The York Kerald.

RICHMOND HILL, OCTOBER 4, 1872.

THE RESULT OF THE ELEC

ness the last dying struggles of the Globe being devoted to them. The outside show being devoted to them. The outside show among the farm implements two or three in its vain efforts to make it appear that of implements was not large, but was of a the Government has been defeated, and that the motley gang of grits, an nexationists, obstructionists, and sore heads will soon bid farewell to the cold shades of opposition, and bask in the sunshine of office, to enjoy with partial the pils or bain ceilar. The hottom is a large, but was of a very useful character. There was a fine show of burgies, carriages, sleighs and farmers waggons. Among the latter we hotten done with a movable hottom on a new than specially designed to obvinte the reduces and he very belong of unlocking toots and petatoes when drawn from the field to sunshine of office, to enjoy with partial the pils or bain ceilar. The hottom is sunshine of office, to enjoy with perfect the pits or barn cellar. The bottom is satted so that all the dist eacily talls but gusto the sweets thereto appertaining. satural as the lead is being drawn away, and to un No doubt the change, to them, would be | fond it is only necessary to let down a sovery pleasant, "a consummation devoutly wished for." Long and arduously have they toiled for such an event; no effort has been spared, no stone left un-inaming utilis of a very high degree of excel turned. They have displayed a persistency and zeal worthy of a better list prize winter when being superior to that cause; fair means and foul have alike shirt took the Canada Compony's prozent been resorted to. The foulest abuse, the vilest malignity, the most unscruptons also were the oats, especially one bay that the vilest malignity, the most unscruptons appeared very white clean and heavy for oats. The show of fatm roots was small, their from the samples and also the Government, and at each individual these of potatoes there must be an extra member, the sole end and object of which has been, not the welfare of the country, not the rights and liberties of the rooms. not the rights and liberties of the people, grapes most of the sorts being labelled. but the selfish aggrandisement of a fac tion; and now with defeat staring them ripened specimens of Delaware, Concord, Ions, Creveling and Salem, together with in the face they are at their old tricks some white grapes not named.

The show of dairy productions was really again: falsely and wilfully mistepresent again: falsely and wilfully misiepresent and. Of factory choeses over 50 lbs. each, ing the result of the recent general electric life were shown; of Stilton choese 10 were maketh the beart sick, and the remnant show. of a once great and united party who for reporters to do justice to exhibitors or nice collection of photographs. &c. Then still adhere to the fallen fortunes of the give any individual praise for what efforts came the bread! butter, and cheese, fol "Incubus" feel and know in their heart are made at excellence when the old for lowed by some beautiful, ornamental fushion of excluding the names of exhibitors of hearts that it is all bumkum. Of fushion of excluding the names of exhibitors cards affixed to each article cakes, the most remarkable, of which were like the pleast that it is all bumkum. Of from the entry cards affixed to each article cakes, the most remarkable, of which were long the pleast that the judges may be influenced in the pleast that the judges may be influenced in their awards thereby is of the flimsiest made clother, as the made will keep it going during the session; chearter. after that the usual abuse in large black cial train on the Teronto and Ninissing Rail-letter type of those whom the Globe was arrived at Markham, having on bond was a good show of quilts, counterpanes. will presume to style "traitors," corrup tor, and Mes etc. W Goode ham. H. Good was chiefly filled up with musical instrutionists, &c., &c. Then will come the column E Winege, James Graham, A. W. ments, and sewing machines, comprising old stereotyped rigmardle of the ven Fulton, John Morrison, W Ramsey, James the Florence, Singer, Osborn and Wheeler Emerson, Wants, and Sewing machines, comprising better, S. J. Edment, Lilly Ramsey, James the Florence, Singer, Osborn and Wheeler Emerson, Wants, and Sewing machines, comprising better, S. J. Edmend, Lilly Ramsey, James of the Florence, Singer, Osborn and Wheeler Emerson, Wants, and Sewing machines, comprising better, and the sewing machines, and the se old stereotyped riginarole of the ven geance of a betrayel people at the next election. Thus and so the organ may with a large number of ladies, who reached the grounds in time to see the great event the grounds in time to see the great event samples of wax work, needle work, &c. be kept in tune for another year but the of the day which was and it will go to its grave unwept, unhonored and unsung. It and its party have alike served their day and generation. A new party has sprung up from the sprung up from was one of the was not better the most interesting and amusing the served their day and generation. A new party has sprung up from the sprung up fro the ranks of the old parties, composed features of the day, there being in all ers in East York will continue so rapidly thirty-one entries it is not usually an ad to increase in the improvement of their of the moderate and most able of both, junct of Canadian exhibitions, and in this one better adapted to the changed and improved circumstances of the country; the control with athletic sports. &c. The third week. a party that inaugurated, carried on, novelty of the thing of course created a uch and will eventually bring to maturity the excitement and the scene was a lively and animated one. The proverbial disposition great scheme of Confederation. Hup of every mother to consider her own child pily is it for the Dominion that there is the finest and hadsomest baby that ever existed was strikingly exemplified by the such a party. Happy is it that old is complacent confidence exhibited by the sues were thrown aside and that a large proud and happy matrens in clarge of the Hill commencing Friday evening the majority Maye again decided at the polls infants on exhibition, who looked the pice 4th inst. Admission to the first lecture majority leave again decided at the polls infants on exhibition, who looked the picture of nealth and gave frequent and until they shall not be resuscitated, but mistake be bace of the strength of shall remain buried in the tomb of the their lungs. The selection of competent remaining lectures. Single admission past.' Let the Party of Union and interestedness, good judgment and practi-Progress gird on its loins, and urge on cal experience being in this, as in other the good work so auspiciously inaugura-ted five years since, extended during the past five years, and so full of promentrusted with the operous duty and meny

Schering. The prizes for the several articles on exhibition will be decide to day .- Mail.

SECOND DAY. Wednesday, the second day of the fair. as an equilibrilliant as one could wish, and the attenuance of people was her ond all company ion. The number and quality of series was equally as good as that of serious years, and among good as that we might just briefly natice a few of the most worthy. On the Western side of seven machines on the grounds during the day Mr. Hicks, of this place, had also on exhibition two iron beam plows. Mr. A. Fleury, Aurora, showed several farm implements in reapers, plows, grain drills and grass seeders, and others many of which were labelled with first prize tickets. In waggons, buggies, &c. there was a good display: Messrs. Speight and Son were the leaders in heavy waggons. Passing on, our attention was anddenly attracted to Coles' new and improved patent fence, exhibited by M. B. Crosby, of Kleinburg. This also at tracted wonderful attention from the Among the grapes we acticed fine and well and was pronounced to be one of the most useful inventions of the day. The exhibition of horses and cattle were very numerous, and we believe some of the finest and best animals in the province were on the grounds. In carriage horses the competition was keen, but as usual, onions of an immense size, and fruits of We may as well say that it is impossible several most excellent drawings; also a
