RICHHOND HILL, Dec. 26, 1873.

by the sword," is the declaration of Holy as much interest in the affairs of the vil hear of something to his advantage. Writ. And those who take up the weap- lage as any one else, and not object to ons of hypocrisy and corruption will and give their services for such, and I don't that it will be impossible to lay them think the people of Richmond Hill would ally narrow its circle until at last he is for so doing.

erushed in its vengeful grasp. It has been observed that the greatest rogue always turns King's evidence, and that the rescal who has committed the • ime and pocketed the plunder occasionally escapes detection by calling out in his lustiest tones "Stop thief!" This is roguery in the rough. The refine ment of villany reaches the art of weaving round an honest man a tissue of defamatory misrepresentations, so artful of the late Thomas Davis in the matter 20th instant is. according to la , the day and ingenious that even the victim Nason and others, asking the Council to c pal honors for the ensuing year. The blushes at hie own imaginary guilt, and use its influence in preventing shop-keep- nomination for this village will be held in trembles for the construction that the ers from obtaining licenses to sell liquor. the public may be led to put upon such statements. The knowing one who has thus dragged the "brush" over the trail of his own delinquencies by accusing 19 on the east, and lot No. 21 on the west, another, is meanwhile basking in the sun. In the 3rd concession from the Bay. shine of public favor, enjoying the verdancy of his dupes and the confusion of his victim, secure in the serene conscious from Bay, \$37; to Robert Clark (for ness of the feeling that is characteristic sheep killed). \$3; to E. W. Boake (for of human nature to believe the worst of sheep killed), \$3. anybody who has proved himself superior 426, appointing polling places for the to the common herd. It is in vain that municipal election for 1874, as follows: the accused expostulates, explains, and -In electoral division No. 1, at Tempercalls for proofs. The exertions of the ance Hall, Todmorden. In electoral difaction has culminated in temporarity persuading the public that they are tired school house. In electoral division No. of the perfections of Aristides and con 4, at school house No. 16; and in electoral sequently he must be ostracised. The division No. 5, at Weston school house. Grits have developed these tactics to a marvellous extent. The records of the Old Bailey have been exhausted and moves" added worthy the admiration of the artful faculty of Newgate. Railing and ly. 'ng accusations are only accusation and in all of eight children, five boys and three girls During the whole of Saturday night in all of eight children, five boys and three girls During the whole of Saturday night in all of eight children, five boys and three girls During the whole of Saturday night in all of eight children, five boys and three girls During the whole of Saturday night in all of eight children, five boys and three girls During the whole of Saturday night in all of eight children, five by an origina that nothing but starvation was before him and his. family. Which to sisted in all of eight children, five boys and three girls During the whole of Saturday night in all of eight children, five boys and three girls During the whole of Saturday night in all of eight children, five boys and three girls During under intense verticement, and preserved of all the two did not go to bed at all. About the hour mentioned, with one blow from his production can be production and the concern specific him and his. family, which to sisted in all of eight children, the boys and three girls During the was a before him and his. family, what nother house is a start to be a start of American. The wit sold singly for double the subscription of the Globe editors. Its apparent bearing of the Globe editors. Its apparent bearing of Billingsgate that the organ is accustomed to pour out daily. It is one accustomed to pour out daily accustomed to pour daily for double the subscription of the leads of the Merit accustomed to pour daily for double the subscription of the leads of the Merit accustomed to pour daily for double the subscription of the leads of the was accustomed to pour daily for double t of their customs to accuse somebody of what they have been doing or intend to do themselves. The Candidate in the Conservative interest for west Toronto was to be the target for their vituper.

In 1842 he was elected and removed to Vaughanth for Etobicke, and removed to Vaughanth for Etobic was to be the target for their vituper was to be the target for their vituper an 1838 he was elected for same riding in 1851, by a majority of 600. In 1854 he was again elected for the south riding.

The was a member of the Provincial Legis fatest a capitulation of the record of hypoerisy, however, is the Pacific Railway who are making advances to the Amerithe people of Canada, after already sellearth to witness the iniquity of a Government who were only guilty of listening was also an series member of the Church only taking the first steps in the negoti.

ation but giving the Americans the most cordial encouragement. Verily hypoc. risy can go no farther! It is the sublimity of insolent recklessness! It is the madness that heralds destruction.

Correspondence.

To the Editor of the York Herald.

SIR,-Perhaps it would be of some benefit to the ratepayers of this village to consider well before selecting their candi dates to fill the offices of Reeve and and regard for their teacher, Miss Turn-Councillors.

At all events don't let us do as was some Bible and the following address: done at our first election-vote for men To MISS TURNBULL:for mere fun-but let us endeavor to Before parting with you for the holidays elect men that are capable to conduct we, your scholars, wish to return you ou the affairs of our village in a manner sincere thanks for the great kindness with that we need not feel ashamed of. And the interest you have always taken in our more especially men that don't intend to shirk a vote at any time, no matter what it might be, if even the request is made by some of our would be Attorney Generals, or some other such men.

