Of course and dark evening, was well attended. Mi what the farmers have to consider is merely how it affects themselves as a Messrs A P. Conger and J. Ness, of Patter.

E. Gardener very satisfactorily furfilled the duties of President. The speeches given by Messrs A P. Conger and J. Ness, of Patter. class. This is the only way to approach son, were kindly in spirit, temperance in this is the only way to approach character, and practical in aim. The diameter, and practical in aim. The diameter, and practical in aim. as far as it concerns itself. Now, it is were creatianly tendered, annually experienced by per will only consider a matter of this kind were creditably tendered, although some well known to the farmer that the nearer the market is to his own door the more the market is to his own door the more the market is to his own door the more the more than the market is to his own door the more than the more t valuable it is to him. There are a thousand and one things which will sell in a choruses, was given by members of the pear market which will never reach a please all. The members of the Patterson Band also contributed largely to the please and trouble, and cost of carriage. Well wices. A liberal collection in aid of the what is the tendency of the Grange move temperance movement was taken up at the ment as regards manufacturers? There close. can be no doubt that the manifest tendency is to centralize them in some giat manufactory, in some great city. The Grangers say, the manufacturers that tion of our merchants to close their stores offers us the best terms will receive our on Monday next. Business will be open. custom, and quite right too as far as that transaction itself is concerned. But supposing, for example, a huge manufactory in Montreal, with any quantity We hope to see a crowded house as they of capital at its back, should offer lower are deserving of every encouragement. terms than is possible in any other city, eventually kill out local manufacturers about an hour before and the fire must have caught from some defect in the stope pipes with their lives, saving nothing. The mediate vicinity of Montreal to the serious detriment of the rest of the Dominion Manufacturers make a market! If

Manufacturers make a market! If

Markham, Market, Market, Markham, Market, Market, Markham, Market, Market, Market, Market, Market, Markham, Market, on. Manufacturers make a market! II Prolonged Abstinence—Mr William Strain, an agricultural implement agent, restrong. Jr. he commissioners to expend the within one mouth from date; and all persons. the farmers of this quarter enter upon a siding near Flesherton, has eaten nothing whatever during the past four years, milk alone constituting his sole diet. Notwith standing this he looks as hale, hearty and working for their own good. We do not fleshy, as if he had fared on the best of the commissioners.

Strain, an agricultural implement agent, removed and superintend the work, said sum may all one constituting his sole diet. Notwith standing this he looks as hale, hearty and working for their own good. We do not fleshy, as if he had fared on the best of the commissioners.

Ar Button moved, seconded by Mr Marsh, that the account of R. Williams amounting the past four parts of the commissioners. write in this way to throw a damper upon the Granger movement, far other -wise, we only wish them to think seri ously upon the subject, and to hold it up before them in every possible light. The movement, if used wisely, is des tined to do a great deal of good but it requires to be handled very carefully.

Death of Lieut. Gov. Crawford

It is with extreme regret that we chrone cele the death of Lieut. Gov. Crawford, was not thought to be serious until about three weeks ago when it assumed a more serious aspect and since then he sank ranide ly. His funeral took place last Tuesday

Communication from Woodbridge received too late, will appear next week.

The prize offered by Mr Harrison, to the inhabitants of our vilage for a spelling competition to be held in the Masonic Hail. on the 1st day of June, is the latest edition of Webster's Unabridged Dictionary, containing nearly two thousand pages, several hundred engravings and worth \$12. e Dictionary may be seen at Mr Scott's. Book Store next week, where the names of the competitors will be received.

Mr Dymond has added another name to the long list of grits who have been making themselves samous by elevating the standard of morality" over the left. He did not wait for an investigation but "step ped down and out" at the first warning. We are rather inclined to sympathise with who, like him attain the height of their ambition, which he acknowledged to have done when he was elected for North York but those wicked Tories seem to have no the 10th inst: mercy and the henchman has gone the way of the elevator. "Next!"

have given up slinging "catgut" on ac count of sickness of some of the players, and not being able to procure a suitable

Correspondence.

CARRVILLE.

To the Editor of the York Herald. Sir,-Will you please grant me a little space for a few items about Carrolle The question of Temperance continues to be brought before the minds of the inhabitants of the village. The P. M. Church comes out boldly on the side of Temperance. It was the first to hold a public temperance meeting in connection with its annual con-ference; and it is strongly recommended by will come in force on the 1st of

June, and which renders the prepayment June, and which renders the prepayment effort to spread the temperance cause, and to hold a public temperance meeting, or proprietor of the HERALD begs to notify | have a temperance sermon preached at each appointment. A public temperance meeting was held in the P. M. Church, on Friday evening, April 3 d; the chair was taken by Mr W. Mellish, who, in a neat speech. scribers in arrears or those who have not stinence, and his practise of them, the use

told his belief in the principles of total auof temperance organizations, and urged their claim upon the older members of so ciety. The Rev. G. J. Reeve spoke upon the evils of intemperance, the need of personal effort to effect temperance reform, and the 'earful effects often resulting from the moderately drinking habits of professing Christians. The Rev. W. Reid showed the necessity of "Prohibition" as the only profree of postage by mail to all subscribers. hable means of completely ridding the Parties desiring to discontinue the paper not vices, exposing the incompleteness of the Dunkin Bill." and high licensing, and moral reasoning to effect temperance reform apart from Prohibition and condemning the absenting conduct of the legislators when this matter was introduced into the Hanse.

