

Penian News.

The Fenians at Malone and other places along the eastern frontier are going home as fast as possible. The circle in San Francisco... The Fenians will leave Malone to-day for their homes.—Globe June 2.

Latest from Europe.

LONDON, May 30.—Gen. George Napier writes to the papers extolling, to-day, over the penitence and piety displayed by the Canadian Volunteers in their late engagement with the Fenians. The Post and Telegraph reiterate their confidence in the good faith and energy of the United States in the matter of the Fenian raid on Canada.

American News.

SAN FRANCISCO, May 31.—The ship Niagara, which lately arrived from Hong Kong with a large number of Chinamen, many of whom are suffering with small-pox, was today released from quarantine, and allowed to land passengers. The Chinamen were shamefully maltreated while passing through the streets.

The Killed and Wounded.

There is some difficulty in ascertaining correctly the exact number of Fenian incidents who were killed and wounded in the fights of Pigeon Hill and Trout River, as the Generals and their men were too anxious to save their own bones to think of the dead and disabled. They seem to have been abandoned to the care of whoever chose to look after them.

The York Herald.

RICHMOND HILL, JUNE 3, 1870.

SIR JOHN A.'S HEALTH.

A few days ago, and we entertained serious apprehensions that we would be called upon to announce the sad tidings of the premier's death in this issue of our paper. We are rejoiced, however, to learn (to the latest moment of going to press) that he has taken another change for the better, and is now in a fair way of recovery.

OUR TWELFTH YEAR.

With this issue of the YORK HERALD, we commence our twelfth year. Since we first took upon us the responsibility of publishing this journal, eleven eventful years have flown past, and we are amazed when we reflect upon the rapidity with which those years have gone by.

crops. We hope the Reeves of the various Municipalities who have not already communicated with the Department, will do so at once, and do all in their power to encourage the strangers to stay in our country.

(TORONTO, MAY 23rd, 1870.)

DEAR SIR,—Under date of 31st January last, I addressed to you a circular in reference to an anticipated extensive Emigration to this Province during the present season, and requested a return of the number and description of Immigrants required by your Municipality.

SALE OF LANDS FOR TAXES.

The Treasurer of the County of York advertises a list of the lands to be sold for taxes on Tuesday, the 28th instant. For the information of our readers in the county, we enclose the County Treasurer's advertising sheet in each number of the YORK HERALD that we send to subscribers, in order that they may not be taken by surprise, and find themselves sold out by the sheriff before the first of next month; as will be the case, if the present warning is neglected.

FIRE AT BROWN'S CORNERS.—A disastrous fire broke out at Brown's Corners, 4th Con. Markham, on Saturday morning last, about 9:30 o'clock. It appears that about the hour named the house occupied by Mr. Alex. Young, situated on the south-east corner of the concession, was observed to be in flames, and it immediately communicated with the houses adjoining, and so extended across the road to the hotel owned and occupied by Mr. Wm. Perry. In about an hour and a half, five houses were consumed. Mr. Perry saved nearly all his furniture, and his loss will amount to about \$1500, on which there is \$650 insurance. Mr. Young lost about \$700 worth of furniture on which there is no insurance. A Mr. Irwin lost about \$250 worth of furniture, and had no insurance. Two other occupants, houses owned by Mr. Wm. Perry, and Mr. George Feely, were also destroyed. We understand Mr. Perry will rebuild his hotel immediately.

THE TWENTY-FOURTH IN MAPLE.

Dum-dum-dum-dum-tum, etc., were the first sounds we heard on the morning of the 24th. Whence came they? From an old drum that lives somewhere about Maple, and used for summoning rowdies to a certain debating Institution. However, we will charitably assume that, on this occasion, it gave its "Peter Dick" in commemoration of the natal day of our beloved Sovereign.
