THE HERALD.
RICHMOND HILL, AUG. 18, 1876.

LOCAL.

That nuisance of burning leather again.

The Star Lacrosse Club is to be organized.

Violin strings for sale at 15 and 20 cents to clear out the stock, at the HERALD Book Store.

The High and Public Schools reopened here on Wednesday last, after midsummer vacation.

Will somebody please "rise and explain" why the town bell is not rung at seven o'clock in the morning.

We had the pleasure of a visit this week from Mr. Wilkinson, of the West Durham News, who passed through our village on business.

We desire our readers to notice the advertisement of Geo. Eakin, Esq., in this week's paper. He will be happy to wait upon all customers.

A match game of base ball came off in Claremont, on Tuesday last, between nine of that place and the Stars of Markham Village, resulting in a victory for the Stars by 23 runs.

Just received: copy of the "Big Push" letter, with a historical account of the author; price 2 cents. Also, Bow Bells for Sept., London Journal for Aug., and Every Month for Sept.

There will be a grand mass meeting of temperance workers of the counties of York, Peel and Ontario, on the Agricultural Grounds, Markham Village, on Thursday, the 14th of September next.

A few of the usual number of those who have been in the habit of blocking up the walks at the Methodist Church gate, after Sunday evening service, took our hint of last week, and have given up that reprehensible practice.

The Country Gentleman states that at the Centennial Exhibition, among eleven varieties of wheat, the Clawson was allowed to be the best; it also being an early kind. We have a sample of this wheat, given by Mr. Weldrick, which we shall be glad to show to any one. Please see advertisement.

We notice other papers offering inducements to subscribers, and as we are determined that THE HERALD shall have the largest paying subscription list in the county by the end of this year, we make the following offer to new subscribers: THE HERALD will be given from the present time until December 31st, 1877, for \$1.25 cash in advance.

During the midsummer holidays, a stalk of corn has grown very rapidly in the school grounds here. The roots reached down through the gravel walk in front of the High School steps for nutrition, and it had grown to a height of 8 feet 4 inches, until Wednesday last, when the schools re-opened, and before nine o'clock it succumbed to the devastating scourge which follows the school boy.

Nothing can be fairer than Mr. Daniel F. Beatty's mode of doing business, and which evinces his confidence in the superiority of his instruments over all others. He warrants his pianos and organs for six years, gives a five day's test trial, and refunds money if purchaser is not satisfied. By this means his instruments are brought into competition with others, and invariably come out victorious. Address all communications to Daniel F. Beatty, Washington, Warren County, N. J.; U. S. A. See his advertisement.

The fire, noticed in last issue, in Mr. Rumble's clearing, near Patterson, did not stay put out, but, on the 10th became more dangerous than when at first noticed, and was got under that day without much damage. On Tuesday last it again broke, and threatened crossing a field of dry peas, and extending to Messrs. Patterson Bros. wood, which is piled on the side line, and owing to the high wind prevailing at the time might also have extended to the works. As everything is very dry now, such a fire is very dangerous.

LACROSSE.

On Saturday afternoon last, a most exciting Lacrosse match was played on the fair ground, in this village, between the Wellington Club, of Toronto, and the Young Canadian Club, of this place, before a large assemblage. The games were well contested, both clubs being evenly matched, and the playing on both sides being excellent. The first game lasted 1 hour and forty minutes, and resulted in favor of the Young Canadian Club, the ball being put through the flags by J. Wiley. The second game, although not so long, was as well played, and resulted again in favor of the Young Canadians, the ball being thrown through the goal by D. Pugsley. Time, 20 minutes; The third game was also won by the Young Canadians, A. Teedy sending the ball through the flags. Time, 25 minutes. Three cheers being given for each club, they repaired to the Robin Hood Hotel, where refreshments had been previously ordered by our club; after which the Secretary of the Wellingtons presented the Captain of the victorious team with the following address:

"To the President and Members of the Young Canadian Lacrosse Club, of Richmond Hill.

"GENTLEMEN,—It is not often that so young a club as ourselves is so honored by an acceptance of a challenge by such an esteemed club as that with which we have played our National Game; but knowing that the urbanity of the members of that club to be such, it gave us more confidence in challenging them than we should otherwise have had. And then, when our challenge was so graciously accepted, and now, when we have been so hospitably entertained by the members of that club, our high opinion of them has been greatly strengthened.

Lacrosse is a game of which all we Canadians should be proud; a game which dates back almost further than any game of any country of the world; and although, but now lately revived, is the same noble game as was played by the inhabitants of this vast territory when our Pilgrim Fathers first landed on the shores of our ancient capital—Quebec. And although a vast space of time has intervened, no abatement of the sports and friendly propensities of the game has been created.

In the present instance, when we, the members of the Wellington Lacrosse Club, of Toronto, have been so highly honored by the acceptance of our challenge, we sincerely hope the friendly propensities of the game may be fully developed, and will last between us for many seasons to come."

Signed on behalf of the Wellington Lacrosse Club, of the City of Toronto.

HARRY P. DAVIES, President.
W. J. FULLERTON, Captain.
A. S. HOLLOWELL, Secretary.
HERBERT C. COUCH, First Committee.
Dated 12th Aug., 1876.

