dd in England by all Wholesale Patents
Medicine Houses,

HAVE for a considerable time nast considered to be my duty to advertise the public of the littish North American Provinces against buying from unprincipled dealers medicines emissing from New York, and sold as my Holloway's Pills and Ointment," in which onch ingenuity has been displayed in passing em off as of my make. It is very difficult adeed to attempt to enumerate the many devices to which the parties have had resources. They say, amongst other things, that a new tabel has been adopted by them, and with bare-faced effrontery caution the public against being deceived by -purious imitations.

A poor man by the name of Holloway is amployed by the so-called Chemical Company in New York, who lends his name for a small weekly sum. The medicines sold by this, company are palmed off upon the public against were they to injure half the community no discredit would fall upon the fishricators of them compounds, but would considerably damage. HAVE for a considerable time past considered
