RICHMOND HILL, JUNE 28, 1872.

MR. METCALFE'S POSITION.

On the 6th and 7th September, 1867 the ratepayers of the East Riding of York exercised the privilege of choosing a representative for the House of Commons. On that occasion we advocated the cause of Thomas A. Milne, Esq., a gentleman every way qualified to fill the position. Both as to personal and public reasons, we deemed him best suited to represent the people of the riding; he came out fair and square. We knew he could be depended upon, but unfortunately he was defeated. We thought then and think now that our friend Milne did not receive consideration where he ought to have expected it, and this circumstance, taken together with the want of money spent by the gentleman from the antipodes, caused the loss of his election. Mr. Metcalfe, on the contrary, was returned. He was the nominee of the Clear Grit Convention held at Milliken's Corners, in the year 1867; he was what might be termed "all things to all men." When he deemed it safe he had no objection to giving the government a fair trial. On the other hand, with the Grits he was a bit of the first water, and some people have said he had an axe to grind in going into the House. That he had some understanding with at least some of the members of the Government we now believe, looking back at all the circumstances which occurred about the time of the last general election. We are forced to this conclusion, when we find the position of return officer somewhat from one gentleman to another at almost the last minute. When we find the Hon. Wm. McDougall and the Hon. Mr. Howland, both members of the Government, the former voting for, and the latter if not voting refusing to do so on grounds of favoritism to Mr. Metcalfe. Then looking at the course from the first to the last session of the House pursued by that gentleman, and last, but not least, when we find his Clear Grit friends, those who cheered and supported him during his long canvass, those who dispersed his money and held his purse strings turning tail on him at the meeting held at Milliken's Corners a few weeks ago, it does seem as if there was something in his saving the Government a fair trial. To the Liberal Conservatives of the East and West Ridings of York, we beg to say, what are your intentions in the matter of electing representatives for the House at Ottawa? Before another 7th of September is past and gone, more than probable another election will be over. Do you not think, gentlemen, it would be well, it would be prudent to call a meeting of those friendly to good government, friendly to the cause of union and loyalty, together in some central place to discuss the subject; (where we will be done, the expense will be small, and you will become better acquainted with one another for a future occasion. That the suggestion of such a meeting will meet the approval of our friends is our desire and wish. The time is short, delay not any longer.

DOMINION DAY—The time is fast approaching when the ordinary business of life is expected to be suspended, and the people as a whole "bid dull care begone," and engage with juvenile eagerness in the programme of amusement provided for the celebration of that memorable and remarkable episode in our country's history, viz: the Confederation of the Provinces. As many of our readers are aware, the inhabitants of this town have been making preparations for some time past to have a grand gala day here on the 1st of July next. The amusements of the day will commence with a foot ball match, to take place at ten o'clock, A.M. At twelve, noon, the Richmond Hill Callithumbians will march through the town, headed by their chief, in full regalia. Immediately after, the athletic games will be introduced, for which various handsome prizes will be awarded to successful competitors. In the evening, a torch-light procession is to be formed, headed by the renowned Patterson Brass Band, after which will follow a grand display of fire works, such as was never before exhibited on Richmond Hill. Altogether it is expected to be a pleasant and profitable source of enjoyment for the holiday.

FROM CAMP—We learn by a telegram received yesterday, that the Oak Ridge troop of Cavalry will arrive, from camp at Niagara, at headquarters, Richmond Hill, this evening (Friday). They are all well and hearty, and will be entertained at supper by neighbor Proctor, on their arrival.

YORKVILLE COUNCIL.

The Yorkville Council met on Monday evening last, at eight o'clock, the Reeve in the chair. Present:—Councillors Dean, Philbrook, and Gibson.

The minutes of last meeting were read and confirmed.

From the Young Men's Christian Association of the Church of the Redeemer, praying for a remission of the fees paid by them for the use of the Town Hall.

Councillor Joseph Gibson, seconded by Councillor Dean, moved that one hundred posters be printed and distributed, containing sections Nos. 1, 2, 3, 4, and 5 of By-Law 164 relative to the discharge of firearms, which were as follows:

1. That it shall not be lawful for any persons to congregate together for the purpose of ringing bells, blowing horns, shouting, or making other unusual noises tending to disturb the public peace.
2. That it shall not be lawful for any boys, young men, or other persons, to congregate on any public street, or at the corners of any of the streets, by ways, or lanes, of the said village, for the purpose of conversation or for doing any act, matter, or thing which may in any way tend to disturb the public peace.
3. That it shall not be lawful to set off any fireworks, squibs, crackers, or fire-works, in the public streets, lanes, or public places within the said village.
4. That it shall not be lawful to discharge any gun, rifle, pistol, revolver, or other fire-arms, in the public streets, lanes, &c., in the said village, nor in any back yard, entry, paddock, fold or premises, whereby it may in any wise cause any danger to any inhabitant of said village.