The Toronto boys then left for home, highly pleased with the manner in which they had been entertained during the day.

EXCURSION.

On Thursday of last week, a party of excursionists, comprising the merchants of our village, and citizens in general, including the Fire Brigade Band, besides others from the neighborhood, numbering in all about 200, left for a trip around Lake Simcoe to Orillia. The party left here by Proctor's stage line at 7 a.m., taking the cars at the Richmond Hill Station at 8:10 and arriving at Bell Ewart at 10, where pretty steamer Lady of the Lakes took the party on board. The beautiful scenery along the shores, combined with fair weather and music by the band, made the trip across the lake a very pleasant one. On landing at Orillia, at 1 p.m., part of the company proceeded to the Russell House for dinner, which was not altogether of the best. At 2:30 the steamer started on her homeward trip, arriving at Barrie at 5, where an hour was afforded to "do" this stirring town. A 6 the party took the train, arriving home at 9:30 highly delighted with the enjoyment provided on the occasion of our first Civic Holiday.

City Items.

As Mr. Badgerow, barister, of Toronto, was out driving on Thursday of last week, he met with an accident. His horse becoming frightened, made a sudden dash, overthrowing the carriage and breaking one of Mr. Badgerow's limbs.

On Thursday of last week a man named James Robinson, who resides at Eglinton, was knocked down and run over by a cab near the Queen St. Avenue. Robinson, who was evidently under the influence of liquor, was picked up and conveyed to the General Hospital, when it was ascertained that he was not seriously injured.

Stouffville.

Mr. John Macklem and daughter, of Whitechurch, had a narrow escape from being killed on Friday last, while crossing the railroad track on their way home from Stouffville, a gravel train which had just started from the water tank, ran against them, smashing the buggy and injuring the horse so much that he had to be shot. Mr. Macklem escaped with a few bruises and scratches, and a Miss Macklem remained unhurt. It is a mystery how they escaped as the buggy was thrown against a post and building at the side of the road, and the father and daughter thrown under the buggy. The buggy was a covered one and prevented its occupants from noticing the approach of the train, hence the accident.

HUCKLEBERRY COURT.

We paid a visit to the above Court, on Tuesday morning, and it certainly belies not its name. Many a time and of would parties gain, not only in pocket but in temper, by submitting to loss rather than have cases of a petty nature brought into Court,—but then there is principle at stake.

The first case was a suit for the value of a second-hand reaping machine, valued at about twenty dollars. The defence was ably conducted by Chas. Durand, Esq., from Toronto, who made the most of every technical objection. Judgment for ten dollars and costs for the plaintiff.

The second case was for the value of a like sum. The same gentleman defended this case sufficiently well as to have it put off until next Court. This, with two or three other cases, completed the business of the Court, which was presided over by Mr. Delamere, of Toronto.

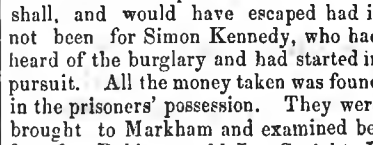

Markham Village.

A series of burglaries was committed in this village on Saturday morning, which were boldly carried out, but fortunately the depredators were captured. Archd. Barker's residence was first entered. The burglars got into his bedroom and abstracted \$50 from his pants. They afterwards entered the Wellington Hotel, and Jas. Barker's and Miss Cooksley's residences, but were frightened off without obtaining anything. They then entered the house of David Armitage. Getting into his bedroom they took a cash box containing about \$20 out of a bureau drawer, and also a cigar box, which was under the bed, containing several dollars in coppers. The entrances into the various houses were effected through windows. Mr. Armitage got up early in the morning, and saw what had happened. Shortly afterwards Mr. Barker discovered the loss he had sustained. A rain had fallen during the night, and Mr. Armitage, from the prints of the burglars' footsteps, was able to track them to the track of the Nipissing Railway. Constable Marshall was instructed to proceed in the direction of Toronto to intercept any men that had a suspicious appearance. He was afterwards joined by Constable Meek. When near Agincourt station they arrested two men on searching them found the missing money. While searching them one of the prisoners struck Marshall, and would have escaped had it not been for Simon Kennedy, who had heard of the burglary and had started in pursuit. All the money taken was found in the prisoners' possession. They were brought to Markham and examined before Jas. Robinson and Jas. Speight, J. Ps., who committed them to Toronto gaol to stand their trial at the next court of competent jurisdiction. The names of the prisoners are John O'Donnell and Wm. Lapier, who are supposed to be old offenders.—Globe.

Yorkville.

On Wednesday evening of last week a very sad affair happened, resulting in the sudden death of a little boy, a son of John Ford, builder, residing on Clinton avenue, in Mount Pleasant, Yorkville. There were some men engaged in cleaning the well, which is 68 feet deep, and the little fellow was standing beside them. Suddenly, without any warning, he stumbled and fell into the well, from which the men had removed the pump, leaving the descent without obstruction. He was found at the bottom quite dead. He appeared to have struck his head against a projecting stone in the passage. There is no blame attached to any of the workmen on the ground. His fall is explained by his father saying that the boy had the whooping cough, and a prooxysm having seized him he had staggered and fallen as he did, as he was an intelligent little fellow of five years, and not likely to have ventured rashly too near the mouth of the well. There will be no inquest.
