# "A Dream-Not All a Dream."

### ?HYSICAL LAW - MORAL LAW-COMPENSATIONS -PENALTIES - THE LIQUOR TRAFFIC, ETC., ROUTED, DOOMED PUNISHED.

Archbishop Paley was a great and wise Christian philosopher. He as sorts that "of all the many myriads of tructive of all poisons, Alcohol. nerves that permeate and vitalize the Human justice seems asleep. No the human organism, not one was designed by the Creator for pain." This criminals who commit this fearful The very nature of law requires this. the normal use of the senses, in all but pre-eminently they roll in woalth. their varied functions, produces pleasure. The same abused - which always political distinction are lavished upon involves violation of law-insures these evil-doers. Where, then, comes penalty, i.e., pain. This penalty, too, the penalty? Where is the requital as a warning against disobedience, by society for this measureless wrong proclaims the beneficence of the law. to society?

It matters not through what motive the warning is disregarded. The sanccence prevents not a half century of and things are dissolved into untold suffering to the victim. The monkey uses the cat's paw to gather roasted chestnuts from the fire-involition is no shield against the scorching. But who would forego the benefits of sensation, to be exempt from

### EXPERIENCE.

an industrious machinist. He had a So, too, evils of greatest magnitude good wife and two bright children. are equally marked. All skill and life is saved. His suffering is intense. He groans out in his anguish : " Oh. follow. Patience and nature's recup- all crimes, has the sanction and proing. But he wants, he craves, immeby the Maker of all laws. What does he wish? To be returned at once. whole and well, to his work. Suppose this be offered on the one possible condition. He shall henceforth be free from the law of sensation as concorns himself. Will he accept? Anything to escape his bodily suffering. His urgent request is granted.

### HYPOTHETICAL EXPERIENCE.

Mr. Sneidher is again in his shop, cured-free from pain. No more is he to come under the influence of this rejected law. His work for the day is done. He leaves for his home and comes into the fresh air of a June evening. The soft breezes of heaven, which have so often gracefully fanned his heated brow, make no impression. He meets his little darlings, Charlie and Fannie; they have ever been to him a great delight. In their sweet
