As business of importance is to be transacted, a large attendance is requested.

lately by persons, who, in driving down Yonge Street, have met with several mishaps in crossing a culvert, a short distance below this village. The earth and stones are heaped on the top of the culvert in such quantities as to leave a high ridge across the street, and in crossing, especially in the dark, is usually attended with some slight socident to either the driver, harness or while. The foreman of that section of the road should have it attended to at once, before a large quantity of snow fulls which will only render it more dangerous.

brought forward for trial. The evidence given was, for the most part, a repetition of that given at the Davis trial. The prisoner was remanded till Wednesday last, when the trial was resumed. The evidence of the convict Davis was then taken, who swore that the diseased came to his office and got medicine to procure a miscarriage, stating that she had been sent by Mr Clements. Davis also swore that the prisoner had called and paid \$50 and was to have had called and paid \$50 and was to nave remunerated the "Dr" farther afterwards. The evidence was given in a very straight dollar to Mr Isaac Crosby, being for tax on a dog collected in error.—Carried.

Mr O'Brien introduced By-Law No. 43, on next Tuesday evening, at 8 o'clock, in next Tuesday evening, at 8 o'clock in on next Tuesday evening to the sum of the mechanics in the mechani ments to be guilty. Frazer, the carpenter, who furnished the coffin, of box, in which the body was found, was also arrested and placed on trial. After hearing the evidence of Davis against the last named prisoner, which was of a very convicting nature, the

Ir is the duty of every man to make his home as attractive and interesting as possi-ble, especially where there is a family of filled up. young folks growing up is it necessary to provide something for their entertainment. to prevent them from seeking amusement elsewhere, and which in many cases they find only in the haunts of corruption and Moved by Mr Pogue, seconded by Mr vice. We believe that nothing will tend to O'Brien, that Francis Cosgrove be and is encourage a young man to spend his long winter evenings in the home circle, as a table well supplied with useful and enter-taining books. Books that will not only amuse, but will contain valuable information.
The "Polar and Tropical Worlds," by Drs.
Hartwig and Guernsey, is a book that
should be in every family. It contains much valuable and accurate information regarding these differents portions of the earth, with which the great mass of our young people have very little acquaintance. By its excellent illustrations, and reliable descriptions, was held at Size's hall, Unionville, on Satit presents clearly the geography, natural urday, 4th inst., for the purpose of revising history, and botany of the Frigid and Torthe By-laws.
