is highly recommended for Coughs, Colds, Asthma, Hoarseness, and all diseases of the Lungs and Throat. 25 cents per bottle.
