#### IN UNION IS STENGTH.

Time and again within the past few years the Liberal Conservative party has suffered defeat through lack of organisuffered defeat through lack of organi-zation. Even in constituencies where they were numerically the strongest, they working in the brickyard got drunk and have sacrificed themselves simply because commenced insulting every one passing on they lacked unity, and were unable on the sidewalk opposite Mr. Severn's brewery, they lacked unity, and were unable on the sidewalk opposite Mr. Severn's brewery, the day of election to concentrate their and stopping people driving on the road. Strength. The Grits, on the contrary, stead of trying to quell the disturbance went to the Reeve's house and fetched him, who is the day of December they are ready for stable to do his duty, when he answered that the many contract that the strength of the strength in the strength of the strength o any political emergency. In municipal he was not going to interfere with them. contests their organs preach nentrality, The Reeve told him it was his place to interfere and advocate the abolishment of politics terfere. Seeing that the constable was from the struggle, but no sooner does a straight way set to work to manipulate straightway set to work to work to manipulate straightway set to work the municipality and get things ready for the next parliamentary election. Not a getting on his feet again and seeing that he pound-keeper is appointed under their could not arrest them for want of help, he regime unless be swears feality to the told the constable to come along with him party. From the highest to the lowest and get some help, when the constable left him and went home and returned armed political principles of the applicant, and with a plasterer's lath, a weapon that would political principles of the applicant, and not kill a butterfly. Then seeing the men not his fitness for the work on hand is in custody he exclaimed, 'Thank God for the standard by which he is accepted or that, I knew we could take them. The rejected. Mean and contemptible as is other constable of the village, a Mr. Dan this style of political warfare, it has to iels, appeared on the scene just 14 hours from five adopted by the Conservative party also or they must stand the consequences of their neglect.

With the exception of two or three counties at the most, there is no organinazation whatever in this western Province. From now to next January is
the time to undertake the good work.
Let every town, village and township

Compared to the roughs. Michol's age is 44, so that
you see they are two men useless to act as
one is insulted and pelted with filth." On
Saturday the prisoners, Thomas Brown and
Henry Fussell, appeared before Mr George
Bostwick, J. P., charged with the assault form associations, and lay the foundation of an organization that will place the party on an equal footing with their oppon the prisoners were shouting and cursing a ents. We are aware, however, that it is he told them to desist. Fussell came to of little use teadering this advice unless ards him with the intention of striking; b some practical suggestion accompanies it; we therefore recommend an early movement in this city, so that our friends throughout the country will be assured Constable Nicholls was with him at that we are in earnest in the matter. Several witnesses corroborated to We hope to be able to announce in a few days that a start has been made. When that is done it will be the duty of the central organization to lend every assistance tral organization to lend every assistance officer, and was not in the execution of in the formation of similar organizations duty. The Magistrate agreed that if the in the country. Once this much pro Reeve was not a peace officer, the prisone gress has been inaugurated, there will must be discharged on the present inform exist a guarantee that, in future elections, the Liberal-Conservative party will enter the fight something better than a disorganized crowd of voters with no head to direct their movements .- Sun.

It is to the credit of the large cities of with scarlet cloaks, are now the properties.

It is to the credit of the large cities of with scarlet cloaks, are now the properties of things for gentleman's full dress. a laudable ambition to outvie each other | A man named Warner had his leg broke in the number and beauty of their public at Lexington, Mo., the other day, and being the number and beauty of their public at Lexington, Mo., the other day, and being the number and beauty of their public at Lexington, Mo., the other day, and being the number and beauty of their public at Lexington, Mo., the other day, and being the number and beauty of their public at Lexington, Mo., the other day, and being the number and beauty of their public at Lexington, Mo., the other day, and being the number and beauty of their public at Lexington, Mo., the other day, and being the number and beauty of their public at Lexington, Mo., the other day, and being the number and beauty of their public at Lexington, Mo., the other day, and being the number and beauty of their public at Lexington, Mo., the other day, and being the number and beauty of their public at Lexington, Mo., the other day, and being the number at Lexington, Mo., the other day, and being the number at Lexington, Mo., the other day, and the number at Lexington, Mo., the other day, and the number at Lexington, Mo., the other day, and the number at Lexington, Mo., the other day, and the number at Lexington, Mo., the other day, and the number at Lexington, Mo., t in the number and beauty of their pub-lic parks. New York, Brooklyn, Phila-him. Mr Curtis, one of his neighbo delphia and Baltimore possess parks obtigingly complied with the request, and whose scenic beanty is not excelled amazed at finding himself arrested. whose scenic beauty is not excelled A pretty Chinese girl is now undergoing throughout the world, and Chicago will trial at Pekin, charged with being the capby-and-bye have a magnigeent series of tain of a piratical craft recently blown up in parks which will present a driving circuit one of the Chinese rivers. unequalled for extent at least. The preservation of the Yesemite as a pubic about to be opened at Moscow, Rassia, in honor of the betrothal of the Grand Duchess plesure ground, is a notable example that burgh, and will be called Prince. Alfred of pride in the preservation of natural beau ty is not inconsistent with the utilitarianism of democracy, and the proposed tions are constantly maintained in Ireland National Park of the Yellowstone will be another still more remarkable illustration of the same fact. The State of New still was a proposed to in the Louiskillen Advertiser. The stuck up a notice printed on green paper calling for a precision of the same fact. York will shortly be called upon to vin-dicate its title to the same kind of credit. Home Rule "people themselves put up an It is proposed to reserve the picturesque tion meeting, and winding up with a prayer wilderness of the Adirondacks as a public pleasure resort for all time coming.

