# The York Kerald.

RICHMOND Hft.L., MARCH 22, 1872.

THE "GLOBE" AND THE PRE-MIER, AND DR. RYERSON.

In a great statesman, or a leading journal, there are two qualities generally considered essential, namely :- dignity and multiplicity of ideas. In regarding praying for the formation of a School the Globe newspaper we may do so in Section in the village of Teston. statesman and that of a leading journal; praying for aid to Thomas Underhill, but from either point of view we can indigent. scarcely be justified in speaking of it as others, praying for aid to James Plumdignified in expression or very varied in ridge, indigent. great ideas. For a long time the readers of that paper have been satiated with Sir dogs, were presented by James Totten, John A. Macdonald, as Joint High Commissioner at Washington, and Dr. Ryertlemen have certainly been undignified, next meeting.—Carried. but, on second thoughts, we are disposed to think they have not been repeated ad rie, moves that the Clerk be and is here nausaum through paucity of ideas so School Sections No. 5, 6, 9, and 10, that sprung from a petty feeling more gener- Cancil for the formation of a new ally seen among boys of tender years.— School Section in said village.—Carried. We can almost hear the late colleague of city Treaty so I'll make the recollections | for charitable purposes, viz: of your visit there, as an Imperial com- To Clarke Wallace, for James Plum disagreeable as can be to you" When such a spirit is shown by children, wise parents generally apply castigation to a non-vital conduct is so very contemptible among claims for sheep killed by dog or dogs: unusual, no chastisement has, up to this To Joseph Lankin, for 2 sheep. . . . . 6 67

- Carried. time, been devised for it.

is so strong that it ignores the real facts by John Jamieson, this Council cannot of the case, and the great and long serentertain said claim; according to the
statements made by the claimant he be-Premier. It forgets, or, at least, pre- longed to a certain party whom he did to that same distinguished Stateman, and that there is scarcely a man in the Dominion who can be considered his ter be and are hereby instructed to get public service. It overlooks the fact, Vaughan Road Company charging toll too, that as High Joint Commissioner, on the Traveling on the Side and Side he had to consider the questions debated crossing the bridge over the river in their broad Imperialism, with fair Humber .- Carried. and due regard to Canadian interests, and not in the petty, narrow, spirit, and scope, manifested by the Globe.

The attitude assumed by that paper To Benjamin Brillinger ........\$5 00 toward Dr. Ryerson is very similar, although instigated by a different motive. We remember that whatever the pretensions of the Superintendent of Education may be to literary emiuence, he is a man who has done more than any other as a loan to School Section No. 15.

The days of \$700 cach, An alteration took place between these the civil war in Paris, have been condemned three men at about seven o'clock, and at and shot, their petition for pardon having in establishing the very fine educational system enjoyed by this Province, and for school purposes.—Carried. that he is one who has devoted a considderived from the state to charitable and meet at 10 A.M. public objects, and that if it was thought the venerable gentleman has arrived at

vate spleen or family interest, another.

INCORPORATION. — We are glad to be repelled by some protection where business in connection with his (Mr Clark-by the flames continued their ravages son's) son, who has also had considerable to the County Council at its next sitting, been the work of an incendiary, as it subject having been duly considered by been the work of an incendiary, as it better and with less expense than Richmond Hill. The limits of the corporation will only embrace five hundred acres; we have no bridges or streets requiring a heavy outlay. Our sidewalks would be learn of every and in received that will compare with Ballou's for the variety and interest of afflicted as to incapacitate him from atbe kept clear of snow, and in repair; no its contents. It caters for all classes: tending to his professional duties as Offihall in the County for public meetings, who read the Magazine are unanimous of an Official Assignce, and, no doubt, and our main street, kept up by the in its favor, and call it the most popular will give every satisfaction to those re-County. We have a good fire engine, of all the serials in the country. It quiring his services. which only requires to be kept in order contains historical tales, sea yarns, wonby the proper officers. In fact, we have derful adveneures, the best poetry, LARGE PORKERS - On Thursday last, all the requisites to manage our local thrilling romances, and some superb Mr. W. S. Scott, of Millbrook, killed a matters, but no opportunity at present illustrations, and yet is sold for the low porker which weighed, when dressed for the to enjoy the benefits of self-government, prize of 15 cents per copy, or \$1.50 per by being as we are, at the mercy of the year; cheap, but good. Try a number and three quarters of pork. The animal convenience of Markham and Vaugher and see Address Thomas & Talbot. Councillors of Markham and Yaughan, and see. Address Thomas & Talbot, was two years and three months old, and who are usually farmers, and, to a great 64 Congress Street, Boston, if the Maga- Mr. John McCoy, of Brant, killed the

