To Nervous Sufferers.  
Dr. J. Bell Simpson's Spermia and Tonic Pills, the Great English Remedy for all nervous debility from whatever cause arising, have already been so thoroughly tested in Canada as to require little to be said in their favor—as a certain cure for those distressing symptoms arising from errors of youth, Dr. J. Bell Simpson was a pupil and friend of the late Dr. Wilson of London, England, the most celebrated authority in the world on this subject, the partner in his own country, and he prepared to give advice free to all, and forward circulars, etc., applied to—addressing Dr. J. Bell Simpson & Co., Drawer 91 P. O., Hamilton, N. Y. Two boxes of Pills will also be sent by mail to any part of Canada, securely wrapped from observation, on receipt \$1.00. Special treatment if desired. Pills sold retail by all retail Druggists, and wholesale by wholesale Druggists and Patent Medicine Dealers.

A BAD SKILL.—On Saturday afternoon a farmer brought into the market, at Toronto, a large number of rolls of butter, which he proceeded to dispose of. Those persons, however, who bought the article in question, found that they had only bought a thin coating of butter, under which was to be found a mixture of stale cheese, lard, &c. The victims of this not very honest countryman are anxiously awaiting a second interview with him.—Mail

THE IMPROVED  
"WEBSTER"  
Family Sewing Machine  
FIRST PRIZE

TAKING into consideration the fact that the Webster Sewing Machine has been before the public, about eighteen months and the unprecedented number of over ten thousand have been sold in so short a time is sufficient to convince the most incredulous of the superiority of the Webster over all others. It carried off nearly all the leading prizes for the fall of '73. It is constructed in the most simple, solid and substantial manner; consequently less liable to get out of repair. It is so simple to handle that the operator can adjust the stitch or regulate the tension while the machine is in motion. The Webster will do all kinds of work, heavy or light, coarse or fine, it has a straight sewing, makes the lock stitch, performs a perfect sewing, linen, or silk thread. It has, felt, cord, braids and gathers.

A Complete Set of the most approved attachments with each Machine.  
We would beg to call the attention of those wearing first-class dresses to be sure and purchase one of these.

PHYSICIANS CORNERED!  
I suppose there is not in the whole course of a Physician's experience anything in human suffering which calls forth his sympathy and pity to such an extent as to witness the excruciating agonies of a poor mortal, suffering from that fearful disease, Rheumatism. Heretofore there has been a considerable diversity of opinion among medical men, as to the true character of this disease: some locating it in the Fibre or muscular tissue of the system, and others viewing it as an acute, nervous disease, but it is now generally admitted to be a disease arising from a poison circulating in the blood. The circulation of the blood is the life of the body, and its stoppage is death. No disease can be in the body without first being generated in the blood; and no disease can possibly be in the body if the blood is pure. Rheumatism can never be thoroughly cured without exterminating the poison circulating in the blood by a constitutional internal remedy. We are confident that none will feel better satisfied and rejoice more than the conscientious physician who has discovered that a sure cure for this stubborn disease has been found. The following testimony from a gentleman of standing and high respectability, and well known to the Canadian public cannot fail to satisfy all that the  
DIAMOND RHEUMATIC CURE  
IS A WONDERFUL MEDICAL DISCOVERY.
