**The York Herald.**  
 RICHMOND HILL, April 23, 1875.

**THE CASH SYSTEM!**  
 The changes in the postal laws, which  
 will come in force on the 1st of  
 June, and which renders the prepayment  
 of postage on newspapers necessary, the  
 proprietor of the HERALD begs to notify  
 all concerned that from that time for-  
 ward the advance payment of subscrip-  
 tions will be strictly adhered to. Sub-  
 scribers in arrears or those who have not  
 paid for the current year are requested  
 to settle their accounts as soon as con-  
 venient. On the 1st of June the names of  
 all subscribers indebted for over one  
 year will be erased from our books.  
 From that date the HERALD will be sent  
 free of postage by mail to all subscribers.  
 Parties desiring to discontinue the paper  
 should notify us and pay what is due.

**THE GRANGERS.**  
 The Grange movement is spreading  
 rapidly. The farming community seems  
 to be thoroughly prepared for its advent,  
 and receive it with open arms. They re-  
 cognise the power of the principle of unity,  
 and that independent though the farmer  
 undoubtedly is, yet he cannot ignore the  
 value of his neighbor's co-operation with-  
 out doing an injury to both. It is a  
 beautiful compensatory law of nature that  
 a man cannot advance the interests of  
 his neighbor without materially bene-  
 fitting himself at the same time. It is  
 this law which this important class of the  
 community propose to apply to their own  
 case. It is true that all other classes  
 have been in the habit of strengthening  
 themselves by secret associations and  
 unions, from time immemorial, and now,  
 seemingly, the day of the agriculturist  
 has come. It is time that he should be  
 emancipated. He cannot forever remain  
 the Helot of society! He must fling off  
 the yoke of arbitrary imposition, and if  
 he is to be literally a hewer of wood,  
 a drawer of water, and a cultivator of the  
 ground, he must be rewarded accordingly.  
 But he cannot be admitted among  
 the educated classes, except as an edu-  
 cated and refined individual, and his  
 power will not be admitted unless he  
 shows that he has mastered himself, his  
 social condition, and the circumstances  
 with which he is surrounded. As there  
 are some excellent additions to be made  
 to the first twelve, it is expected they will  
 be more successful this season than they  
 have been in former years. They will com-  
 mence the season with a better twelve than  
 they had heretofore and they are deter-  
 mined to retain the title they have so hard-  
 ly won, as the *Champion Club of Northern Ontario*.  
 The high standard to which the club has at-  
 tained is deserving of great praise, out of  
 a series of eight matches they have only  
 suffered defeat twice; this speaks well for  
 the "Stars." It is to be hoped they will  
 have no defeat to record this season. A  
 challenge, issued by the "Stars" on the  
 28th of August, 1874, and kept open until  
 the 15th of September, to play for the  
 Championship of the North, was accepted  
 by the Orillia club, and the result was, the  
 "Stars" were victorious, thus establishing,  
 beyond all doubt, their claim to the Cham-  
 pionship of the north. They are now com-  
 mencing their third season, and it is to be  
 hoped they will work hard, retain the honor  
 so deservedly won. "Unity is strength,"  
 and they must work heartily together, and  
 the honor shall be theirs. It is the actions  
 in concert of the twelve players that wins  
 the match, and not the vain attempts of in-  
 dividual players to distinguish themselves.  
 The sooner that a lacrosse player sinks self  
 out of sight and plays to promote the inter-  
 ests of his own side, the better for himself  
 and all concerned.  
 The young men of our town, generally,  
 should join at once, so that practice may be  
 commenced as soon as possible. The fol-  
 lowing are the officers for the ensuing year:  
 Hon. President, P. G. Savage; President  
 T. Kelly; Vice-President, Wm. Hopper;  
 Hon. Captain, Geo. A. Laird; Field Capt.  
 R. H. Wilson; Captain, Jas. Tully; Treas-  
 R. E. Savage; Secretary, Jno. Coulter;  
 Managing Committee, R. Davidson, M. Wil-  
 son, E. Kendrick, A. Pugsley, Jno. Tully.  
 Clubs may arrange for matches by ad-  
 dressing the secretary nine or ten days pre-  
 vious to time of match. All honor to the  
 "Stars," the Champion Twelve of North-  
 ern Ontario!!

