BUGGIES

HENRY R. WALES, & SONS, the old established and well known Carriage Manufacturers, having been established for more than twenty-five years, and built the first light work in this section, and having equal to any, if not the best shops and facilities of any in the Dominion, are still giving their whole energies to the building of Light Carriages, &c. Being practical workmen in every branch, parties in want of Buggies, Folding Seats, Ladies' Phaetons, either covered or open, Light Shifting Rail Top Buggies in all styles, 3 Spring Waggon equal to the best in the Dominion, Springboards, &c., at the present time, would find it to their advantage to call and inspect our large and varied stock, as we have upwards of FIFTY jobs of different varieties, strength, capacity and price. As we warrant all our work we do not sacrifice quality for price. Our rule is to buy and manufacture well so that we can sell well, at the same time making it an object for customers to buy from us, and at the same time for us to sell to them. Owing to our work having

GIVEN AWAY

Universal satisfaction, and having received scores of first prizes, UNPRINCIPLED parties have tried to deceive customers by palming off inferior work as our manufacture. Parties calling and seeing our VARIED STOCK—as we use every novelty that is known to be good—will not be deceived when they behold the graceful sweeps and outlines of our wood work, strength and lightness of iron-work, elegance, beauty and softness of trimming, and unsurpassed mirror-like finish of painting. Parties coming from a distance can generally depend upon taking a Buggy

With them. We sell for cash or credit. Painting and Trimming done for the trade and public. Wood-work furnished to blacksmiths, or Wood-work ironed for Wood-workers. All kinds of repairing done without delay.

We make a specialty of painting Old Buggies, and, having adopted a new method, are prepared to guarantee satisfaction. One great difficulty to be surmounted in painting old work is that the cracks in the old paint on the body of a carriage show through the new surface, as soon as it is re-painted. We are prepared to meet this obstacle by guaranteeing a good job; and the Spring of the year is the time to see about having your conveyances put in proper repair—in the best kind of economy.

BEWARE OF COUNTERFEITS.

For the protection of the public of British North America, I deem it my duty to state that my PILLS AND OINTMENT are neither manufactured nor sold in any part of the United States.

Each Pot and Box bear the British Government Stamp, with the words "Holloway's Pills and Ointment, London, engraved thereon. On the label is the address, 533 Oxford Street, London.

This notice has become necessary, in consequence of vile and spurious imitations of "Holloway's Pills and Ointment," being fabricated at 78, Maiden Lane, New York, by parties who style themselves "Holloway & Co.," with an assumed trade mark thus—

Unprincipled vendors can obtain this trash at a very low price, and so deceive you by selling the same for my genuine "Holloway's Pills and Ointment," which are manufactured only at 533, Oxford Street, London.

Persons who may be so deceived will be pleased to communicate with me.

Many respectable firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the firms alluded to, and I particularly recommend those who refer to get my medicines to apply to some of the houses named:—

Messrs. Mercer & Co., Montreal. Messrs. Avery, Brown & Co., Halifax, N.S. Messrs. Forsyth & Co., Halifax, N.S. Messrs. T. B. Parker & Sons, St. John, N.B. Apothecaries' Hall Co., Victoria, B. C. Messrs. Langley & Co., Victoria, B. C. Messrs. Moore & Co., Victoria, B. C. Dr. John Falten, Chatham, N. B. Messrs. Munro & Co., Montreal. Messrs. J. Winer & Co., Hamilton, C. W. Mr. H. Ross, Toronto. Messrs. Hamilton, Beers, St. John, N. B. Mr. A. Chalmers Smith, St. John, N. B. Mr. John Bond, G. rich, Ont. Messrs. Elliot & Co., Toronto. Mr. J. Chalover, St. John, N. B. Messrs. Hamilton, Beers, St. John, N. B. Mr. R. S. Priddy, Windsor, Ont. Mrs. Orpen, Morden, N. S. Mr. George C. Hunt, Jun., Fredericton, N. B. Mr. W. H. Thompson, Harbor Grace, N. F. L. Mr. J. M. Wiley, Fredericton, N. B. Messrs. W. & D. Yule, Montreal. Class. I. Davis, Fredericton, N. B.

The medicines are sold at the lowest wholesale prices, in quantities of not less than £20 worth—viz., 8s, 6d., 2s., and 3s. per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

THOMAS HOLLOWAY, 533, Oxford Street, W. C. London, Jan 1 1874 883

Fellows' Compound SYRUP OF HYPOPHOSPHITES

As all life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects or even Zoophytes, and subjects of the Vegetable Kingdom, are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to the world.

Modern chemistry has ventilated the question, and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This, then, is substantially the basis on which FELLOW'S HYPOPHOSPHITES is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles. Strengthening the nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.

Rousing the Sluggish Heart and Liver, strengthening the action of the Stomach and Bowels and enabling the Lungs to be fully inflated with Oxygen.

It is a specific for all cases of Weakness and Emaciation, whether arising from secondary life, a tropical climate, from fever or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.

For Nervous Debility it stands unrivalled, and may be used with confidence in all cases. As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for FELLOW'S SYRUP, and take no other.

SOLD BY APOTHECARIES Price, \$1-50; Six for \$7-50. JAMES I. FELL, St. John, N. B.
