The Council then adjourned, to meet at the Prospect House, Eglington, on Monday, September 1st, 1873, at 11 o'clock, a.m.

Mr. Marsh introduced a By-law to appoint an Inspector of weights and measures, which received its first reading and was laid over. Mr Lane introduced a By-law to assess the municipality for general purposes for the Toronto and Nipissing R.R. rate, and the special rate for High School Districts Nos. 2 and 3 for the current year. 3 mills and a 4th on the dollar for Township and County purposes; 1 2/10ths mills, interest and sinking fund for paying of bonds granted to T. & N. R. by the municipality; 17th of a mill on the dollar for High School District No. 2; 14ths of a mill on the dollar for High School District No. 3, which received its several readings and passed. Mr Buton, seconded by Mr Milliken, moved that the license granted to A. Size, to keep a hotel, known as the Union Hotel, situated in the village of Unionville, be transferred to Thomas Hunter, he having furnished the necessary certificate as required by law. Mr Marsh, seconded by Mr Lane, moved that the sum of \$15 be granted to John Langstaff for the support of Jane Hespey, a deaf mute who has no means of support, that has been living upon his charity; the above grant being conditional upon the corporation of Vaughan granting the sum of \$20 for said purpose. Mr Milliken, seconded by Mr Buton, moved that the sum of \$15.00 per week be granted to Robert Anthony, an old and infirm person, during the pleasure of this Council, to date from the 26th day of July last, said sum payable on the order of Albert Clary. Mr Marsh, seconded by Mr Lane, moved that the sum of \$2 be granted to Mrs Greaves for extra care to a foundling child during its sickness, said sum payable on order of Mr Lane. Mr Lane, seconded by Mr Marsh, moved that the sum of \$5 per month be paid to Mrs. Greaves for support of a foundling child placed in her care by this Council, the above grant to commence from the 15th day of August last, and to continue to be paid during the pleasure of this Council, said sum payable on order of the mover. Mr Marsh, seconded by Mr Buton, moved that the sum of \$40 be and is hereby granted for the purpose of ditching and otherwise improving the road, in front of lots 30 and 31, in 5th Con., and that Messrs James Gornley, Wm. Mustard, and Chas. Spofford be Commissioners to expend the same; said sum payable on order of the commissioners when the work is completed. Mr Lane, seconded by Mr Marsh, moved that the account of Samuel Wilson, road overseer, amounting to \$7.15, being for plans, for culvert and stone for break-water in road beat No. 8, be paid to his order by the Treasurer. Mr Lane, seconded by Mr Marsh, moved that a grant of \$5 be made for opening ditches and improving the hill on the west side of the German Mill creek, on the townline between this Township and the Township of York, on condition that the municipality of York grant an equal amount, and that Samuel Wilson and Wm. The By-law received its several readings and passed. Mr Marsh, seconded by Mr Buton, moved that the account of Aaron Bell, for 1,152 feet plank, and \$3 for repairing the bridge between lots 15 and 16, in the 5th Con., amounting in all to \$14 52, said sum payable on order of Thos. Trann, overseer. Mr Milliken, seconded by Mr Lane, moved that the account of Peter Pike, overseer of road Division No. 53 amounting to \$6, being for plank account, opening water course, and securing the buttment under Church St. bridge, said sum payable by the Treasurer on order of Peter Pike. Mr Lane, seconded by Mr Marsh, moved that \$8 be paid to P. S. Gibson, P. L. S., for planting an iron bar and cedar post to mark the place of an original monument on the south-west part of Lot No. 1, in the 3rd Con., it being part of grant made for that purpose at the meeting of this Council in the month of May last. Mr Milliken, seconded by Mr Lane, moved that Messrs Eakin and Marsh be and are hereby appointed a committee to investigate the grievances laid before this Council by Mr John Welsh, in respect to a trespass road running through his property, and report at the next meeting of this Council. The Council adjourned, to meet on the last Saturday in September. One year ago this month the American community was somewhat surprised, and not a little amused, by the announcement then made that ex Mayor Kalfbeisch, of Brooklyn a septuagenarian, a very wealthy man, and the widower of three wives already, was involved as defendant in an action for damages in the sum of \$150,000 for breach of promise of marriage. A widow lady named Mary Frances Wade, was the plaintiff and she was generally reputed to be fine looking and highly accomplished and was only thirty years of age. The suit was never brought to trial in consequence of delays sought by the defendant, and meantime, as is generally known the "honest old Dutchman," as he was called, was taken ill and died, and this it was believed put an end to the suit. On the 1st inst., however, an application was made to Judge Neilson, in the Brooklyn City Court, to have the case reopened and the action continued against the estate, the executors of which are the late Mayor's sons, Charles H., Albert M., and Franklin H. Kalfbeisch. These gentlemen will now be defendants in the action. The counsel moved for an order to compel the executors to show cause why the suit should not be brought against the estate, and the Judge granted it, making it returnable on to-morrow (Saturday.) This is the first suit of the kind which has ever been brought in Brooklyn. A serious irregularity has been discovered on the part of one of the clerks in the Monday Order in Halifax—an embezzlement to the extent of \$7,000. The clerk was arrested and lodged in jail on Monday afternoon.

