We, the undersigned, duly appointed Audito's for the Municipality of Vaughan, for the year 1866, beg to state that we have carefully examined the Books and accounts of he Treasurer, have compared the Vouchers with entries in the Cash Book, and find them to correspond; we also balanced the Cash Book to this date, and found the balance of Cash in the Bank as per pass book, -and Cash on hand to correspond with the balance, as shown by

The statements of Assets and Liabilities, and Receipts and Expenditure for the year 1866, are also correct. We beg to call the attention of the Council to the fact that three of the Collectors were in arrears of taxes on 31st Dec. 1866, which renders it impossible to state what portion of Dog tax is collected for those Wards, and we have therefore only entered among the Receipts, the amounts received from the remaining two Wards.

Also the non-returns of the Collectors' Rolls, renders it impossible to compare the entries in the Ledger, with the actual amounts of the Rolls. As a case in point the Treasurer had entered the amount of the Roll in Ward 4 for 1865, in his Ledger \$20 42 more than the actual amount of such Roll, which was only detected by him, after the last audit, and when he received the Roll from the Collector.

The excess of Expenditure over Receipts, is also partly attributable to the same cause, so that payments had to be made from money on hand. The above Report is a correct statement, to the best of our knowledge and belief,

JOHN NATTRESS ) Auditors. J. P. RUPERT