**THE "STARS" OF 1875.**  
 The "Star" Lacrosse Club have re-or-  
 ganized for the season of 1875. As there  
 are some excellent additions to be made  
 to the first twelve, it is expected they will  
 be more successful this season than they

**EAST RIDING OF YORK AGRICULTURAL SOCIETY SPRING FAIR.**  
 The East Riding of York Agricul-  
 tural Society held their annual Spring  
 Fair at Markham Village, on Wednes-  
 day last, the 21st instant. Notwith-  
 standing the raw state of the weather,  
 it was well attended by visitors from all  
 parts of the Riding. The number and  
 quality of Imported Draft and Canadian  
 bred horses shown, we venture to say,  
 could not be surpassed in the province.  
 The show of General Purpose horses was  
 also good; Mr. Steers, of Scarborough,  
 shows a very fine horse in this class  
 called "Prince of Scarborough," bred from  
 "A 1." Blood horses there were only  
 two shown. Durham Bulls—Mr. James  
 Russell, of this neighborhood, succeeded  
 in carrying off the honors with his  
 yearling bull, "High Heriff," although  
 he had to compete against bulls of all  
 ages. In Poultry there was an excellent  
 collection. Mr. H. M. Thomas, Brook-  
 lin, showed a fine assortment of birds;  
 Mr. Mathews, Brougham, also showed  
 some splendid fowls. In Agricultural  
 Implements, although no prizes were  
 awarded, there were quite a number on  
 the ground, consisting of Reapers, Mow-  
 ers, Seed Drills, Cultivators, Land Rolo-  
 vers, etc. Our limited space will not  
 permit us to give the details as we would  
 wish. Below we give the list of prizes  
 with names of the successful competitors.

**ORILLIA CORRESPONDENCE.**  
 (From our own Correspondent.)  
 Stephen Whitney, the Washago murderer,  
 has been discovered down in Louisiana. A  
 person of the name of Bowes, belonging to  
 this locality, an acquaintance of his, met  
 him there, and he seemed to be in prosper-  
 ous circumstances. He was not the least  
 dispirited. He had on a light suit and a  
 plug hat, and seemed to be in a hurry to go  
 somewhere. He shook hands with our in-  
 formant in the friendliest manner, cordially  
 invited him to come and see him, and ex-  
 pressed regret that he had not time to have  
 a conversation with him just then. A gen-  
 tleman to whom we related the incident re-  
 marked that he would not like to be the  
 man to go down there to arrest Whitney.  
 He believed that it would be best to let him  
 alone. He would most likely have struck  
 up a friendship there with men as lawless  
 as himself, desperate characters with the  
 mixed Spanish and Indian blood cycling  
 greedily in their veins and ready to face any  
 thing in defence of their regular fraternity.  
 He related some instances of the deadly  
 precision of Whitney with the revolver.  
 He (our informant) was in the employ of a  
 Bell Ewart Lumber Company, and used to  
 walk away back about twenty miles or so  
 into the township of Oakley, to visit some  
 timber shanties in that direction. He has  
 seen Whitney, who often accompanied him,  
 taking down a partridge while on the wing  
 with a ball from his revolver, on other oc-  
 casions, while the bird was at rest on the  
 ground, consisting of Reapers, Mow-  
 ers, Seed Drills, Cultivators, Land Rolo-  
 vers, etc. Our limited space will not  
 permit us to give the details as we would  
 wish. Below we give the list of prizes  
 with names of the successful competitors.

"Make your home happy!" See Wm.  
 Street's advertisement this week.  
 The directors of the Federal Bank are  
 about opening a branch in Aurora.

Markham Township Council meets at  
 Unionville, on Saturday, the 24th inst.  
 A Mr Dinwoodie has been chosen by the  
 "elevators" to oppose the Hon. William  
 McDougall, in South Siucoe.

GRANGE—The Langstaff Farmers' Club  
 meet this (Friday) evening, for the purpose  
 of organizing a Farmer's Grange.  
 The Aurora Banner and Newmarket Era  
 are having a little "unpleasantness" just  
 now; the Banner says Erastus uses bad  
 grammar, and the Era says Horace would  
 make a good bell boy to a one-horse drama-  
 tic club. Amusing! ain't it?

We were very sorry to have to consign  
 that very interesting correspondence signed  
 "A Reader," to the waste basket. We are  
 very happy to receive any communications  
 of local interest from our friends, but they  
 must have a *bona fide* signature.

**POLITICS MADE EASY.**—What is a Con-  
 servative? One who keeps what he has and  
 allows others to do the same. What is a  
 Liberal, then? One who wishes to keep  
 what he has, but wants to be very liberal  
 indeed with what belongs to others.

The Toronto Sun says:—The expense  
 of publishing the Hansard reports of the  
 debates of Parliament, was \$9,000, and you  
 can find them kicking around any printing  
 office in the Dominion with the letters not  
 cut. To every man who has read them  
 through we are prepared to present a prize  
 chromo, and pay his way on the street cars  
 to the asylum.

**PLOUGHING MATCH.**—The inhabitants of  
 Richmond Hill and vicinity have decided on  
 holding a ploughing match, on Thursday,  
 the 29th inst., on the farm of Mr John  
 Palmer, south of the village, when prizes  
 amounting to over \$100 will be awarded.  
 Competition open to all the county. This  
 is a step in the right direction, and as there  
 is some talk of forming an Agricultural So-  
 ciety in the vicinity, we hope it may prove  
 successful.
