It Fattens in One-fourth the nuch ingenuity has been displayed in passing indeed to attempt to enumerate the many devices to which the parties have had resource, They say, amongst other things, that a new label has been adopted by them, and with bare-faced effrontery caution the public against

being deceived by spurious imitations. t
A poor man by the name of Holloway is
amployed by the so-called Chemical Company in New York, who lends his name for a small weekly sum. The medicines sold by this Company are palmed off upon the public as my "Holloway's Pills and Ointment," so that were they to injure half the community no discredit would fall upon the fabricators of these compounds, but would considerably damage

the reputation of my make.

As it is not at all necessary for this Crew to incur any expense in the sale of their productions, or to a very limited exent (trading at they do upon my name), they are in a position to offer them at a very low price in Canada, where they are purchased by a few Wholesale Houses that I can name, and will name here 35 lamba. Fellows' Compound SYRUP OF HYPOPHOSPHITES:

As alllife-endowed hodies, whether they be are governed by vital force, which hinds all the springs of existence, and as nothing can save hem from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is ideed a boon to the world. Modern chemistry has ventilated the ques-

ion and discovered the ingredients constituenting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.
This, then, is substantially the basis on which Fallow's Hypophosphites is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles. Strength-

ening the nerves, it causes the rapid distribu-, tion of Vitalized Blood in the Muscular Organa of the Body. Rousing the Sluggish Heart and Livers

Rousing the Singgish Heari and Livers, strengthening the action of the Stomseh and towels and enabling the Lungs to be fiully inflated with Oxygen.
