A Balloon ascended at Philadelphia on Monday and alighted fifty two miles away in fifty minutes.

It is stated that Prince Bismarck has given permission for the establishment of Good Templar lodges throughout the Ger-

A Boston woman wanted to elope, but when her husband gave her the money to go she changed her mind —it took all the

The Daily Telegraph publishes reports from all part of England, which are generally favorable to the hopes of an early wherein a bound of the control of the

The writs for the elections to the House

of Commons in Prince Edward Island have been issued. The nominations take place on the 10th, and the polling on the 17th of The Bidwells and confederates were

tried on Tuesday last in Landon for committing the great forgery on the Bank of England, found guilty, and sentenced to penal servitude for life. Within the past two years a Detroit

reporter has shaken hands with thirteen "Buffalo Bills," all displaying the same bountiful supply of "shooting irons," but every one with a different "peiz."

Josh Billings gives the following advice to young men; "Don't he discouraged if yer mustach don't grow. It sumtimes hapens that where a mustach duz the best nothing else duz so well.

A lad, four years old, son of Mr Win Brown, of Proton, was shot through the body while he was picking berries in his father's field, by some party unknown. The child ran to the house and dropped dead.

A Dreadful storm, accompanied by thun-der and lightning, extended from the eastern shores of Canada to the midland districts of England on Saturday, Sunday, and Monday, and much damage is reported.

A Beard and moustache exhibition and Competition is the latest novelty at the North Woolwich Gardens near Londen. A jury of ladies is to award prize medals for the "handsomest beards and mousaches."

All the grading on the southern extension of the W. G. & B. R. is completed except about a mile. They are pushing forward the work with energy, and tracklaying is progressing fast between Wingham and Lucknow.

An Indiana man claims to have succeeded in playing a thorough confidence game upon the potato bugs. He planted a grain of day last. This plucky learn in each potato hill, and, as the corn this feat once too often. came up first, the bugs thought it was a corn field, and started for other scenes. Try

A Man named Shelters attempted murder his wife and the captain of a steamer, one day at Chippewa. He wounded his wife in the side and in the arm but failed to hit the aptain. He then tried to commit succide, but failed. Cause

A man employed in Nagle's mill, Rock Forest, while sawing laths, had a piece driven through his upper lip, knocking out his front teeth, and coming through at the rear of his jaw. He drew out the stick at dian, who murdered Gen. Camby and his associates, is to be executed in company

with several other confederates who assisted at the assassination. They are to be hanged on the 3rd of October, at Fort The steamer Marimichi, from Pictou,

with 150 excursionists, for Quebec, went awith 150 excursionists, for Quebec, went as shore on Friday night, in a fog, but was got off and beached in a safer position.

The passengers, mails, &c., reached Quebec on Saturday night. Nobody was drown-being additional process. The passengers of the above named brick yards, which are situated in a central ed or injured.

case, has lately passed through Clyde, en route for England.

servants of the crown from communicating plain, as it has been doing, for want of official information within their cognizance bricks. It appears brick making as an enterto the press. "My Lord's" have at the same time transmitted a form of declaration to be signed by the employees to the effect that they will observe the rule.

into his head to perform a dangerous feat last week. Having cut the stone intended for the top piece of the new spire of the Second Congregational Church, he straddled it and was pulled up on it to the top of the spire, where he aided to adjust it in its place. This spire is the tallest in the town. and twenty feet higher than Groton monu-

A singular freak of nature has taken place upon an apple tree in the yard of Darius Bennett in Blackstone. Two good sized apples, touching each other, have grown directly from the trunk of the tree, a few fect above the ground, and so close to the bark that it is difficult to distinguish any stem. The original bud and blossom was also in close contact with the bark, and it is an occurrence so uncommon that many

A stampede of buffaloes at the brink of a cliff seventy-five feet high, beside the Pacific Ocean, supplies for the Denver (Col.) News a "beautiful little story", which concludes as follows: For thirty sec onds it rained buffaloes, and the white sand at the foot of that bluff was incarnadine with the life blood of wild meet, and not until the tails of fifty or seventy five of their youngest child, uine months old. They that herd had waved adieu to this wicked world did the movement cease.,'

Charlotteville, being ten in number, were arraigned on Friday before a bench of magis

A serious five occurred Sunday night on Lot No. 14, West York, involving a loss of property to the extent of more than \$1,000. It appears that at the place mentioned there is an extensive farm, rented by Mr Me-Gloshan. The fire occurred between eight and nine o'clock. The crops had been gathered in, and were, of course, completely destroyed. The buildings were, we believe, insured. The glare caused by the flames made a brilliaut reflection on the sky inflicted upon his person by a knife in his flames made a brilliaut reflection on the sky inflicted upon his person by a knife in his during the course of the evening, and it own hands while in a state of mental aber-

h ad not subsided until a late hour.

