office by Thursday evening's mail. It  
will be delivered if it does not reach  
subscribers at proper time.

## LOCAL.

New music received at THE HERALD  
Book Store this week: "The three  
angel visitants."

Notwithstanding the busy times for  
work, and business for money, new sub-  
scribers are coming in, and some old  
ones paying up. There are still a num-  
ber that we expect to call as soon as the  
rush of the harvest is over, or sooner.

Remember the lacrosse match to mor-  
row, (Saturday) at two o'clock, in the  
fair ground, in this village, between the  
Young Canadians of this place and the  
Wellingtons of Toronto, for the junior  
championship of the north. Brass Band  
in attendance. Admission to the ground  
ten cents; ladies free.

We understand that M. L. Stewart,  
Camp Point, Illinois, has been in this  
neighborhood during the present week,  
and has made purchases of Cows and  
"Southdown sheep, for which he paid fair  
prices. He also took away a Durham  
bull calf from Mr. Russell's, Lots of  
room for more to come.

A species of red tapeism has, we think,  
existed long enough, in taking the mail  
that is made up at the office in this vil-  
lage all the way to Toronto, to be there  
assorted and then to come back again to  
Thornhill for delivery. It is time this  
arrangement was altered, so that the  
mail could be thrown off at Thornhill  
station on the way to Toronto.

We notice other papers offering in-  
ducements to subscribers, and as we are  
determined that THE HERALD shall  
have the largest paying subscription list  
in the county by the end of this year,  
we make the following offer to new sub-  
scribers: THE HERALD will be given  
from the present time until December  
31st, 1877, for \$1.25 each in advance.

The *Evolutionist* man thus discourses  
in eloquent language on a reaper trial.  
"Its origin was one of those simple  
notings from the result of which nations  
have been overthrown and the greatest  
revolutions in science and mechanics  
developed."!!!

Harry's gone to be a stranger,  
And with the Grangers stand;  
He has grown eloquent on reapers  
In political language grand.

Nothing can be fairer than Mr. Daniel  
F. Beatty's mode of doing business, and  
which evinces his confidence in the superi-  
ority of his instruments over all others.  
He warrants his pianos and organs for six  
years, gives a five day's test trial, and re-  
funds money if purchaser is not satisfied.  
By this means his instruments are brought  
into competition with others, and invari-  
ably come out victorious. Address all  
communications to Daniel F. Beatty,  
Washington, Warren County, N. J.; U.  
S. A. See his advertisement.

On Tuesday forenoon last, about half  
past eleven o'clock, a fire was noticed in  
the clearing on the farm occupied by Mr.  
Jas. Rumble, near the village of Pat-  
erson. As the fire was spreading very  
rapidly, placing the adjoining bush and  
field crops in great danger at a dry time  
like the present, the employees of Messrs.  
Patterson Bros were ordered out, who  
dug around the raging element and con-  
fined it to a small space. There was no  
damage done. The fire is supposed to  
have originated from a tramp who had  
been smoking in the clearing.

Yesterday being the village civic holi-  
day, and as part of our staff of printers  
went with the excursionists to Orillia,  
we are compelled to leave over till next  
week, the minutes of the Village Coun-  
cil meeting on Wednesday evening,  
although the same were kindly furnished  
to us by the Clerk early in the morning;  
also various other matters held over.

There is talk of providing cushioned  
chairs for the love sick swains who have  
to wait round the Methodist church gate  
for their innamorates at the close of the  
Sunday evening service. Hand in your  
names gentlemen. No less than twenty  
six of these were counted one Sunday  
evening recently all brought up in regi-  
mental order.

The late publisher and proprietor of  
THE YORK HERALD left here this  
week to take up his residence in the  
town of Barrie. He purposes opening  
in a few days in that place a wholesale  
and retail book and fancy store. His  
large experience in that line of business  
for eighteen years in this place will no  
doubt insure him success in a larger  
and wider field of enterprise! His long  
residence in this place made for him a  
wide circle of acquaintance in this vicin-  
ity who will miss him from his ac-  
customed place behind the counter of the  
THE HERALD Book Store. He carries  
with him the regrets and at the same  
time wishes for his success, of many in  
this county. We trust that he will not  
altogether forget us but will make it  
convenient to visit us occasionally so  
that we can get a glimpse of his smiling  
countenance.

