The motion caused extraordinary ex- projected law for the preservation of public citement, and met with violent opposition. It is reported that the Bishop was insulted and driven from the Tribune and threatened.

FLORENCE, March 26.—The Italian Government has been forewarned by the author ities of the Provinces of an intended Republican movement. Riots have taken place at Pavia, Placenza and in the neighborhood of Bologna. A few arrests have been made, the case of the Duke of Monpensier, who reand tranquility now prevails in those places. Advices from Pavia report that the rioters have been dispersed. Tumults have occurred at Bologua, but tranquility has been

restored. Paris, March 26.—The Procureur General made his argument in the High Court at Tours to-day. He opened his discourse with an energetic denunciation of the political party to which Victor Noir belonged. He made frequent reference to the Marseillaise journal; he said it was full of blame. Nearly all of the evidence of the prosecution was set aside by the Peocureur, who, however, demanded the condemnation of the Prince because the shooting was not done in selfdefence. The Prince was much excited during the delivery of the argument. MM. Leroux and Demange, lawyers for the de fence, in their closing arguments laid great stress on the constant and violent denuncia- Janeiro. tions of the Prince in the Marseillaise and other circumstances calculated to exasperate the accused.

Tours, March 27 .- Prince Pierre Bona appeal made by the Procureur-General for a verdict of guilty with extenuating circumstances. The jury were out only an hour. state that one Orelio Antonio has proclaim.
