

Miscellaneous.

What style of a hat is the easiest to wear?—That which is not felt.

A negro on a trial in Philadelphia for stealing, put in the plea of insanity. To prove this, it was said he might have stolen the big rooster, but he only took the small chickens.

The Empress Charlotte has renounced all her rights as widow of Emperor Maximilian, and merely preserves her private fortune, estimated at £560,000 sterling.

Some men are like cats. You may stroke the fur the right way for years and hear nothing but the purring; but accidentally tread on the tail, and all memory of former kindness is obliterated.

A Wag says it is folly to expect a girl to love a man whom everybody speaks well of. Get up a prosecution and her affections will cling so fast that a dozen guardians can't remove them.

Excuse me, Madam, but I would like to know why you look at me so curiously? said a gentleman to a lady stranger.

It is rumored in London, that Mr. Gladstone, casting in his lot finally, with the Radicals, is negotiating in company with his confidant, Mr. Bright, an attack upon the Government early next session on the question of redistribution of seats. *Edinburg Courant.*

Miss Durdett Courts, with characteristic consideration and generosity, has solved the compound household dilemma in her little village of model houses at Columbia Square Bethnal Green, by undertaking to pay the full amount of rates for her tenants.

The French authorities have lately been buying up in the English market large quantities of teak. Now, as this wood is used largely for armour-bulking, it would follow that iron ships building for war purposes is not to be neglected during the present year in France.—*Army and Navy Gazette.*

A Physician stopped at the shop of a country apothecary, and inquired for a Pharmacopoeia. Sir, said the apothecary I know of no such farmer living about these parts.

A painter who was well acquainted with the dire effects of Lye, had to represent two men—one who had gained a lawsuit, and another who had lost one. He painted the former with a shirt on and the latter naked.

One of the beauties of the court of Frederick the Great said to the king, Sir, how is that you, who are so illustrious already, still seek for additional fame?—Madame, he replied, for the same reason that you, although so beautiful, still wear rouge.

A well-known parish minister in the West Highlands, distinguished for his vein of humour and sarcas in observation meeting the other day a zealous minister of the Free Church, said, I am told that you are thinking of coming back to the establishment again. Heaven forbid! exclaimed the other; upon which the minister rejoined, 'Well, it is seldom you and I agree on such matters, but those are just the very words I used when I heard the report.'

A Concise Ice-Stricken Umbrella-Stealer.—Umbrellas have the reputation of being considered public property. Few of the family, when once taken in mistake, ever find their way back to the rightful owner. It is a marvel to hear of restoration, and one such case has occurred. A gentleman of Chesterfield had missed his umbrella for some time, but a day or two ago found it in a conspicuous place on his premises with the following inscription pinned upon it: 'This umbrella as made on my knees ever since I stole him. W. R.'

A Cure for Invalids.
A Clergyman, while residing in South America as a missionary, discovered a safe and simple remedy for the Cure of Nervous Weakness, Early Decay, Diseases of the Urinary System, Dropsy, and the whole train of disorders brought on by mental and physical excess. Great numbers have been cured by this noble remedy. Prompted by a desire of benefit the afflicted and unfortunate, I will send the recipe for preparing and using this medicine, in a sealed envelope, to any who needs it, free of charge, to any of your friends. Please enclose an envelope addressed to yourself.

THE UNIVERSAL REMEDY!

RADWAY'S READY RELIEF!!!
AND IS A POSITIVE PREVENTIVE OF ASIATIC CHOLERA, YELLOW FEVER, SMALL POX AND OTHER PESTILENCES!

CURES PAIN INSTANTLY!

ITS PROPERTIES
As an ANTI-SEPTIC, DISINFECTANT, ANTI-SPASMODIC, COUNTER-IRRITANT, DIFFUSIVE STIMULANT, RUBEFACTANT, NERVINE, ANODYNE, SUDORIFIC, FEBRIFUGE.

IT HAS NO EQUAL IN THE MATERIA MEDICA.

In sudden Attacks
Of Diarrhoea, Dysentery, Cholera Morbus, Inflammation of the Bowels, Cholera, Cramps, Spasms, Vomiting, Sick Headache, Cold Chills, Fever and Ague, Sore Throat, Coughs, Colds, Influenza, Neuralgia, &c.—One tea-spoonful in a glass of water will correct all derangements of the stomach, bowels and liver, and instantly stop the most severe pains.

If seized with Rheumatism,
Gout, Lumbago, Sciatica, Pain in the Side or Back, Limbs or Joints, Spine or Muscles, Toothache, Strains, Sprains, &c.—One application will afford immediate ease and comfort, and a few times rubbing will complete the cure.

Instant Help Needed
In violent diseases, instant relief is required. ASIATIC CHOLERA, INFLAMMATION OF THE BOWELS, CHOLIC FITS, SHIP FEVER, CROUP, DIPHTHERIA may prove fatal within an hour or two, if not checked by a powerful antidote like RADWAY'S READY RELIEF, and all acute and inflammatory maladies, whether Rheumatism, Neuralgia, Inflammation of the Kidneys, Bladder, Urinary difficulties, Inflammation of the Womb, and, in fact, all diseases fraught with immediate danger, yield at once to this commanding curative.

