BOGUS MEDICINES.
HOLLOWAY'S PILLS AND OINTMENT.
 I HAVE for a considerable time past considered it to be my duty to advertise the public of the British North American Provinces against buying from unprincipled dealers medicines emanating from New York, and sold as my "Holloway's Pills and Ointment," in which my name has been adopted by them, and with barefaced effrontery caution the public against being deceived by spurious imitations. A poor man by the name of Holloway is employed by the so-called Chemical Company in New York, who lends his name for a small weekly sum. The medicines sold by this Company are palmed off upon the public as my "Holloway's Pills and Ointment," so that were they to injure half the community no discredit would fall upon the fabricators of these bogus pills, but would considerably damage the reputation of my name.
 As it is not at all necessary for this Crew to incur any expense in the sale of their productions, or to a very limited extent (trading as they do upon my name) they are in a position to offer them at a very low price in Canada, where they are purchased by a few Wholesale Houses that I can name, and will name hereafter, if they continue to vend the same.
 The following are the names and addresses of some of the Houses who get my medicines from here direct:—
 Messrs Avery, Brown & Co., Halifax, N.S.
 Messrs Forsyth & Co., Halifax, N.S.
 Messrs T. B. Barker & Sons, St. John, N.B.
 Messrs J. P. H. Brown, Charlottetown, P.E.I.
 Messrs Langley & Co., Victoria, B.C.
 Messrs Moore & Co., Victoria, B.C.
 My Pills and Ointment are sold at the lowest wholesale net prices, in quantities of not less than £20 worth—viz., 8s. 6d., 22s., 34s., per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance. These medicines are not sold in the United States.
 Each Pot and Box of my preparation bears the British Government Stamp, with the words "Holloway's Pills and Ointment, London."
 (Signe!) **THOMAS HOLLOWAY,**
 533, Oxford Street, W. C., London, July 1, 1873. 785

Fellows' Compound SYRUP OF HYPOPHOSPHITES.
 As a life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital forces, which binds all the strings of nerves, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to the world.
 Modern chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.
 This Syrup is substantially the basis on which FELLOW'S HYPOPHOSPHITES is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles. Strengthening the nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.
 Raising the sluggish Heart and Liver, strengthening the action of the Stomach and bowels and enabling the Lungs to be fully inflated with Oxygen.
 It is adapted for all cases of Weakness and is a powerful tonic, whether arising from sedentary life, a tropical climate, from fever or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where it has not been continued over a fortnight.
 In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.
 For Nervous Debility it stands unrivalled, and may be used with confidence in all cases. As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for FELLOW'S Syrup, and take no other.