The Guelph Herald truly says of McMullen's proposal to extract \$50,000 from TIAN ASSOCIATION the coffers of the Mail as a solutium for the wounds which that journal has given his "character," and the remarks of the Grit press thereupon:—" If Satan himself sued a conservatie paper for speaking disrespectfully of him, there would not be wenting Grits to rejoice that the dusky gentleman was about to vindicate his character."

It appears that the Alsatians are no more resigned to their fate than they were before military government was withdrawn from the Province. A Mulhouse correspondent of the Republique Française, Paris, thinks that at the next election they will again systematically abstain from voting, as romance away.

"We are fearfully and wonderfully made," as the man, quoting Scripture, said to his friend as they were looking at the skeleton of a donkey.

The process of the skeleton of a donkey.

The process of the skeleton of a donkey.

and plentiful harvest.

A Japanese paper states that 382 Japanese students are studying in Europe, America and China. Only five of the fair sex figure in this enumeration.

The Uttawa Citizen records an instance wherein a boy was saved from drowning by the cackling of gease. It says, a little boy son of Mr Mensuage, who resides on the eastern bank of the canal, near the toll har, fell into the canal yesterday afternoon to come the content of the canal yesterday afternoon to come the Fortunately a colony of geese were taking a quiet bath near the spot. Their cackling drew the attention of the child's mother. who, running down to see what had occa sioned the disturbance, was just in time to save her little one, A moment later he would undoubtedly have been drowned.

The wants of Great Britain and Germany n the line of breadstuffs seem to be almost without precedent—certainly they have never been exceeded. The cable reports that the imports into Great Britain and Ire-land last week were between 40,000 and 45,000 barrels of flour and about 1,500.0 bushels of wheat, and yet, following clo upon this, there was room engaged at Ne York, on the 20th inst. to load 400.00 hushels of grain, mainly to the United Kirdom, but part to the Continent.

On Monday morning last the miller Mr Boyd's grist mill, Bobcaygeon, we startled by seeing a strange animal of wor drous aspect dushing about in the water issuing from the mill race, and around whi is an iron network for the purpose of c ching eels. The strange animal play such pranks that Mr Punshon, the mill was at first disconcerted. Finally he watered his opportunity, made a dash, seize hold of a black something, and brought of a fine beaver by the tain. A short strugg established the supremacy of man.

THE POPE WALKER AT NIAGARA FALL -Some years ago, when Blondin perform the great feat of walking across the Ni gara River upon a rope, he electrified the public by his wonderful nerve; but sm that time other aspirants to fame have a peared; and on Monday last Blonsin fairly cast into the shade by Professor Be oni, of Paris, France, who not only walk across the river, but he jumped into t foaming waters from the rope—a distan of 140 feet - and, upon coming to the surface, was received in a boat safe as sound. The feat was repeated on Wednes-day last. This plucky Frenchman may try

Since the year 1848, when they were but about 6,000 miles of completed unilroad in the country, the railroad system of the United States had increased on January 1, 1873, to 7.1000 miles in actual operation, with 8,000 more in process of con truction. The railroad statistics show that in 1858 there were 27,000 miles of roads built, in 1869, 43,000 miles, and that since the war the half of the whole has been constructed and put in operation. The average railroad growth for the last five years has been nearly 6,000 miles annually. At a rate of \$40,000 per mile the cost of the completed roads would be perhaps, \$3,000,000,000, once and is in a fair way of speedy recovery. while those in progress and not yet com-Captain Jack, the notorious Modoc In plettd will cost \$320,000,000.

We clip the following from the St. Themas Times. The paragraph refers to a Richmond Hill lad, and it gives us great pleasure to notice enterprise among | Tennis Balls, young Canadians, more especially when

d or injured.

The latest contribution to Tichbornia is east of the L. & P. S. Railway. The gards made by the Dunstan Times, which has been given to un erstand that the long-lost Arthur Orton, whose name has figured so conspicuously in the celedrated Tichborne case, has lately passed through Clyde, on and is now carrying on increased business. It is stated that a Treasury circular has been issued to all the public departments forbidding under penalty of dismissal, civil are to about 25 hands, and turns out from 16,000 to 20,000 first class white bricks per day. At this rate our town should not com-

prise has not been carried on very successfully here, and the consequence was that our builders and contractors were compelled A stone mason of New London took it for their building supplies, thereby leaving money at other places, that ought to have been left at home to encourage trade and manufacture. Mr Freek's average monthly expenditure for wages and horses is from \$800 to \$1,000, which is of considerable importance to a rising town like ours, and entitles Mr Freek to the thanks and encouragement of the community for his enterprise. He boasts of having a bank of clay that is second to none in the country for the manufacture of bricks. It is a fine blue sand principal streets to be replaced by brick buildings."