One more hint before closing. It seems some of the leading business men of this place have such notions in their heads as those : I can't spare time to attend the Council, for how am I to leave the shop? or whatever business they may

NO THERN RAILWAY OF CANADA be in, and another one is, I will lose some Wichmend HielStation Change of time of my customers who may be in oppo going South 4 25 a.m., 3.4" p.m., 27 p.m ouses. So they wind up with telling you The Mork Arrald. won't effect him in any way. So you see according to the notions of such men we have to elect men whether they are uapable or not to fill the office.

THE GRITS AND THEIR WAYS. At all events it seems pretty clear that prison of condemnation, which will gradu and let that be the only motive you have seat a much larger number to tea.

A VILLAGER AND RATEPAYER.

YORK TOWNSHIP COUNCIL.

The Reeve having called a special meeting of the Council. Eglington.

All the members present. Petitions were received from John Macdonald and others, relative to a part of old Yonge-street; from the Executors

The clerk was instructed to give the necessary notices for closing and disposing of a portion of Yonge-street original road allowance lying between lots 17, 18,

The Treasurer was instructed to pay to Patrick Lappin for work done on road allowance between 30 and 31, first Con.

The Council passed a By law, No vision No. 2, at Clark's school house In electoral division No. 3, at Davenport

DROSPECTUS FOR 1874-7TH YEAR.

THE ALDINE,

An Hustrated Monthly Journal, universally admitted to be the best Periodicul in the World A Representative and Champion of American Taste

Not for Sale in Book or News Stor.

THE ALDINE, while issued with all the regularity, has none of the temporary or finely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light and graceful literature; and a collection of pictures the result area. and white. Although each succeeding number affords a resh pleasure to its friends, the rest value and because of The Aldine will be most appreciated after it has been bound up at the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class. The Aldine is a anique and original conception—alone and un approached—absolutely without cometition in price or characte. The posses or of a com-plete volume control duplicate the quantity of fine paper and engagement approaches the fine paper and engravings in any other shape or number of volumes for ten times its cost; and then, the eare the chromos besides.

world-wide reputation and in the art centres of Europe it is an admitted fact that its wood cuts are examples of the highest perfection ever attained. The common prejudice in tavor of "steel plates," is rapidly vielding to a more educated and discriminating taste which recognize it the advantages of superior attains quality. nizis the advantages of superior artistic quality with greater facility of production. The wood crus of The Aldine possess all the delicact and elaborate finish of the most costly steel plate. while they afford a better rendering of the arrist's

ginal.
To fully realize the wonderful work which The Aldine is doing for the cause of art culture in America. It is only necessary to cousid or the control to the people of any other decent representations of the productions of great productions.

In addition to designs by members of the ni meditor to designs by members of the National Academ, and o her noted American artists. The a dine will reproduce examples of the heat foreign masters, selected with a view to the highest artistic success and greatest gamera interest. Thus the subscriber to The Altine will, at a triffing cost, enjoy in his own touse the pleasures and efining influences of

The quart rlv tinted plates for 1.74 will be by Thos. Moran and J. G. Weodward. The Christmas issue for 1874 will contain pecial designs appropriate to the season, by our best artists, and will surpass in attractions

PREMIUM FOR 1874. Every subscriber to The Aldine for the year 74 will receive a pair of chromos. The original pictures were painted in oil fer the pub-lishers of The Aldine, b. Thomas Merau, whose great Colorado picture was purchased by Congress for ten thousand dollars. The subjects were chosen to represent "The East," and 'The West." One is a view in the and 'The West." One is a view in the White Monutains. New Hampshire, the other gives the ciffs in the Green R.ver. Wroming territory, The difference in the nature of the courast, scenes themselves is a pleasing and affords a good display of the arise's scope and coloring. The chromos areach worked from thirty distinct plates, and are in size (12×16) at a pheniance exact facisimiles of the originals. The messagiation of Woodstock, Dec. 32-One of the most frightful murders, and attempt at self decreases by the murders, and attempt at self decreases by the murders of The Aldine

new trial. I expressed the opinion then that Sir John A. Macdonald and his coalition had Sir John A. Macdonald and his coalition had been tried long enough, and were no longer worthy of your confidence. Six years of additional reckless legislation, extravagance and corruption have only confirmed it. Rogards s of the high honors conferred on them by Her of the high honors conterred on them by ther Majesty, and the great trust placed in their hands by the people of the Dominion, they tarnished their honor and sacrificed the interests of their country to retain office. The Pacific Italiway Scandal completes their record, and shows you by what means they secured the return of their majority. A majority so elected cannot inspire confi ence. Penitent to-day, to the people is necessary to strengthen the hands of the friends of good government, and to put an end with certainty to acts which have le put an end with certainty to acts which nave had an injurious effect an the country for the last twenty years. Gentlemen, believing a general election may not be far distant, I again offer myself to you as a candidate for the House of Commons. Grateful to you for the confidence and support you generously gave me in 1867, for the second time I respectfully solicit your suffices. If alexaed 1 will heavy now. your suffrages.
