#### MUNICIPAL ELECTIONS.

Monday last, being the close of the election for Municipal honors, our new incorporation had quite a lively time. The candidates for the Recveship, three in number, (at least two of them.) were nctive and worked hard. Ir. Duncumb's a nationality or perhaps in the whole friends, to a great extent, did not support him-hence the very small vote polled origin, yet over three millions of Sabfor him—but nearly all of them voted bath School scholars are engaged each for Mr. Law, hence his election. The following is the vote polled at five, P.M.: FOR REEVE :

keen, and resulted in Mr. Eakin defeata handsome majority. The totals show that the Mesers. Lane and Milliken, were elected Deputy-Reeves; Messrs. Robert Marsh and N. Button, as Councillors. We here subjoin the state of the polls at the close of the election. POBINSON. FAKIN.

The Sabbath Schools Waughan Agricultural Society will be which have adopted it are convinced by the past year's experience that the system of one lesson for the whole school. from the Bible down to the infant class, is not only feasible but really advantageous, and far preferable to the old plan of allowing the teachers to select for themselves, from Genesis to Revelations. The idea of one lesson for all the classes in a Sabbath School, and the same lesson on the same day in all the schools in christianized world, is one of but recent Sabbath in listening to instruction derived from the same passage selected from the Word of God.
