Jacob's Rheumatic Liquid.

FOR the immediate relief and permanent cure of Rheumatism, Sprains, Bruises, Burns, Frost Bites, Lame Back, Side, Limbs or Stomach, Cramps, Numbness of Limbs, Swelling of Joints, Sudden Colds, Diptheria, Sore throat.

Jacob's Rheumatic Liquid

Has been before the public for upwards of twenty years, and such are its merits that it is now justly considered as an infallible medicine in every family where it is known.

It has never been forced on public attention by flaming advertisements or remarkable cures that never had any existence, but by its own peculiar value as an unfailing remedy, it has worked its way into public favor.

Having a wonderful effect when taken internally, in quickening the circulation of the blood, it is invaluable to persons predisposed to Paralysis, or subject to attacks of Hoarse Disease, in cases of Dyspepsia, where food distresses, it affords prompt relief, and continued for a short time, sets everything right.

The name of the medicine is blown in each bottle of the genuine, and the mode of using, attached.

LET INFRINGERS BEWARE.

THE validity of the Patent, having been recently disputed by interested persons, after two days investigation in Chancery, his Lordship the Chancellor has given Judgment fully sustaining the claims of C. Powell, and speaking highly of the MERITS of THE PUMP and with just severity on the base and fraudulent conduct of the infringer, ordering him to pay the costs of the suit, and forbidding him to make the Pumps. The Patentee feels that the sense of justice prevailing the community generally will be sufficient to prevent its giving countenance to spurious imitations, whose conduct, the Chancellor says, is "a fraud on the Public."—See Judgment!
