

THE RICHMOND HILL HIGH SCHOOL—ITS FRIENDS AND ITS ADVERSARIES.

So much has been said of late about the "cost" of our High School, it may be as well to unravel the history of that institution, in order that the present generation in this Town may fully understand what at the cost of the High School has been since it was first established here, and who it was that paid the bill, as well as the names of those who did, in former times, use their influence to prevent the establishment of the Grammar School at Richmond Hill.

In December 1851, an advertisement, in some of the Toronto papers, announced that "the Trustees of the Grammar Schools of the County of York have resolved to establish a Grammar School at Richmond Hill." The school was opened in the early part of January following. A temporary arrangement had to be made by renting a building, until a suitable Grammar School House could be erected. The law, in those early days of superior education, did not give trustees the power to build, and levy a rate to pay for it; the consequence was that there was a clear understanding with the inhabitants of Richmond Hill that they must erect a Grammar School House by private subscription, in order to secure the advantage of having such an institution established here. To accomplish so desirable an end, a few of the leading men of the village, in those days, took the matter in hand; had a subscription list drawn up, printed and circulated, and soon raised sufficient funds to meet their requirements. The following is a copy of the original subscription list:—

The then Board of Common School Trustees—Messrs Teffy, Warren, and McPherson, united with the Grammar school Board in March 1853. The union board appointed a building Committee to proceed with the erection of the new Grammar School house, on the strength of the foregoing subscription list. It was then that a few cantankerous spirits, who were desirous of preventing the establishment of a Grammar School in the village, managed to create discord in our midst, and drew over to their side three or four of the smaller subscribers to the building fund. The chief mover in the Anti-Grammar school trouble, in those days, managed to get up a meeting, by posting an anonymous written "Public Notice," (for it is known to all and sundry, we did not then enjoy the luxury of a printing office in our village, or nearer than Toronto,) calling a meeting of the ratepayers. The following is the notice and minutes of the proceedings at the meeting:—

"PUBLIC NOTICE."

"Whereas, a notice has been posted, regarding the erection of a Grammar School, signed by the Chairman of a so-called Building Committee. It is requested that the ratepayers and parties who subscribe the fund for building the Common School house; also, the subscribers to the proposed Grammar School, will attend a public meeting, to be held at Dalby's Hotel, on Tuesday next, the 15th inst., at 4 o'clock, p. m., for the purpose of taking into consideration the propriety, expediency and legality of the steps taken by said committee." Richmond Hill, March 12th, 1853.

"OFFICIAL."

"According to public notice, one of the largest and most influential school meetings ever convened at Richmond Hill, was held at Mr. F. Dalby's Hotel, on Tuesday, March 15, 1853, at 4 o'clock, p. m., for the purpose of taking into consideration the propriety, expediency, and legality of the steps taken by a self-constituted and unauthorized Building Committee, in regard to the erection of a wooden building for a Grammar School, on the Common School ground, in front of the brick school house. Capt. Bridgford was unanimously called to the chair, and Mr. McClellan appointed Secretary. The following resolutions were then proposed and carried unanimously:—

1. Moved by J. K. Falconbridge, Esq., sec. by Mr. Gideon Hislop, that whereas the Committee of Management for the proposed Grammar School, at Richmond Hill, were appointed only until such time as the Government should appoint fit and proper persons as Trustees,—it is the opinion of this meeting that all the proceedings of the said Committee since the appointment of the said Trustees are both unauthorized and unauthorized, as well as contrary to the wishes of the inhabitants of Richmond Hill generally."

2. Moved by Mr. Robt. Hewison, sec. by Thos. Richardson, Esq., that the attempt of the said Committee to erect a Grammar School, of wooden material, in front of the brick school house, is not only improper and inexpedient, but also illegal, and contrary to the wishes of the people of this place generally."

3. Moved by R. McClellan, sec. by Mr. Wm Wright, that whereas the inhabitants of Richmond Hill were informed by the County Board of Grammar School Trustees, through the Rev. Messrs Jennings and Roof, that in order to constitute a Grammar School there should be thirty pupils "studying classics"—and, whereas the so named Grammar School at this place has never had three such pupils at any one time. It is therefore the opinion of this meeting that the said school is neither entitled to the appellation of Grammar School, nor to the Government support, and therefore the people of this school section cannot agree to unite the Common school with it."

4. Moved by Dr. Duncumb, sec. by Mr. John Johnson, that whereas a Grammar School has been fairly tried at Richmond Hill for upwards of a year, and found to be a total failure, and whereas there is a law now pending which will authorize the levying of a tax for its support, it is the opinion of this meeting that such a School is not needed at this place, as the inhabitants have no desire to be taxed for the maintenance of an institution, which has been proved to be both needless and inefficient. Moved in amendment by George McPhillips, Esq., seconded by Mr. John Tomkins, that it is the desire of this meeting, and of the inhabitants of Richmond Hill generally, that the Grammar School be retained in this village or vicinity, but apart from any connection with the Common School, until found more expedient. The amendment having been put and lost, the original motion was carried by an overwhelming majority."