On Monday evening last, the night of  
regular meeting of the Crystal Lodge,  
U. T. U., No. 372, a public temperance  
meeting was held in the Masonic Hall.  
Although the notice given was short,  
there was a good attendance. The Rev.  
J. Herbert Starr occupied the chair.  
The meeting was opened by singing  
"Hurrah for Prohibition," and prayer  
by Mr. W. E. L. Silence. A few pithy  
remarks were made by Mr. F. H. Stewart,  
Treasurer of the National Lodge, U. T. U.,  
and Mr. Silence, Special Deputy of the  
Grand Lodge, but the attraction of the  
evening was a lecture by the Rev. B. F.  
Austin, Grand Lodge Lecturer, entitled  
"My rights and thine." Our space will  
not permit us to do justice to the manner  
in which the lecturer handled his subject.  
He said that every man had certain God-  
given rights, of which no one had any  
right to deprive him, viz: life, liberty,  
and the right to hold property, and do  
as he pleased with it. Society required  
certain restrictions to be placed upon  
these rights in any way that would in-  
jure or interfere with the rights of others.  
These ideas were ably carried out, and  
fully supported by arguments drawn  
from every day life. There was a liberal  
collection at the close.

## SCHOOL MEETING.

The Board of Education for Rich-  
mond Hill met at the School Room, at  
two o'clock p.m. Rev. J. Dick in the  
chair; also present: Rev. J. H. Starr,  
Messrs R. Marsh, Sec., J. Duncan, M.  
Teefy, J. M. Lawrence, W. Patterson and  
E. Sheppard.

The Secretary read a communication  
from the Clerk of the Village Council in  
reply for interest of the Clergy Reserve  
Money; also one from the Clerk of the  
Vaughan Council in regard to the same  
matter.

Moved by M. Teefy, seconded by E.  
Sheppard, that Messrs D. Boyle, J. Dun-  
can and R. Marsh be appointed a com-  
mittee with authority to take legal advice  
upon the matter referred to in the above  
communications just read, and it shall  
be the further duty of the said com-  
mittee to call upon Dr. Hodgins, Deputy  
Minister of Education, and make enquiry  
of him in regard to a telegram dated 8th  
Dec., 1874, sent by him to W. S. Camp-  
bell, the Clerk of the county of Perth,  
which reads as follows: "Every High  
School district must be formed of a vil-  
lage or town and the whole or part of  
the adjoining township. No town or  
village can be High School district."  
After some discussion on the above, in  
which various opinions were expressed,  
it was moved and seconded that the  
above communications and resolution lie  
over for further consideration.

On motion it was ordered that the  
account of Mr. Charles Mason for \$5 55  
be paid.

The committee appointed at a former  
meeting, to take into consideration the  
advisability of building a new school-  
house for the use of Schools, was not pre-  
pared to report.

Moved by Rev. J. H. Starr, seconded  
by Mr. Patterson, that the follow-  
ing sums be the estimated amount required  
by this Board for the current expenses  
of the Public School Department for the  
present year:

For Teachers' Salaries,..... \$775  
For Caretaking, etc.,..... 165  
For Repairs and Improvements,.... 120  
\$1,060

And that the Secretary be and is hereby  
instructed to furnish the Clerk of the  
Corporation of Richmond Hill with a  
copy of this resolution, which shall be  
his sufficient authority for collecting the  
above sum of \$1,060 from the rateable  
property owners of this School Section—  
Carried.

Moved by J. M. Lawrence, seconded by  
Rev. J. H. Starr, that the sum of \$100  
be the estimated amount required by  
this Board for the maintenance of the  
High School Department, and that the  
Secretary furnish the Clerk of the Rich-  
mond Hill Council with a copy of this re-  
solution, which shall be his authority for  
collecting the said sum from the High  
School Section—Carried.

Moved by E. Sheppard, seconded by  
J. M. Lawrence, that the Secretary of  
this Board be and is hereby instructed  
to communicate with the Council of  
the Corporation of Richmond Hill, to  
know what they purpose doing with the  
interest derived from the Clergy Reserve  
Fund, so far as regards the Public School  
—Carried.