The nut on the east side of the Pon, on lot 30, in the 1st Con.. and that W. W. Harris. J. Welsh, J. McGowan and the mover be appointed commissioners to expend the absenting conduct of the legislators when this matter was introduced into the Hanse.

Carrville, May 17, '75.

MARKHAM COUNCIL.

May 15, 1875. Pursuant to adjournment the Council met in the Council Chamber, Unionville. Mem be s all present. The Reeve in the chair. Minutes of previous meeting read and ap-

The following petitions were presented: By the Reeve, from H. P. Crosby and 13 others, asking the Council to procure a peddlar's license for the Widow Watson, she being unable to support her large family.

By the Reeve, from J. Gowland and 11 thers, asking the Council to assist in grav elling the road allowance between lots No.

15 and 16, in the 8th Con.

By Mr Marsh, from John McCague and 40 others, asking the Council to procure a pedla,'s license for Duncan McLean.

Mr Marsh moved, seconded by Mr Button, that the sum of \$10 be and is hereby grant ed for the purpose of improving the road through the swamp on the side road between lots 15 and 16, in the 2nd Con, and that John Helmkay, Geo. Phillips and the mover be commissioners to expend the same, said sum payable to the order of the mover after the work is completed—Carried.
On Motion, Mr Lane introduced By-law No. 255, to amend By law 253, striking out the name of Richard Ball and inserting James Riddle in lieu thereof. The By-law was read a first, second and third time and

Mr Lane moved, seconded by Mr. Milliken, that the sum of \$75 be granted to improve the hill on the east side of the Don, on lot

Lane, that the sum of \$75 be granted to improve the road crossing lot 5, in the 3rd Con, north of the road known as the Ger-

Marsh, that the sum of \$75 be granted to improve the hill road between lots 10 and 11. in the 8th Con., and that the Reeve and Thos Armstrong be appointed commission ers to expend the same—Carried.

The Council then adjourned one hour for

Mr Lane moved, seconded by Mr Marsh, that the Treas be and is hereby required to pay to order of the Reeve the sum of \$38, be. ing the amount disbursed by him for the sup-port of two destitute females and the interment of two infants, and also \$6 paid by him for the support of the Widow Doheny, said sums having been paid by him under instructions from this Council—Carried. Mr Marsh moved, seconded by Mr Milli ken, that the resolutions passed by this

Council granting aid to the following persons: Robt. Anthony, Jno. Size, Mrs Riddle and Jacob Doner, be and the same is rescinded and the grants shall cease from and after the 1st of June, now ensuing—

Mr Button moved, seconded by Mr Milliken, that the sum of \$25 be paid by the Trensurer to the order of Thos. Armstrong, overseer of road division No. 52, for making a culvert in said division-Carried.

Mr Lane moved, seconded by Mr Marsh, that the Treusurer be and is hereby authorized to per the H. P. Crosby the amount of ized to per to a lank foreighed by him his account for Plank furnished by him who was the Reeve of this Municipality— this Municipality— the State of the State o

Mr Button moved, seconded by Mr Marsh,

Treasurer—Carried. ALMOST A FIRE.— Last Tuesday, about 2 p. m., an alarm of Fire was sounded, which converted to be the dwelling of Mr John Hall, some sparks from the chimney having its some sparks from the chimney have Mr Lane moved, seconded by Mr Millip Button be a committee to expend the same, way, and with the assistance of a few pails the incorporation of Whitchurch having of water was speedily extinguished. Our granted a like sum for the same purpose, and that the sum of \$100 be and is hereby granted for improving the town line west of 3rd Con., and that Mr Robert Marsh be a committee appointed to expend the same, committee appointed to expend the same, in such a matner as to give the ultrost satis the incorporation of Whitchurch baving faction to his patrons. He trusts to receive

Mr Milliken moved, seconded by Mr Marsh, that this Council do now resolve itself into a Court of Revision—Carried. Only two appeals were received, one from Hugh McPherson, Ringwood, and one H. S., M. J. Boynton; W. L. H. S., be assessed to high, after making some correction in the assessment roll, Mr Lane moved, seconded by Mr Milliken, that the Court of Revision do now adjourn until the

next meeting of this Council--Carried. Mr Milliken moved, seconded by Mr Lane, that the following sums be paid by the Treasurer: To the Overseer of road division No. 45, for plank furnished in 1874, \$2 50; to John McCaul, Overseer for said division, for building culvert for 1875, \$10

The Council then adjourned, to meet again on the 12th day of June.
