' The object of this enactment appears, to be to favour the Eric Canal route, and torce the trade to Bufilo, instead of the cheaper route, via the Welland Canal to Port Dalhousie, and thence down lake Oatario to Cape Vincent, Oswego; and Ogdonaburgh.

Another move has been more recently made by an order of the Executive at Washington; that "American vessels, gesting repaired in Canadian ship-yards, must report the fact on reaching an American port, and pay a tax of fifty per cent on the amount of bill of repairs." The St. Catherines Constitutional, from which we copy this fact, illastrates the grievance very clearly, he w. rigret, but must endenvour to submit wish him success.
