Fellows' Compound

CYRUP OF HYPOPHOSPHITES Asalllife-endowed bodies, whether they b Beast, Birds, Reptiles, Insects or even Zoo phites, and subjects of the Vegetable Kingdom are governed by rital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is

indeed a boon to the world. Modern chemistry has ventilated the ques-tion and discovered the ingredients constitu-ting the brain, muscles and herves, and finds that by introducing these ingredients in proper proportions the brain and nervoussystem are

strengthened. This, then, is substantially the basis on which Fellow's Hyperhosphitzs is built.its direct action is upon the Blood, the Brain and Nervous System, and the Muscles. Strengthening the nerves, it causes the rapid distribu tion of Vitalized Blood in the Muscular Organs

of the Body. Rousing the Sluggish Heart and Liver, strengthening the action of the Stomach and Bowels and enabling the Lungs to be fially in

from any cause, and is officacious in Pulme having been cured and all benefitted, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails For Nervous Debility it stands unrivalled, and may be used with confidence in all cases. As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for Fellows' Symp, and take