Oham

Household a divertiser remarks in connection with this matter that not only will these enthusiastic partisans have paved This region extends from Lake Champlain to the Mohawk River, and from what will be worse, they will "help Parliament to do what that non-urable body is all the Black River to the St. Lawerance; while the same to do what that non-urable body is all the Black River to the St. Lawerance; it comprises about 1,700,000 acres or that will compel both to hold their meetings about 2,703 square miles, and forms a and celebrations within doors for many years part of five different counties. There to come." part of five different counties. There are 834,480 acres of this expanse of best wives and mothers I have ever known sequent upon the recklers conuding of some 40,000 acres of the territory which it is proposed to acquire.

Some cheerful revelations about the extent to which the adulteration of tea most generous disposition. was devotedly is practised, were made by one of the attached to her, and denied her nothing. chemists appointed under the new act for the detection of such fiauds, at the recent meeting of the British Association. Green teas appear to form the favorite subject of adulteration. In several samples of such, he had found large admixtures of exhausted leaves (dried) strongly right to their share in the joint income, tures of exhausted leaves (dried) strongly right to their state in the joint income, colored by Prussian blue. Other inferior qualities he had found exclusively composed of exhausted leaves, strongly faced posed of exhausted leaves, strongly faced Now it so happened that I had myself gone Moning Congon at 2s. per pound, better than can be got elsewhere for 2s. 6d."

This many adjectived compound was found to be quite a remarkable instance found to be quite a remarkable instance of the congon of th and exhausted leaves, intermixed with to whether he could spare it without income to be half as strong again as black tea, ployer, it is easy to understand how many whose color was very much higher. The many women may feel the same even in rethrifty housewife's device of putting gard to a husband And I fancy that those some carbonate of soda in the tea-pot. was admitted to be efficacious in bring tious and high minded women. It is unreasonable to say of such women, "Too sensitive! Too fastidious?" For it is this ing out a deeper color in the infusion of inferior teas, but it was flatly denied that the soda could have any effect on men affect to prize in woman, and wish to protect at all hazards.

Assault upon the Reeve of York-

From the Sun.

An esteemed correspondent sends us the and wished he had been there, as it would not have occurred He is 71 years of age, so that Yorkville is left entirely at the mercy of the roughs. Nicholl's age is 74, so that upon Mr. Severn. The first witness was I Severn, who stated that on Thursday nig t efore he succeeded he (Severn) struck h with his open hand and knocked him dow A general tussle then ensued and the witne was struck several times by both prisone assaulting a peace officer in the execution his duty; that the Reeve was not a pea tion. He would red (Monday) evening. He would reserve decision until

The financial panic lessened the sale postage stamps in New York \$2,000 dai The society editor of a New York paper

An immense ladging house for the poor is England's nome for the poor.

One of the means by which political agita

country upon the Hudson side of the once said to me, that, whenever her daugh mountain, which it is recommended ters should be narried, she should stipulate should be reserved as a forest park, in order to protect the sources of the Hudson which are being sensibly affected by the too rapid melting of the snow, conhat must depend on the income and style of the pine land. The States owns only living-out t e essential thing was that it should come to the wife regularly, so that she should no more have to make a special request for it than her busband would have to ask her for a dinner. This lady's own husband was, as I happened to know, of a · I suppose no man can possibly understand with French chalk, and a little Prussian blue. One sample submitted to him was labelled "Rough flavored, thick, sappy Moning Congon at 2s. per pound, better definite period; I was in the employ of a kind friend who paid me a fair salary, but at no definite period; I was an it is being to comprehend that I had myself gone through an experience which enabled me and the enab of ingenious fraud. Ninety-five per cent money; it made every dollar seem a special of the mixture was composed of foreign favor; it blought all kinds of nisgivings, as and exhausted leaves, intermixed with sulphate of iron; the remaining five per cent. consisting of Catechu, starch, magnesia, metallic iron, graphite and sand. The will be remained by the substitution of th The publicity given to this instructive know that he ever refused or demurred analysis will probably have the effect of making people strongly distrustful of inferior green teas, and "strong sappy" this became so great that I often underwent Congous. In justice to the greeu teas, it must be remarked, that analysis showit must be remarked, that analysis showing that I would accept, if necessary, ed that genuine green teas were richer a lower salary, on condition that it should in tannin than black by about fity per be paid on regular days, and as a matter of cent. The lack of color formed no evi dence of lack of strength, though gener ally so considered; for green tea possess-ing very little depth of color, was found to be helf as strong again as black tea.