Mr. Thomas Clarkson, one of the life going a long way out of their road to valuable horse was sufficiented and burned years the respected president; a severe ablige brothers-in-law, or shall we say, in before it could be reached. The engines stroke of paralysis depriving him of the the words of an American humorist, were soon prepared for work, but the use of his left side, he has been rendered "Uncles and aunts, and first wife's supply of water was found to be totally inadequate to supply the demand. The Wr. Clarkson requested the Council to fire soon levelled the building in which appoint in his place Mr. W. F. Munro. We would say that fair criticism of it originated, and caught two adjoining who was for several years employed by the acts of public men is one thing, pri- out-houses which were also destroyed, him in the official assignee business, and be taken to prepare to present a petition until after 12 o'clock, before they were experience in insolvency matters. The and to have our village incorporated. was first discovered on the outside of the was unanimously approved and ordered There is not a village in the County of hay and feed store. Mr. McFarren is subject to the usual conditions. The York that can manage its local affairs insured in the Western for \$2,000, but Council further ordered that a letter of

## Editor's Motes.

The Scholars of the Richmond Hill W.M. Sabbath School will hold their annual Musical Festival in the Masonic Hall, on Friday next, 29th inst. Selections from the Organ and the Prize. with Readings and Recitations, will be given. Admission twenty cents.

Almost a Fatal Accident.—Mr. Brougham, claiming exemption from School Taxes, being a supporter of sepament with a sad accident on Friday last, which was near costing him his life, The following petitions were presented: while hewing railway ties in the woods From William Marwood and 19 others west of the Creek. He was struck by a branch of a tree in the face, completely breaking his mose, part of the splinters entering through the nose to the roof of the mouth; and while prostrate a tree fell across his neck. Mr. Ferguson was taken home by his fellow workmen, and Dr. Tucker called in, under whose skilful professional treatment he is now favourably progressing. The injuries received are very severe, and the face so much bruised that the sufferer will be The above association met at the village disfigured for life .- Whithy Chronicle.

PERSONAL .- It is with feelings of deep regret that we record the departure from this office of Mr. James Wideman, who embarked for the city of Toronto, to seek his fortune in a wider field of labor, on Monday morning last. He was connected with this office for over five years, during which time he has always been known to aischarge his duties in a highly creditable manner, and is well known to many of our readers. The typos belonging to this office, feeling desirous of expressing the high esteem in man, moves that the Treasurer be and is which he was held by them, asembled handsome presents, the company separated with the following toast: "Happy to meet, sorry to part, happy to meet again." That pre-eminent success may attend his pathway in all future life, is the sincere wish of his brother typos.

DEBATE .- According to notice, in our held under the auspices of our Institute, Thiers. It was proposed to reduce the came off on Tuesday evening last. The amount by one tenth. night was cold and very unfavorable, but all-important question, "Should our village be incorporated." After a short and practicable discussion on the many decision in favor of the affirmative. general debility. As it is the intention of the Managing Committee of the Mechanics' Institute place will have an excellent opportunity of improving their minds, and they will peer in ability, and certainly none in legal advice as to the legality of the find it to assist them in many ways in the acquisition of knowledge. The sub-

STRUP OF HYPOPHOSPHITES. Beast, Birds, Reptiles, Insects or even Zoophiles, and subjects of the Vegetable Kingdom Infringers of Powell's Patents are governed by vitat force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means wherehy

vitality may be sustained in the living body i ideed a boon to the world.

Modern chemistry has ventilated the question and discovered the ingredients contitu-ting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are trengthened.

stroughened.
This, then, is substantially the basis on which Fellow's Hypophosphites is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles. Strengtheoning the nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs

of the Body.

Rousing the Sluggish Heart and Liver, strengthening the action of the Stomach and Bowels and enabling the Langs to be fully inflated with Oxygen.
It is adapted for ALL cases of Weakness and Emaciation, whether arising from sedentary life, a tropical climate, from fever or debility

from any cause, and is efficacious in Pulmo-NARY Consumption, many confirmed cases having been cured and all benefitted, where its In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails. For Nervous Debility it stands unrivalled,

and may be used with confidence in all cases As this is entirely distinct and deferent from every other preparation of Hypophosphites, be careful to ask for Fellows' Syrup, and take
