THE SUBSCRIBER HAVING PURCHASED the above mills, is having the same put in thorough repair, and will open them for work in time for the incoming clip of wool; and he is determined to conduct the business with energy and enterprise, and as a means to this end has resolved upon the following reduced

SCALE OF PRICES: Roll Carding three cents per pound instead of five as heretofore. Yarn Spinning ten cents per pound instead of fifteen as heretofore. Manufacturing Wool into White Fannel twenty cents per yard instead of thirty as heretofore. Into White Flannel with Cotton Warp, fifteen cents per yard instead of twenty-five as heretofore. NOISELESS MOVEMENT, GREAT SPEED. WHEELER & WILSON SEWING MACHINE. Gold Medal, Paris Exposition, 1870; 82 Competitors. FULL INSTRUCTIONS GRATIS. EVERY MACHINE WARRANTED. Reduced Price List! No. 3 Machine, price \$45, improved and reduced to \$42. No. 2, Ornamental Bronze, silent feed, price \$55, reduced to \$45. No. 1, Silver plated, silent feed, price \$65, reduced to \$50. Half cases, from \$7 to \$15 extra. Full cases, from \$25 upwards extra. Terms—Cash, or approved Notes with interest.

Hitherto the facilities of the Wheeler & Wilson Manufacturing Co., great as they were, have been inadequate to supply the unprecedented demand of this favorite machine. Recent extensive additions to the company's manufacturing resources, however, enable them now not only to supply the demand of the world, but at a much cheaper rate. The public in Canada will now reap the benefit of these changes, and it is expected the present large reduction will increase the sale still more extensively. The privilege of showing any person the remarkable simplicity of construction and consequent ease of management of the Wheeler & Wilson, always affords us great satisfaction. We therefore invite all interested, (and who is not?) to call and see, and try for themselves. Those who cannot call at the warehouses will be waited on at their residences.

TESTIMONIAL. Stouffville, April 27, 1871. I have great pleasure in stating that the Wheeler & Wilson Sewing Machine I purchased of Mr. C. Chapman gives perfect satisfaction; after using it for some time and carefully examining and testing it by the side of other machines, I am fully satisfied that for durability, simplicity, silent running, ease of motion and adjustment, it cannot be equalled, and in the end is far the cheapest machine that can be purchased. D. E. F. Gee, W. M. Minister.
