MANITOBA.

Last week a voice was heard from Manitoba, in the Dominion Parliament at Ottawa. Two of her representatives have taken their seats, and Dr. Schultz has addressed the assembled wisdom of the country.

The Government in Manitoba is now nearly complete, and will soon be in full running order. It will be necessary to remember that there are two local Houses, the one elected by the people, and other nominated by the Crown.

MECHANICS' INSTITUTE.

On Tuesday evening last, the 11th inst., the sixteenth Re-union, under the management of the Richmond Hill Mechanics' Institute, was given in the new Masonic Hall.

The attendance was good, and the commodious room was comfortably filled, but not crowded, with a respectable assembly. The programme was a good one, and the different amateurs, readers and musicians, acquitted themselves in a highly satisfactory manner.

At the close he returned thanks to the amateurs who had so kindly assisted on the occasion, and announced that preparations were being made to give another entertainment of the same kind in about a month.
