No fault can be found with him upon the ground of ability to fill the position. The fault with the Globe is that the office should have been given to a Grit, to one who would have been a tool to the "Reform" (Brown) party, to who are now seeking the overthrow of in their respective Districts, viz: the Ottawa Government. Inave been one of the greatest sufferers from the effects of Asthma, having had it in its most severe form for tuenty-six years; for the last six years of that time I had not lain six nights in bed, for seven years had such severe pain in my left side that I could not reat on it, my appetite was gone, and I had swelling in the region of my stomach, and general weakness. This condition was constantly becoming worse, until last December, when I tried GRAHAM'S PAIN ERADICATOR, although I had no hope of it benefiting me, I yielded to the permansion of others.

The first dose I took relieved the difficulty of my breathing, and before I had two bottles used I was completely cured, and have since enjoyed as sood health a ever I did.