Councillor Gibson in moving the above resolution, said the penalty for violating this by-law was not less than \$1 or more than \$10 for each offence. Some of the inhabitants had lately complained of rifle balls being fired into their houses no doubt unintentionally, to the great danger of the inmates. He thought it time that this sort of thing should be put a stop to; and by having the by-law printed and distributed, attention would be drawn to the penalties incurred by such careless handling of fire arms, &c. If they passed laws, he did not see why they should not be enforced.

The resolution was carried *unanimously*.

The Council then adjourned till Monday fortnight.

MASONIC FESTIVAL—On Monday last the members of the Richmond Lodge of Free Masons, of this town, assisted by a number of the Brethren of the Vaughan and the Rising Sun Lodges, celebrated the festival of St. John the Baptist in a very becoming manner. The Brethren met at their hall in this place at about 2 P.M., and after the usual routine of business, had their officers installed for the ensuing year, by W. B. A. L. Steele, P.M. Immediately after this ceremony the representatives framed themselves in procession, and headed by the spirited music of the Patterson Brass Band, marched through the principal street of the town. On returning to the hall, they with a large number of their friends and invited guests sat down to a famous repast laid in the lower hall, (where ample accommodation had been made and which had been beautifully decorated with evergreens and Masonic notices for the occasion) prepared by a few of the wives of several members of the Richmond Lodge. After enjoying the good things provided, the assembly adjourned to the lodge room upstairs, where the company were entertained with speeches from the Rev. Mr. Lancelotti, of Aurora, the Rev. Bro. Thurston, of Willowdale, and the Rev. Bro. W. W. Carson, of Toronto. At an early hour in the evening, the company dispersed, all seemingly well pleased with the entertainment given by the Free Masons.

HURRAH FOR EAST YORK GENERAL ELECTIONS—Under the above caption, the friends in connection with Wesley Church, Victoria Square, announce to the public their intention of holding their annual tea-party on Monday, the 1st of July next, in the grove of James Stoutenburgh, Esq., Lot 25, 4th Con. Markham. One of the grandest teas to be found in the Dominion is to be served at twelve o'clock, noon, after which addresses will be delivered by several eminent ministers of the Gospel. An excellent choir will be in attendance. Tickets: adults 25 cents; children under 14, 15 cents. Proceeds to liquidate the debt on the Church.

PRESENTATION.

It is our pleasant duty to record the following very interesting ceremony, which took place at the last regular meeting of the Vaughan Lodge of Free Masons at their hall at Maple, on Tuesday last week. W. Bro. A. P. Conger, P.M., was made the recipient of a beautiful Past-master's jewel by the members of the lodge, as a mark of their respect and appreciation of his services, which had so much tended to the prosperity and happiness of the lodge. W. M. Bro. J. Martin made the presentation with the following remarks:

"W. Bro. CONGER: It has been the custom from the earliest period in the history of our order for Masons to recognize and acknowledge true worth, and reward deserving merit. This great principle in one of the peculiarly distinguishing characteristics of our institution, and has been mainly instrumental in weaving those bonds that unite us in our common brotherhood, and is esteemed by every true-hearted and worthy Mason, a cardinal virtue.

"For many years you have been a member of Vaughan Lodge; ever vigilant, by your presence at our regular communications to encourage us in the path of duty by your counsels to correct our faults, and by the regularity of your conduct afforded the best example for the behavior of others. You have filled the various responsible positions to which you have been elected with becoming dignity and due consideration for the rights and privileges of the members and the welfare and prosperity of the lodge.

"As a rule in the craft, you have guarded well the ancient usages, customs and marks of the order; you have laboriously endeavored to instruct those placed under your charge in the tenets peculiar to Masonry, in order that they may become skillful craftsmen and the Master's work; you have earnestly sought for our good, and been earnestly constant, and it affords me infinite pleasure to inform you that I am deputed by the brethren of this lodge to acknowledge the great obligations under which you have placed them, and in so doing to present you with this Past-master's jewel in token of their esteem which we the highest honor the lodge can bestow, or the brethren confer, upon any of its members and I trust Bro. Conger, you will live long and happy to wear it."

Mr. Conger made a neat reply in a few well chosen and appropriate sentences, expressing his thanks for the handsome and unexpected gift received from his brethren in the lodge, and said he would always endeavor to wear it with honor to himself and credit to the craft.

The Pteridological Journal for June is an admirable number to close the Fifty-fourth volume of that most excellent family magazine. Conspicuous among its contents are, William Orton, President Western Telegraph Co.; What is the Tariff Question? by Horace Greeley; Steal or Starve! Sir Francis Crossley, M.P.; Monticello, Famous as the Home of Thomas Jefferson; Expression; The Chinese in the Philippines; Preachers and Preaching; Bow's Library; Curzon and his Difficult Years; Paul Du Chailu, the famous Traveler; Life Insurance; A Bad Pen etc. With numerous fine illustrations and portraits. A new volume begins with the July number. A good time to subscribe; fine premiums offered. Terms, \$3 a year, 30 cents a number. S. R. Wells, Publisher, New York.
