

# BUGGIES

**HENRY R. WALES, & SONS,** the old established and well known Carriage Manufacturers, having been established for more than twenty-five years, and built the first light work in this section, and having equal to any, if not the best shops and facilities of any in the Dominion, are still giving their whole energies to the building of Light Carriages, &c. Being practical workmen in every branch, parties in want of Buggies, Folding Seats, Ladies' Photos, either covered or open, Light Shifting Rail Top Buggies in all styles, 3 Spring Waggon, equal to the best in the Dominion, Springboards, &c., at the present time, would find it to their advantage to call and inspect our large and varied stock, as we have upwards of FIFTY jobs of different varieties, strength, capacity and price. As we warrant all our work we do not sacrifice quality for price. Our rule is to buy and manufacture well, and we can sell well, at the same time making it an object for customers to buy from us, and at the same time for us to sell to them. Owing to our work having

## GIVEN

Universal satisfaction, and having received scores of first prizes, UNPRINCIPLED parties have tried to deceive customers by painting off inferior work as our manufacture. Parties calling and seeing our VARIOUS STOCK—as we use every novelty that is known to be good—will not be deceived when they behold the graceful sweeps and outlines of our wood work, strength and lightness of iron-work, elegance, beauty, and softness of trimming, and unsurpassed mirror-like finish of painting. Parties coming from a distance can generally depend upon taking a buggy

## AWAY

With them. We sell for cash or credit. Painting and Trimming done for the trade and public. Wood-work finished to blacksmiths, or Wood-work ironed for Wood-workers. All kinds of repairing done without delay. We make a specialty of painting Old Buggies, and, having adopted a new method, are prepared to guarantee satisfaction. One great difficulty to be surmounted in painting old work is that the cracks in the old paint on the body of a carriage show through the new surface, as soon as it is repainted. We are prepared to meet this obstacle by guaranteeing a good job; and the Spring of the year is the time to see about having your conveyances put in proper repair—it is the best kind of economy.

## A PUBLIC CAUTION.

Holloway's Pills and Ointment are neither manufactured nor sold in the United States although they may be obtained in the B. N. American Provinces.  
Each Pot and Box of my preparation bears the Right Government Stamp, with its words "Holloway's Pills and Ointment, London" engraved thereon.

It has become necessary to make this announcement, because the New York Chemical Company (who pay no duty), find at last that their name has been so exposed, have assumed the name of "Holloway and Co.," but even now no one will buy their medicines direct from them, so they have made arrangements to supply exclusively the firm of Messrs. Henry and Co., of New York, with their so-called "Holloway's Pills and Ointment."

It is presumed that, from the large connection Messrs. Henry and Co. have in the British Provinces and elsewhere, the public is very likely to be imposed upon by unscrupulous vendors and others unless they exercise great caution to prevent their being misled by purchasing these medicines bearing a stamp with the name of "Holloway and Co., New York," printed thereon.

Many respectable firms in the British Provinces who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that they be known that my medicines can be had genuine from them.

The following is a list of the firms alluded to: and I particularly recommend those who desire to get my medicines to apply to some of the Houses named—  
Messrs. Avery, Brown & Co., Halifax, N.S.  
Messrs. Forth & Co., Halifax, N.S.  
Messrs. T. B. Barker & Sons, St. John, N.B.  
Mr. T. Des Brisay, Charlotte Town, P.E.I.  
Messrs. Langley & Co., Victoria, B.C.  
Messrs. Moore & Co., Victoria, B.C.  
Dr. John Fallon, Chatham, N.B.  
Messrs. Munro & Co., Montreal.  
Messrs. J. Wines & Co., Hamilton, C. W.  
Mr. J. H. Rice, Toronto.  
Mr. A. Chipman Smith, St. John, N. B.  
Mr. John Bond, G. Rich, Ont.  
Messrs. Elliot & Co., Toronto.  
Mr. J. Chaloner, St. John, N. B.  
Messrs. Hamilton Brothers, St. John, N. B.  
Mr. R. S. Pridy, Windsor, Ont.  
Mrs. Orpen, Morden, N. S.  
Mr. George C. Hunt, Jun., Fredericton, N. B.  
Mr. W. H. Thompson, Harbor Grace, N.E.I.  
Mr. J. M. Wiley, Fredericton, N. B.  
Messrs. W. & D. Yule, Montreal.

My Pills and Ointment are sold at the lowest wholesale net prices, in quantities of not less than £20 worth—viz., 8s. 4d., 25s., 34s. per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance. Chemists and other Vendors of Holloway's genuine Pills and Ointment may have their names inserted in the local papers if they will please apply here—

## Fellows' Compound

**SYRUP OF HYPOPHOSPHITES**  
As a life-giving tonic, whether they be Rest, Birds, Reptiles, Insects or even Zoo-philes, and subjects of the Vegetable Kingdom, are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to the world.  
Modern chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and all benefited, where this is introduced these ingredients in proper proportions the brain and nervous system are strengthened.  
This, then, is substantially the basis on which Fellows' Hypophosphites is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles. Strengthening the nerve, it causes the rapid distribution of Vitalized Blood in the Muscular Organism of the Body.  
Routing the Sluggish Heart and Liver, strengthening the action of the Stomach and bowels and enabling the Lungs to be fully inflated with Oxygen.  
It is adapted for all cases of Weakness and Emaciation, whether arising from sedentary life, a tropical climate, from fever or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.  
In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.  
For Nervous Debility it stands unrivalled and may be used with confidence in all cases.  
As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for Fellows' Syrup, and take no other.
