BEWARE OF COUNTERFEITS.

For the protection of the public of British North America, I deem it my duty to state that my PILLS and OINTMENT are neither manufactured nor sold in any part of the United States.

Each Pot and Box bear the British Government Stamp, with the words "Holloway's Pills and Ointment, London" engraved thereon, and on the label is the address, 533 Oxford Street, London.

This notice has become necessary, in consequence of vile and spurious imitations of "Holloway's Pills" being fabricated at 77, Market Street, New York, and at 117, with an assiduous trace mark thus—

Unprincipled vendors can obtain this trash at a very low price, and so deceive you by selling the same for my genuine Holloway's Pills and Ointment, which are manufactured only at 533, Oxford Street, London.

Persons who may be so deceived will be pleased to communicate with me.

Many respectable firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known what my medicines can be had genuine from them.

The following is a list of the firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Messrs. Mercer & Co., Montreal.

Messrs. Avery, Brown & Co., Halifax, N.S.

Messrs. Forth & Co., Halifax, N.S.

Messrs. T. B. Herbert & Sons, St. John, N.B.

Apothecaries' Hall Co., Victoria, B.C.

Messrs. Langley & Co., Victoria, B.C.

Messrs. Moore & Co., Victoria, B.C.

Dr. John Pallen, Chatham, N.B.

Messrs. Munro & Co., Montreal.

Messrs. J. Winter & Co., Hamilton, C. W.

Mr. H. J. Rose, Toronto.

Mr. A. Chipman Smith, St. John, N.B.

Mr. John Bond, G. Mich., Ont.

Messrs. Elliot & Co., Toronto.

Mr. J. Chaboyer, St. John, N.B.

Messrs. Hannington Brothers, St. John, N.B.

Mr. R. S. Piddy, Windsor, Ont.

Mr. O'Brien, Morden, N.S.

Mr. George C. Hunt, Jan., Fredericton, N.B.

Mr. W. H. Thompson, H. H. Grace, N.F.L.

Mr. J. M. Wiley, Fredericton, N.B.

Messrs. W. A. D. Yule, Montreal.

Chas. I. Davis, Fredericton, N.B.

The medicines are sold at the lowest wholesale price, in quantities of not less than 250 worth—viz., 8s. 6d., 25s., and 34s. per dozen boxes—plus 5s. 6d. per cent, for which remittances must be sent in advance.

Fellows' Compound SYRUP OF HYPOPHOSPHITES

As all life-endowed bodies, whether they be Beast, Birds, Reptiles, Insects, or even Zoophytes and subjects of the Vegetable Kingdom, are governed by vital force, which binds all the springs of existence, and as nothing can survive from that action when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to the world.

Modern chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This, then, is substantially the basis on which FELLOWS' HYPOPHOSPHITES is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles. It strengthens the nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.

Rousing the Sluggish Heart and Liver, strengthening the action of the Stomach and bowels, and enabling the Lungs to be fully filled with Oxygen.

It is adapted for all cases of Weakness and Emaciation, whether arising from sedentary life, a tropical climate, from fever or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.

For Nervous Debility it stands unrivalled and may be used with confidence in all cases.

As it is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for FELLOWS' SYRUP, and take no other.