The Board then adjourned, to meet  
at the call of the Chairman.

## City Items.

A petition, signed by about 600 rate-  
payers, is to be presented to the Council  
asking that the by-law providing for the  
poisoning of dogs be repealed, and that  
they be impounded, enacted in its stead.

The estate of Messrs. Lash & Co. has  
been sold to Messrs J. G. Joseph & Co.,  
for forty cents on the dollar, and thirty-  
five cents for book debts. The stock is  
valued at \$41,000 and the fixtures at  
\$5,000.

License Inspector Armstrong, of To-  
ronto, has admitted purchasing \$844  
from the License Fund—thanks to the  
*Globe* for the information. The audi-  
tors of the city find a deficit of \$544  
in the Inspector's returns, against which  
he holds the Treasurer's receipt for  
\$520. Moral—Never copy from the  
*Globe* about a political opponent.—Truth.

On Tuesday last a woman named  
Wood who lives on Lumley Street had  
occasion to go into the yard for a pail  
of water. There was a game rooster in  
the yard, and on her trying to drive  
him away he flew to her shoulder, and  
before she could shake him off he had  
picked a hole in her forehead and with  
his strong beak inflicted a severe wound  
on her cheek, which required the services  
of a doctor to stitch up.

The changes and improvements spoken  
of as determined upon in the Court house  
on Adelaide-street, are being proceeded  
with. Windows in the south walls of  
each of the Courts have been opened, a  
great and very beneficial change in the  
wholesomeness and comfort of the rooms.  
The atmosphere will be also greatly im-  
proved by the placing of ventilators in  
the halls. The re-arrangement of the  
smaller rooms and offices for juries and  
officers of the Court will be found con-  
venient as compared with the former pos-  
itions. There is one observation that  
should receive attention about the em-  
broidered seats for the audience and juries.  
Lighter seats on the floor level would be  
most preferable. And in the west court  
room and Court of Assize the  
clerk's seat should be raised, to place that  
officer, within easier reach of the judge  
on the bench. The work will be com-  
pleted before the opening of the Courts in  
September.

Early Sunday morning information  
was brought to the Central Station that  
burglars were attempting to break into  
Ellis' jewellery establishment on King  
street. Detectives Brown and Hodgins  
hastened to the place and in the rear they  
found two men acting in a very suspicious  
manner. As soon as the detectives ap-  
peared the thieves ran eastward along  
Colborne street, the detectives in pursuit.  
The officers called on them to stop, and  
they not doing so, Hodgins fired on them,  
and fearing they would be shot, they sur-  
rendered on reaching Church street.  
They were taken to the Central Station  
where they gave their names as Henry  
Alder, an American, aged 24, a cham-  
ber maker by trade, and John Tracy, an  
Irishman, aged 33, a moulder by trade.  
They were brought before the Police  
Magistrate on Monday. Both the pri-  
soners are unknown to the police.—

## North York.

On Sunday morning last about three  
o'clock a fire was discovered in the plan-  
ing room of the large agricultural and  
sewing machine works of Mr. Jos.  
Fleury, Reeve of Aurora. The alarm  
was at once given but owing to the  
quantity of dry timber in the room the  
flames spread so rapidly that it was  
impossible to check them or even to  
remove anything, and in a very short  
time the entire works with the exception  
of the moulding and blacksmith shops  
(which are built of brick) was a mass  
of ruins. The destruction of these  
works will be a serious loss to the vil-  
lage, as it will throw a large number of  
men out of employment. All the tools

of the workmen were destroyed. There  
was no insurance on the building or  
stock. The loss will be \$75,000 or  
\$80,000. It is not known whether Mr.  
Fleury will rebuild or not. The fire  
was no doubt the work of an incendiary.  
We have been informed that the  
dastardly act has been traced to the  
perpetrator.

