TO THE PUBLIC OF THE BRITISH

The provinces or south anthracat. The provinces or south anthracat. The provinces or south anthracat. The provinces of south American provinces that in May, 187, I caused the business at 50 Maiden Lane, New York, for the sale of Hot-Lowar's Pit IS AND ONYMENT, which were up to that the provinces of hot-ter up that the province of hot-ter up that the province of hot-hot way is a south of the south of the provinces of hot-ter up that the provinces of hot will be a south of the south of the province of hot will be a south of the provinces of the south of the province of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of the provinces of the provinces of the south of the provinces of to that time prepared by William Brown, now deceased, to be closed. I regret to say that 1 have reason to know that the management of late business had for some years, and in many ways, been mist corrupt, and it may be that the Pills and Ointment were not prepared with the care I have always desired.

These who do not wish to be deceived by buying sparious medicines, which are now likely to emanate from the States or elsewhere. but to possess themselves of the gennine Hel-toway's Pills and Onyment, manufacture : Post Office, for 10 cents a toway's Pills AND ONTMENT, manufacture : by no in London, England, will do well to see that each put and box hears the Builish Government stamp on which is engraved the words "Holloway's Pills AND ONTMENT." and that the addression the labels 5.63 Oxroan STREET, LONDON, where only they are manu-factured, and in mosther part of the world The retail prices are on the labels in British currency, and not in dollars and conts. No representative of mine will ever trave Richmond Hill. RAHAME, IMPORTER

No representative of mine will ever trave through any part of the British Provinces 1 the United States, either to sell, or to take orders for my Pills and Ointment, and as 1 have reason to believe that attempts will very probably be made to deceive the public in this way by persons calling on medicine vendors, falsely re-resenting that they are acting for mo-and with my knowledge and consent. I decade AYPOPHOSPHITES.

and with my knowledge and consent 1 definition of the public of the publ scovery of means whereby worthless initations of the genuine Hollo-

Incovery of means whereby worthless initiations of the genuine Hollo-stained in the living body is the world. I would ask, as a great favor, that should the context of the ingradients con that spu-tous medicines are being marce or sold in my uscles and nerves, and finds g these ingredients in proper rain and nervous system are to say, the name and address of the vender to say, the name and address of the vender to say, the name and address of the vender to say. The name and address of the vender say the same and address of the vender to say.
