Two Gardes de Paris came up. The we have kindlier thoughts of thee, Because of honor done to him; shopkeeper insisted that the thief, as he called him, should be arrested. The r while we weep, we turn to see crowd increased, but no one took meas-That English eyes with tears are dim. ures to do justice. The Turco, I should say, was armed with a sword bayonet, and towered by a head above the group. He listened with an amiable air until, tired The body was brought as speedily as ssible from Portland, by a somewhat cuitous route to Danvers, where funeral of the joke apparently, he suddenly swung sequies were again performed, and again off with rude insouciance and lounged grave is surrounded by the illustrious away, always wearing the same pleasant the great, whose hearts are strangely smile; and no one attempted to pursue rred, and who are now more than ever except the little shopkeeper, who swooped round and round him like a sea-gull, but scious that they have been contemrary with a new type of manhood. soon gave up the useless chase. I mention these two little stories to show the Hush! the dead march wails in the peoway they are treated. If the Arabs do ple's eas. The dark crowd moves, and there are sobs not shortly show by acts, the most bitter contempt for their masters I shall be surprised, and the Parisians will have no The black earth yawns, the mortal disone to blame for the necessity of giving appears. Ashes to ashes, dust to dust. a cruel lesson to these children of the He is gone, who seemed so great, desert, but themselves. Jone, but nothing can bereave him Of the force he made his own. Being here, and we believe him Something far advanced in state,

## Henry Ward Beecher on Respectab'e Rogues.

It is possible for a man to abstain from outward manifestations of wickedness, and yet be wicked through and through. There is a paltry, narrow, unmanly kind of prudence which keeps a man back from iron-like wickedness. Guarded by such prudence, a man does not do anything on a large scale. He does not venture at all. His sins are all mermaids. There The Queen of Holland, immediately is not a line on them. There are all as

ter the cession of Venetia, and while mean, and they indicate as much wickedhe war in Bohemia was still going on, rote to the Emperor Napoleon the fol-greater magnitude. He never stole or robbed, nor committed what is called a gring letter:—"July 13, 1866.—You owing letter:—<sup>a</sup> July 13, 1866.—You rive way to strange delusions! Your prestige has been damaged more during he last fortnight than during the whole continuance of your reign. Allowing he feeble to be destroyed, you let the nsclence `and brutality of your next heighbor grow to extravagant proportions. You accept a present, and you don't know tow to give a good word to him who pre-sents it to you. I regret that you think ne interested in the question, and you to not see the fatal danger of one powerne interesteu in the question, and you inflotten. I here are a great many such o not see the fatal danger of one power-il Germany and one powerful Italy. It Their purposes are selfish. All their is the dynasty which is threatened, and is that which must bear the conse-tion of living is selfish. Their whole concep-tion of living is selfish. There are men uences. I say this because it is the whose whole character has been built up with which number too here. Due to here the succession of invisible miniuth, which you will learn too late. Do with successive steps of invisible wickedot think that the misfortune which over- ness, until, although they are decent and when me in the disaster of my country law-abiding, and although they stand makes me unjust or suspicious. Venetia well in society, when God looks upon maked, you must aid Austria, march to them he loathes them. But they do not the Rhine, and impose your conditions. loathe themselves. I have taken notice, et Austria be slaughtered, and you com- when they were tapping the gas main, it, not a crime, but more-a blunder. that the men who worked in the escaping his, perhaps, is my last letter. I would gas all the time did not smell it, whereas his, perhaps, is my last letter. I would gas at the time did not since it, whereas however, consider myself wanting to an bld and sincere friendship if I did not sionally smelled it very sensibly. And hay one last time the whole truth. I do I take notice that those who are conot expect that it will be listened to; but stantly in the midst of the stench of their wish to be one day able to say that I own corruptions never mind it.

is to be the winter fashion.

lid everything to prevent the ruin of what inspires me with so much faith and Box toed boots, with a corn on every toe
