Sisters of Mercy at Dorchester Street Hospital, applying Dr. Radway's Remedies to the sick.

SISTERS OF MERCY,

DORCHESTER STREET, MONTREAL, C. E., HOSPITAL OF THE SISTERS OF MERCY.

DR. RADWAY,—I certify that your Ready Relief has cured OVER ONE HUNDRED of our sick from chills, vomitting, headaches, internal pains, &c., &c.
One of our sisters had the Rheumatism in her head for a great many years—having taken a few spoonfulls of Relief in water, and rubbing her head twice with the same medicine, she was perfectly cured and never felt it since. I always use it for dyspepsia and for colds, and always with success. It is very useful for sore throats, coughs, influenza, diptheria, &c. It has a good effect in flatulence or wind cholic. I use it for foul breath and it produces a marvelous effect. In short it procures relief altogether remarkable to our invalids.

SISTER MARY DE BONSECOURS.

N. B.—Beware of counterfeits and imitations, have nothing to do with the dealer that will endeavour to persuade you to take some other in place of the Radway's.—The country is flooded with counterfeits and imitations of Radway's Ready Relief. Dealers purchase these worthless mixtures at less than half price they are charged for Radway's, yet charge the public the same wice our agents sell you Radway's for. (Price 25 cents per bottle.) The imitations and counterfeits are sold at 5 to 10 cents per bottle to dealers; dear at that price. In purchasing Ready Relief, see that there are two signatures of Radway & Co. on the labels, and the words R. R. R. Radway & Co. blown in the glass. A MAN THAT WILL SELL YOU A FALSE MEDICINE will cheat you whenever he has an opportunity.

----All Around the Globe,

Certificates of startling cures of the most violent and deadly diseases are on record at Ds. RADWAY'S OFFICES in the Cities of New York and Montreal, emanating from the highest authorities in the world. There is not a Town or City of importance (except a few in China) on the Globe but that RADWAY'S MEDICINES have cured the sick when all other remedial agents failed, and this is vouched for by high dignitaries in Church and State, both by letters written direct to Dr. Radway, and through the U.S. Ministers and Consuls abroad.