The READY RELIEF is as sudden in its operation as the malady itself. It is more active than the virus of the most swift and deadly epidemic. With this Remedy at hand to use on the first symptom of pain and uneasiness, no person need suffer an hour sickness.

Sisters of Mercy at Dorchester Street Hospital, applying Dr. Radway's Remedies to the sick.

SISTERS OF MERCY,
DORCHESTER STREET, MONTREAL, C. E., HOSPITAL OF THE SISTERS OF MERCY.
Dr. RADWAY.—I certify that your Ready Relief has cured OVER ONE HUNDRED of our sick from chills, vomiting, headache, internal pains, &c., &c.
One of our sisters had the Rheumatism in her head for a great many years—having taken a few spoonfuls of Relief in water, and rubbing her head twice with the same medicine, she was perfectly cured and never felt it since. I always use it for dyspepsia and for colic, and always with success. It is very useful for sore throats, coughs, influenza, diphtheria, &c. It has a good effect in flatulence or wind colic. I use it for foul breath and it produces a marvelous effect. In short it procures relief altogether remarkable to our invalids.

SISTER MARY DE BONSECOURS.
N. B.—Beware of counterfeits and imitations, have nothing to do with the dealer that will endeavour to persuade you to take some other in place of the Radway's.—The country is flooded with counterfeits and imitations of Radway's Ready Relief. Dealers purchase these worthless mixtures at less than half price they are charged for Radway's, yet charge the public the same price our agents sell you Radway's for. (Price 25 cents per bottle.) The imitations and counterfeits are sold at 5 to 10 cents per bottle to dealers; dear at that price. In purchasing Ready Relief, see that there are two signatures of Radway & Co. on the labels, and the words R. R. R. Radway & Co. blown in the glass. A MAN THAT WILL SELL YOU A FALSE MEDICINE will cheat you whenever he has an opportunity.

All Around the Globe.
Certificates of startling cures of the most violent and deadly diseases are on record at Dr. RADWAY'S OFFICES in the Cities of New York and Montreal, emanating from the highest authorities in the world. There is not a Town or City of importance (except a few in China) on the Globe but that RADWAY'S MEDICINES have cured the sick when all other remedial agents failed, and this is vouchered for by high dignitaries in Church and State, both by letters written direct to Dr. Radway, and through the U. S. Ministers and Consuls abroad.

PRICE, 25 cents a Bottle.
Sold by Druggists and Country Merchants.

Jacob's Rheumatic Liquid.
FOR the immediate relief and permanent cure of Rheumatism, Sprains, Bruises, Burns, Frost Bites, Lame Back, Side, Limb or Stomach, Cramp, Numbness of Limbs, Swelling of Joints, Sudden Colic, Diphtheria, Sore throat.

Has been before the public for upwards of twenty years, and such are its merits that it is now justly considered as an indispensable article in every family where it is known.
It has never been forced on public attention by flimsy advertisements or remarkable cures that never had any existence, but by its own peculiar value as an unfolding remedy, it has worked its way into public favor.

Having a wonderful effect when taken internally, in quickening the circulation of the blood, it is invaluable to persons predisposed to Paralysis, or subject to attacks of Heart Disease, in cases of Dyspepsia, where food distresses, it affords prompt relief, and continued for a short time, sets the stomach to work.

The name of the medicine is blown in each bottle of the genuine, and the purpose for which it is intended, as well as the mode of using, attached.

Hunt's Empire Hair Gloss
THIS pleasant, agreeable, and scientific preparation is an indispensable article for the toilet. It cleanses the scalp, renders the hair of a darker appearance, is easily applied and will not stain the finest linen. Those using the Empire Hair Gloss will find that it renders the hair soft and supple, soft, glossy, fine and beautiful, disposing it to stay in any position in which it is placed. It prevents the hair from falling out, invigorates and strengthens it, and often produces a new growth of hair where it has already disappeared by invigorating and restoring the scalp, nerves, and blood.

The name of the medicine is blown in each bottle of the genuine, and the purpose for which it is intended, as well as the mode of using, attached.

Dr. COLBY'S
Anti-Costive and Tonic Pills,
ARE a safe and reliable remedy in all diseases of the Stomach, Liver and Bowels. They are no Quack Medicine, puff'd up by high-sounding testimonials from imaginary people, but are the result of forty years experience of a first class physician, and their extraordinary success is due to the fact that they answer exactly their name. The formula from which they are prepared, is based on sound, scientific principles, and has received the unqualified approbation of the medical profession. They do not profess to be a cure all, but for all diseases arising from any derangement of the Stomach, Liver and Bowels, they furnish an effectual remedy. We have in our possession over one hundred testimonials from physicians who have used them in their practice and highly approve of them, among which are the following:

The undersigned physicians cheerfully certify to the high professional standing of Dr. Colby, of Staustral, one of the oldest and best physicians and to the excellent qualities of his "ANTI-COSTIVE and TONIC PILLS," which we have used in our practice, and highly approve.