## Scarboro'.

As the result of an unmanageable tem-  
per, an unfortunate affray occurred at the  
Village of Norway on the Kingston Road,  
on Saturday forenoon, the like of which,  
we are seldom called upon to chronicle.  
A man named John Swallow, who keeps  
a saddler's shop at the above-named place,  
and who bore a good character up to the  
time of this occurrence, has been living for  
some time past on bad terms with his  
wife, it being said that he was unwilling  
to have her relatives, on account  
of which he was continually threatening  
to deprive her of her children should she  
do so. He finally left her and moved into  
a house on the opposite side of the road,  
where he lived for a few days until a  
reconciliation taking place, he returned  
to his former home. On Saturday morn-  
ing, disagreeing again, Swallow fastened  
the doors, deliberately drew a revolver  
from his pocket and fired three shots at  
the woman. The first shot entered the  
scalp on the right side of the head,  
inflicting a painful wound, the second one  
entered her right arm below the elbow,  
before the next shot she raised her arm  
as if to shield herself, and received the  
ball in her hand. She then ran towards  
him and throwing her arms around him,  
succeeded in wresting the revolver from  
his hand. In the struggle Swallow  
threw his wife on the floor, and placed  
his knee on her breast, and declaring  
that he would cut her throat, took a  
large jack knife from his pocket, and  
making an ineffectual attempt to open it,  
he seized a flat iron and commenced  
beating her with it, when she screamed  
for help attracted the attention of the  
neighbours, who rushed in and rescued  
her from her perilous attention. The  
would be murderer was brought before  
major Norris, J. P., and committed for  
trial. Examination of Mrs Swallow's  
injuries showed that they were very  
severe, but the last report is that the  
balls had been extracted, and that the  
injured woman was progressing favour-  
ably.

## Thornhill.

"A FIGHT WITH KING ALCOHOL."

On Monday Evening last Mr. Hind-  
man Barney, of New York, delivered a  
Temperance lecture from the above-  
named subject in the Victoria Hall,  
Thornhill. There was a crowded audi-  
ence present, who seemed intensely in-  
terested in the speaker, whose narration  
of the many incidents which he had  
himself experienced during a course of  
dissipated life, afforded but another  
solemn warning to the many who trifle  
with the intoxicating cup, under the  
pretext of being moderate drinkers.  
Mr. Barney is considered a good speaker,  
and treated his subject—so much hae-  
ked—in a manner which frequently  
elicited the plaudits and manifest sym-  
pathies of his audience. The discourse  
was followed with several recitations,  
rendered also by the lecturer in a super-  
ior manner. At the close a liberal col-  
lection was taken up, and an urgent re-  
quest tendered Mr. Barney to repeat his  
interesting lecture in the same place at  
a future period.

On Saturday a match between the  
Acemes, of Yorkville, and the Young  
Canadas, of Toronto, was played  
on the Toronto Cricket ground, for  
the lacrosse junior championship of  
Ontario. The Acemes succeeded in  
retaining the championship, winning  
three straight games, which occurred 8,  
45, and 10 minutes respectively.

(From our own correspondent.)  
Since the passing of the by-law  
granting a license to our village council  
to throw away thirty thousand dollars  
more to enlarge that beer vat, things  
have gone on about as usual, every one  
knows who was either too lazy or too in-  
different to cast their votes against the  
by-law, regrets not having done so.  
There is some talk about getting up a  
petition to present to the next meeting  
of the Legislature praying to be annexed  
to the City, but I question very much  
whether such petitions will be forth-  
coming as no one so far as I can ascer-  
tain has the pluck to undertake it, they  
would rather be governed or jockeyed by  
a set of wire-pullers who manipulate  
corporation matters to suit their own  
ends and scheme and manoeuvre to pull  
the wool over the eyes of a too confiding  
public. For the first time an advertise-  
ment in the Mail newspaper appears  
advising the rate-payers that the Voters  
list for 1876 is posted up in the office  
of the village clerk for inspection so that  
the names of those who may be left off  
or otherwise wrong may be corrected,  
I trust that all parties may take advan-  
tage of this, as hitherto they have been  
kept in ignorance as much as possible  
on this score. There is some talk of  
having a Civic Holiday here this year  
of our own to show our independence of  
the City and not wait until the City has  
one and then follow suit.

Attempted bank robbery took place at  
Windsor, on Monday, without success. The  
three men who attempted it were captured  
after an exciting chase.