"The following protest was then drawn up and numerously signed by the most respectable people of Richmond Hill and vicinity:—

Richmond Hill, School Section No. 12, March 15th, 1853.

"We, the undersigned, inhabitants of the above School Section hereby protest against the unauthorized attempt of a self-constituted Building Committee to erect a wooden building for a Grammar School on the Common School grounds in front of the brick school house, as being illegal and contrary to the wishes of the people of Richmond Hill generally."

5. Moved by Mr. S. Sanderson, sec. by Mr. James Freek, that the proceedings of this meeting be published in the Toronto Examiner, British Colonist, and Globe newspapers."

"The Chairman having received the unanimous thanks of the meeting, pronounced the business concluded.

(Signed), D. BRIDGFORD, Chairman.
R. MCCLELLAN, Secretary."

We stated that three or four of the smaller subscribers on the list fell in with the Anti-Grammar School clique; this will be seen by the names of those who took part at the meeting, after having subscribed their names towards the building fund. Some of them attempted to resist payment, but found that was of no use; those who did not pay without compulsion, had to pay extra in the shape of law costs.

During the past twenty years, the Grammar School has been a complete success. There are many young men throughout the Province who have signalized themselves in the professions, and various walks of life, whose early training and preparation for their University course was within the walls of the old Grammar School House of this town. Yet there are still persons in our midst that make no secret of their opposition to the High School, and would cast their vote in favor of sending it away to Thornhill, Woodbridge, or Hardscrabble, if they had the power to do so. Until this present year, matters have gone smoothly enough. For the past seven years the Grammar School has been free to pupils from all parts of the County, and no tax levied for its support and maintenance until the year 1871. In that year a rate was levied for the first time, in aid of the High School; for this purpose the ratepayers of Richmond Hill were called on to pay one cent in the hundred dollars. In the year 1872, the Board of Trustees were compelled to erect a new School House, by authority of the High School Inspector; for this purpose, and for the support and maintenance of the School, it was necessary to levy for \$3000, and the Board asked the County Council to collect that sum from the High School District No. 3, which was done, and the money handed over; the rate for that

THE HIGH SCHOOL QUESTION.

MINUTES OF PUBLIC MEETING. RICHMOND HILL, Sep. 12, '73. Pursuant to notice issued by the Reeve, a public meeting of the ratepayers of the village was held this evening, in the Court Room, at eight o'clock. It was resolved that the Reeve take the chair, and Mr Teffy act as Secretary. The Chairman read the following printed notice of the meeting:—

"Public meeting!—pursuant to a resolution of the Municipal Council of the Village of Richmond Hill, a public meeting of the ratepayers of the said village is hereby called for Friday evening, 12th Sep. at the hour of 8 o'clock for the purpose of having their final decision as to whether the debt on the High School building shall be paid or not. By order of the Council, A. Law, Reeve, dated, Richmond Hill, Sep. 9, 1873."

Mr D. C. O'Brien moved, seconded by Mr James Daniels, that the ratepayers of this municipality do not pay the debt on the High School Building.

An amendment was moved by Mr Wm Harrison, and seconded by Mr Benjamin Davidson, that having heard the local opinion of R. A. Harrison, Esq., L.C.L. on the High School question, it is the opinion of the ratepayers of this municipality, that it does not contain sufficient encouragement for us to resist the demand of the High School Board of Trustees for the balance of the debt remaining on the High School.

Mr Councillor Powell demanded that a poll be opened, and that the vote to pay, or not to pay, be recorded by the Secretary; and that the poll be kept open until half past ten o'clock, and then closed—all of which was agreed to.

A poll was opened, and the Secretary recorded the names of all ratepayers who came forward.

At half past ten, the poll was closed, and the vote declared to stand as follows: For paying the debt.....36. Against paying.....20. Majority for paying.....16. The meeting then dispersed.

M. TEEFY, Secretary.

FOR PAYING.—A. L. Skeel, Benj. Davidson, Robt. Robinson, J. M. Lawrence, Thos. Wilcox, Arch. Wright, William Grant, Reubin Lee, Peter G. Savage, Jesse Garret, W. Trench, jr.; William Atkinson, Fred. Gaby, R. E. Law, William Harrison, John H. Sanderson, W. A. Sanderson, Robert Trench, Alex. Scott, John Brown, James Crozier, W. H. Myers, F. Keale, Francis Wiley, Asa B. Wilson, Thomas Savage, Thomas J. Dobson, Thomas Tossell, John L. Harris, Alex. Moodie, James Freek, Simon Proctor, Thomas Stockdale, James Hennessy, Reubin Pugsley, John Palmer, sen.—36.

AGAINST PAYING.—D. C. O'Brien, John Hart, Daniel Whalen, Jesse Good, David Hopkins, John Harrington, Alex. McLaughlin, Robert Wilson, (mason) Hezekiah Barns, Thos Glover, James Daniels, George Beckon, William Powell, Jacob Brillinger, Henry Hopper, John McGee, George A. Barnard, Francis McConaghy, Thomas Thompson, John G. Jewitt.—20.

Mr. Teffy was Secretary of the Public Meeting and Returning Officer, therefore could not record his vote—as he would like to have done—among the friends of the High School.

