Holloway's Pills and Ointment are neither manufactured nor sold in the United States although they may be obtained in the B. N. American Provinces.

America: Provinces.
Each Pot and Box of my preparation bears
the British Government Stamp, with the words
"Holloway's Pills and Cintment, London,"
engraved thereon.
It has become necessary to make this announcement, because the New York Chemical nouncement, because the New York Chemical Company (who pay nobody), finding at last that their name has been so exposed, have assumed the title of "Holloway and Co.;" but, even now, no one will buy their medicines discret from them, so that they have made arrangements to supply exclusively the firm of Messrs Henry and Co., of New York, with their so called "Holloway's Pills and Clintman!"

Men; "

It is presumed that, from the large connection Messis Henry and Co, have in the British Provinces and elsewhere, the public is very likely to be imposed upon by unscrupulous ven dors and others unless they exercise great caution to prevent their being misled, by find-ing these medicines bearing a stamp with the name of "Holloway and Co., New York." printed thereon.

Many respectable firms in the British Prove

inces, who obtain my medicines direct from here, have very properly suggested that 1 should, for the henefit of themselves and the public, insert their names in the napers, that it may be known that my medicines can be bad genuine from them.