MAYOR'S LONG LIFE PILLS! FOR SALE BY R. E. LAW, Druggist, April 9, 1871. Richmond Hill

BOGUS MEDICINES. HOLLOWAY'S PILLS AND OINTMENT. I have for a considerable time past considered it to be my duty to advise the public of the British North American Province and buying from unprincipled dealers medicines emanating from New York, and sold as my "Holloway's Pills and Ointment," in which much ingenuity has been displayed in passing them off as of my make. It is very difficult indeed to attempt to enumerate the many devices to which the parties have had recourse. They say, amongst other things, that a new label has been adopted by them, and with bare-faced effrontery caution the public against being deceived by spurious imitations. A poor man by the name of Holloway is employed by the so-called Chemical Company in New York, who lends his name for a small weekly sum. The medicines sold by this Company are palmed off upon the public as my "Holloway's Pills and Ointment," so that were they to injure half the community no discredit would fall upon the fabricators of these compounds, but would considerably damage the reputation of my name. As it is not at all necessary for this Crew to incur any expense in the sale of their productions, or to a very limited extent (trading as they do upon my name), they are in a position to offer them at a very low price in Canada, where they are purchased by a few Wholesale Houses that I can name, and will name hereafter, if they continue to vend the same. The following are the names and addresses of some of the Houses who get my medicines from me direct:— Messrs Avery, Brown & Co., Halifax, N.S. Messrs Forsyth & Co., Halifax, N.S. Messrs T. B. Barker & Sons, St. John, N.B. M<sup>r</sup>. T. Des Brosses, Charlotte Town, P.E.I. Messrs Langley & Co., Victoria, B.C. Messrs Moore & Co., Victoria, B.C. My Pills and Ointment are sold at the lowest wholesale net prices, in quantities of not less than £20 worth—viz. 8s 1/2, 25s, 24s, per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance. These medicines are not sold in the United States. Each Pot and Box of my preparation bears the British Government Stamp, with the words, "Holloway's Pills and Ointment, London." (Signed) THOMAS HOLLOWAY. 523, Oxford Street, W. C. London, July 1, 1873 785

Patent Medicines, Fellows' Compound SYRUP OF HYPOPHOSPHITES. As all life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital forces, which kindle all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to the world. Modern chemistry has vindicated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions into the brain and nervous system are strengthened. This, then, is substantially the basis on which FELLOW'S HYPOPHOSPHITES is built. Its direct action is upon the Brain, the Brain and Nervous System, and causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body. Rousing the Sluggish Heart and Liver, strengthening the action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen. It is adapted for ALL CASES of Weakness and Emaciation, whether arising from sedentary life, a tropical climate, from fever or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight. In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails. For Menstrual Debility it stands unrivalled, and may be used with confidence in all cases. As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for FELLOW'S SYRUP, and take no other. SOLD BY APOTHECARIES, Price, \$1.50; Six for \$7.50. JAMES I. FELLOWS, Chemist, St. John, N. B. 61-8