17.—A man named Scott, a school teacher, who has been residing at Detroit for some time past, returned here on Friday by the night train, and went to his father's house, about five miles from Seaforth. in the townleft there about ten a. m. on Saturday to go to Mrs Scott's father's, Mr John McMillans, All the hotel keepers in the township of harlotteville, being ten in number, were Not arriving at McMillans it was supposed they had got a chance and had gone to Seatrates at Charlotteville Centre for selling liquor and keeping public houses without the woods was attracted by the crying of licenses. The Municipal Council refuse to the child which he found in the edge of the issue licenses as per a vote yielder the Dunking and a contract of the child which he found in the edge of the issue licenses. The Municipal Council refuse to issue licenses as per a vote under the Dunkin Act last Spring. The prosecution took place under the new Crooks' act, they were fined \$20 each. Mr. Lees and the County Attorney appeared for the prosecutors and Mr. C. J. Fuller for the defendants. The town went to Mr Scott's house to inquire about them having head that they had left for hall was crowded to excess with spectators.

A serious fire occurred Sunday night on was resting on the folded coat of her hus-

ration."

MURDER AND SUICIDE. - SEAFORTH, Aug

TIAN ASSOCIATION.

Corner of Queen and James Sts., TORONTO, JUNE, 1873.

To Parents, Guardians, Pastors, and others whose Sons, Wards, or Friends may be leaving home for residence in the City of Toronto.

The Young Men's Christian Association ake pleasure in informing their friends and the Christian Public generally of the faciliies for usefulness which they now enjoy.

Their beautiful and commodious building, with its Halls, Library, Free Reading Room and Gymnasium are intended at once to invite and improve all young men who enter. Prayer Meetings, Literary and Musical Entertainments are frequently held and open

Parents, Guardians, Pastors, or others who have young friends in the City or about to come to it, are invited to urge them to come to us. A Reception Committee has been formed, the members of which gladly call on all strangers whom they may hear of from those interested. Communications from friends at a distance are gladly received.

> Yours repectfully, THOS J. WILKIE, Secretary.

MAYOR'S LONG LIFE PILLS FOR SALE BY

R E LAW, Druggiat, April 9, 187...

BOGUS MEDICINES. HOLLOWAY'S PILLS AND

OINT WENT. HAVE for a considerable time past considered it to be my duty to adv rise the public of the British North American Provinces against buy ing from unprinciped dealers medicines en-anating from New York, and sold as my "Holloway's Pills and Cintment." in wich much ingenuity has been displayed in passing them off as of my make. It is very difficult indeed to attempt to enumerate the many de

indeed to attempt to enumerate the many devices to which the parties have had resource. They say, amongst other things, that a new label has been adopted by them, and with bare-faced effrontery caution the public against being deceived by purious initations.

A poor man by the name of Holl-way is supplyed by the so-called Chemical Company in New York who lends his name for a small weekly sum. The medicines sold by this Company are palmed off upon the public as may. Holl-way's Pills and Ointment." so that them from destruction when this principle were they to injure half the community not leaves them, the discovery of means wherein were they to injure half the community no discredit would fall upon the fabricators of these compounds, but would considerably camage the reputation of my nake.

As it is not at all necessary for this Carw to incur any expense in the side of their productions of the constitutions of the constitution of the constit

tions, of to a very imied extent (trading as that by introducing these ingredients in prothey do upon my name), they are in a position proportions the brain and nervous system are to offer them at a very low price in Canada, strengthened where they are purchased by a few Wholesale. This, then, is substantially the basis of House test Lean name, and will mano here after, either continue to vend the same,

Notice. MR. H. B. REESOR HAS SUCCEED 11 ed us in the agoncy in this section for the sale of Messrs G. A. Prince & Co's cele-brated Organs and Melodeous, in favor of which we give our most unqualified approval and recommendation as the loading and most reliable reed instrument now manufactured.

Testimonial from Professor H. G. Collins I have arefully examined the pianos of by Mr. II. B Reesor, called the Humming Bird, or Colibri Pianus, manufactured by Mathuseck, and think they are wonderfully sweet and pure in tone, and from their peculia, con-struction, calculated to remain in tune longer than other pianos, and consequently to sland a

greater amount of worr.

HENRY GUEST COLLINS.
Toronto Feb. 28, 1872. 714-1y

Price 25 cents and \$1.00 per box. A dollar box contains two hundred feeds.

TICKS ON SHEEP. USE MILLR'S TICK DESTROYER. It restroys the Ticks, promotes the growth of
