RICHMOND HILL, July 17, 1874.

#### IS IT WAR?

The war-cloud in Europe is assuming the case a great part of the work is al portentious proportions, and it bids fair, ready done, but we must not rely upon at no very distant period, to visit that that or else we will fall into a fatal error. Old Land with its periodical deluge of It is better to work as if we had everyblood. The pride of nationality seems thing to do, and the strongest opposition only to bequeath to each race a legacy of to encounter if we would accomplish anyintense hatred towards all other peoples thing. Therefore let us leave no stone unturned that bigoty, or false political extent of territory, wealth or power. principle, or Gritism has set up, in order Germany--who can already count her to fall down and worship. Let us banish trained soldiers by millions-is still train- the idols of Gritism out of the land, be ing and arming steadily and unremittingly fore they accomplish further evils, for with that phlegmatic stolidity which is they have worked enough mischief also characteristic of the Teutonie mind. ready. France, a nation of soldiers, whose dear-THE MUNICIPAL LOAN FUND. est traditions are of the tented field and of the breath of battle-is following

a war system like Germany, but depends, as she has done always, upon the chapter trons will be made by interested parties, for as she has done always, upon the chapter of accidents, the public spirit, and the bull-dog courage of her sons. Still it is difficult to tell-what might happen if a rapidly executed and skillfully conducted invasion of Germans should take a beso invasion of Germans should take place. Her insular position of course saves her by the Feere we shall dispose of the money by the Feere we shall dispose of the money from any strategic,movement except that in which a large fleet would be a most important item and in that case she has a heavy card to play. But the grand

System is success in everything. First and appeal to the County Judge for redress. create system and then put life into it Already our friends have lost ten daysby constant and energetic work. The a very important loss—by the tom fooling of their Clerk, as he says in an advertise splendid record of Conservatism and the devotion of its adherents makes it com-paratively casy work to organize in one office on the 7th inst. More anon. way, but the work must not falter. and above all the people must be made to

ORGANIZE !

We take this opportunity of calling the attention of our Village Assessor, Mr understand that as a political power it is the might est of all. Radicalism is always too apt to degenerate into disorder, lished Voters' List. The name we refer to is No. 41, Mr Barney Haffy. The Assessor anarchy and revolution; it has always a downward tendancy, while Conservaknew at the time of assessing that Mr Haffy has no more right to vote on the property tism has invariably been the upholder of law, order and established rule. Con-servatism has always been the balance-will take immediate steps to remedy this wheel that keeps everything in order, consequently it demands the confidence matter, otherwise he is liable for a fine of \$200, costs, and six months, and Mr Haffy -well, he is liable for \$100. Both parties are good for the amount. There are at and respect of all who have given any thought to social economy; that being least four Conservative votes left off the list in our village; he was so very accomo-dating, only to political opponents. Too

## Correspondence.

HOW CAN WE DO WITHOUT AGENTS,? DEAR SIR,-

As your question, Mr Editor, is one which present, not having the time to spare, I may tween lots 20 and 21, East York. not, perhaps, reply altogether to your satis faction, as I will merely mention some of

est traditions are of the tented held and of the breath of battle—is following closely in the footsteps of Germany in regard to war preparations. She is foroding continually over a terrible score of vengeance which Prussia will be called upon to pay on the first opportunity, and her smouldering anger may at any mo-ment be kindled into a fierce flame. Her discipline, and general effectiveness. Rus-sia's policy is east iron. It has been statis policy is east iron. It has been framed in the Council of Peter the Great and it has been steadily persevered in from eatry is assured that the period is not yet ripe for it actension in that direction. On that as the heart of Asia. When Holy Russia comons into contact with Britaiu in Sour-ther Asia. When Holy Russia comons into contact with Britaiu in Sour-ther Asia. When Holy Russia comos into contact with Britaiu in Sour-ther Asia. When Holy Russia the heart of Asia. When Holy Russia comos into contact with Britaiu in Sour-ther Asia. There is a Tory Government at the helm of affairs in England at the prosed moment, that directive and the targent with the limes, and y the subort for eign poley will be characterized by ther heart of Asia. When Holy Russia comos into contact with Britaiu in Sour-ther Asia then will come the targo for adding. #### **SEMIGRATION.**

The following circular has sent to us spond to the request :---

" DEPARTMENT OF IMMIGRATION.

" Toronto, June, 1874.

"The arrival is expected in a few weeks of a "The arrival is expected in a low weeks of a considerable number of laborers with families, ehiefly from England, and of the agricultural class. "It is important to find places for these people, exiting laborers, and possessing accommo-dation for families, are requested to forward ap-plications to the Department at once, stating Post Office, Telograph Address, nearest Railway, Station, and number of laborers wanted.

"Such applications will, on the arrival of the Emigrants, receive, as far as practicable, prompt

Intention.
"The question of providing cheap, comfortable, brown, the strained the School in the past by casting their votes in favor of a provision a permanent aud subsectory footing.
"Mayried laborer are likely to take root where they locate. Their families, by furnishing dore the future. We hope, then, that the future. We hope, then, that the leading men of our Village will consider the matter and go to the Court House pre-this class, moreover, when confortably located, become the note offective emigration agents we can have. The domand for haborer is this season far in excess of the supply, but, for obvious reasons, application for this class is note over.

obvious reasons, write harge. "A condition of permanent service, though ac-commanied by all reasonable social comforts, is montanied by all reasonable social comforts, so "A condition of pormanent service, though ac-companied by all reasonable social comforts, is not a leading inducement held out to emigrants from the old lands, but to be able to say in the Old Countries to the Old Country workman, that he will and, on his arrival on our shores, ready and garden equal, if not superior, to those he has to leave, will remove a serious practical objection to Emigration, and will be a strong inducement to his making the experiment. "In some of our districts this subject is receiv-ment at attention, and farmers and employers are reaping corresponding advantages. "It is housd the prosperity of our leading industry will henceforward receive all the attents of the industry induced a strong of the industry of a subject is receiv-ing partial attention, and farmers and employers are reaping corresponding advantages. "It is housd that a matter so intimately con-nected with the prosperity of our leading industry will henceforward receive all the attents of the its merits at the hands of our farmers generally. "Mr E. lichardson, a Delgato from the Na-tional Agricultural Labourors' Union of England, has lately arrived h charge of a number of funi-ilies, more will follow. All that is wanted to so cure an increased emigration of the very class itset suited for our wants, is the assurance of good arrangements for the immediate omployment and reasonable comfort of this immigrants as they ar-ive here. "The late arrivals are chiefly from the lock-out

reasonable comfort of the buildigrams as uses and tive here. "The late arrivals are chiefly from the lock-out districts of England, and are the crean of the English agricultural inboring class. "Mr Richardson is highly ploused with our country, and with the condition and prospects of his people. On his return to England he will be able to speak with authority on what he has heard and seen to his fellow-workingmon. "The D. HAY.

"D. D. HAY,

#### "General Agent for Ontario."

ABSENT .- In reply to " Public Interest" -on making enquiry we found that the Division Court Clerk was absent from his office in this village, four days last week. We believe the public, who perhaps come eight or ten miles to do business in the clerk's office or on Township affairs, would have no objections if the Clerk left a com petent person to attend to their business, tered under No. 2873, in the patent office at is said he was anxious to he appointed Ottawa. Mr John Payne, formerly a resi.