We are rejoiced to know that the village Council at its meeting, of Monday evening, the 15th inst.—has finally settled this High School question, by passing a By-Law authorizing the assessment, as required by the Board of School Trustees.

The Council went into Committee of the whole on the By-law; Mr Warren in the chair.

The Committee rose and reported the By-law.

On motion of Mr Warren, seconded by Mr Powell, the By-law was read a third time and passed.

Mr Warren introduced a By-law, No. 11, to amend By-law No. 2, "for appointing certain officers to serve the corporation during the year 1873," which was read a first and second time.

Mr Powell moved, seconded by Mr Warren, that the Treasurer is hereby authorized to pay Mr D. C. O'Brien the sum of sixteen dollars in full for his salary, as soon as there are funds on hand.—Carried.

Mr Powell moved, seconded by Mr Warren, that the Reeve be hereby authorized to communicate with the Reeves of Newmarket, Markham Village, and the Township of York, with a view to having action taken by the four Municipal Councils for the purpose of quashing By-law No. 233, of the County Council, passed on the 18th June, 1873, which By-law has been pronounced illegal by R. A. Harrison, Esq., D. C. L.—Carried.

The Council adjourned, to meet in the Court Room, on Monday, the 13th October, at seven o'clock, p. m.

It is not correct to call McMullen a perjurer. He lacks the courage to stand face to face in the witness box with those he has accused. When he was summoned the other day to prove his words before the Commission, the miserable rascal refused to go. McMullen is a sneak, an informer and a liar, but no perjurer. He is too much afraid of the penitentiary for that.

The ravages of the cholera in Jonesboro, Tenn, were particularly severe in a family of Lloyd. The aged father and mother died soon after the disease first appeared in the place and three of their daughters soon followed them to the grave, another daughter married and living in Knoxville died of the same disease, and a week later still another daughter died. This left but three in the family surviving, and on the 5th inst., one of these, a young girl, died.

Mr Nicholson, under-sheriff of Ottawa arrived in Chicago on Monday, and upon his arrival he called on the Rev. Mr. McMillen to appear before the Royal Commission at Ottawa to give evidence in connection with the Pacific Steamer. Mr McMillen declined in the most cowardly manner to comply with the request. The officer proposed to pay his expenses, but even that couldn't fetch him. The fugitive will doubtless remain at safe distance from Ottawa until the Royal Commission has brought its proceedings to a close.

THE NEW RAILWAY SCANDAL.

The Grit journals have not dared to defend Hon. L. S. Huntington against the charges made by the Richmond Gazette in the matter of the Missisquoi, and Black River Valley Railway. The Witness, in alluding to the matter, says, "the difference between this and the Pacific Scandal will be chiefly one of size." The charges made by the Gazette, and endorsed by several responsible parties, are, in brief, "that whereas the Company professes to be formally and legally organized by a subscription stock to the amount of seven hundred and twenty thousand dollars, the actual subscription was but twenty thousand, and the seven hundred thousand was simply taken to secure control of the concern; and with no intention of paying it up; and of this large amount of what may not inaptly be termed bogus stock, no less than six hundred thousand dollars has been subscribed by the President, Mr Huntington—he all the while never intending to pay up one dollar of it. Certainly, it comes with bad grace from the party guilty of such dishonesty to constitute himself the chief accuser of the Ministry.

TEA AND CONCERT.—Last Wednesday the Good Templars of Thornhill intended holding their first annual picnic in the grove of Mr. Wm. McDougall, of this village, but, in consequence of the cloudy and threatening weather, the party who met at the Lodge Room in the afternoon concluded to postpone it until evening, and at about eight o'clock a very respectable number of temperance people had assembled at the headquarters of proceedings, the Victoria Hall. For a short time the company interested themselves in the most profitable manner apparent, some engaged in singing, others in social conversation, &c. Copies of the "Thornhill Review" were to be seen waiting to read, and it was also the theme of much conversation. Presently tea was announced, and the wants of the inner man was then attended to; this was one of the most agreeable participations of the evening, and the tea might justly be termed par excellence. Immediately after, Mr A. Muldoon was appointed to the chair, and opened the concert by calling upon the Choral Society for a piece of music. After which the Rev. J. W. Cook delivered a very suitable address, referring to the object of the movement in reclaiming the youth from evil habits, and training them for future life, and also in restoring the aged. Songs were given during the evening by the Misses Reid and Purkiss, and others, which were all well rendered. A recitation, entitled "The Cause of Temperance," was also listened to with marked attention, and the evening's entertainment was brought to a close by singing the finale, "God Save the Queen." Miss M. Reid presiding at the organ.—Com.

ARRIVED.—P. Crosby, Esq., who has for the last three months been enjoying a trip to England, arrived home on Wednesday evening last. Mr C. was accompanied by his good lady. We are glad to learn that they enjoyed the excursion and return to their Canadian home happy and contented.

THE VOLUNTEERS.—The Volunteer Troop of Cavalry, (under the command of Capt. McConell) on their arrival at their headquarters from Aurora, where they have been putting in their annual drill, on Thursday evening, will be entertained to supper by the popular landlord of the Dominion Hotel, of our town.
