

Markham Correspondence.

Our village has not been so flat for many years, our grain buyers having butted up from the experience of two years ago when they had a constant falling market. It is the general opinion that they might have done better this year; at all events the stockkeepers have suffered from lack of business. In spite of the prevailing stagnation, new buildings are going up, most of them completed. Mr. Ash, tailor and clothier, has just entered his new and elegant premises, and that renowned Knight of the thimble, old Brown, may be seen squatted on the boards, plying his vocation from morning to night.

The district has been greatly scandalized of late by the sudden disappearance of two parties for uncle Sam's Dominion, one a saddler in the village, the other a farmer on 10th con., of the name of Hopkins. The former was a solid Presbyterian, having a good business and esteemed best worthily; he has left a wife and child behind him. The other owned a capital farm and was considered respectable and well to do, and held the office of Deacon in the Baptist church. Than those two men, King Dunkin had no better town posters in his whole Dominion, but profession is one thing, and performance another. Hopkins' furniture was seized on Tuesday, the 13th inst., at the Scarboro Junction bound for Ogdensburg, but he and his family were safely over, leaving a number of disappointed and down-cast seekers.

We have just lost an old and esteemed resident of upwards of forty years, Robert Armstrong, Esq., at the ripe age of eighty-two. He was in health and action till about a fortnight ago, when he caught a chill which issued in fever and ended in death. His brother, the Captain, still lives and enjoys remarkable health for a man of eighty-six. The Armstrongs a numerous, worthy and successful family, emigrated from Longtown, Cumberland, nearly half a century ago, and doubtless came of the celebrated tribe who long ruled the debatable land in days of yore.

The writ for the new election in Quebec East was despatched from Ottawa, Friday afternoon, 9th inst. The nomination was held on Wednesday, the 21st inst. Hon. Mr. Laurier will be opposed by Mr. Feargusson. The local election in Quebec West will be contested by Mr. Ahearn, Liberal, and Mr. R. Ahearn, Conservative.

EPPE'S COCOA - GRATEFUL AND COMFORTING - By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has prepared his breakfast tables with a delicately flavoured beverage, which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and properly nourished frame. - Civil Service Gazette. Sold only in packets labelled - "JAMES EPPS & CO., Homoeopathic Chemists, 48, Threeneedle Street, and 170, Piccadilly, London."

HOLLOWAY'S PILLS & OINTMENT

The Pills purify the Blood, correct all disorders of the Liver, Stomach, Kidneys and Bowels, and are invaluable in all complaints incidental to Females. The Ointment is the only reliable remedy for Bad Legs, Old Wounds, Sores and Ulcers of long standing. For Brucellosis, Diphtheria, Croup, Colds, Croup, Rheumatism, and all Skin Diseases it has no equal.

BEWARE OF NEW YORK COUNTERFEITS. Spurious imitations of "Holloway's Pills and Ointment" are manufactured and sold under the name of "Holloway & Co." by J. Henry Curry & Co., Druggists, and also by the Metropolitan Medicine Company of New York, with an assumed trade mark, thus - Again one Joseph Haydock, or wise names of New York, like counterfeits of his own make under the name of "Holloway & Co." having for a trade mark a Crescent and serpent; McKesson & Robbins of New York are agents for the same.

These persons, the better to deceive you, unblushingly caution the Public in the small books of directions affixed to their Medicines, which are really the spurious imitations, to Beware of Counterfeits. Unsuspicious Dealers obtain them at very low prices and sell them to the Public in Canada as my genuine Pills and Ointment.

I most earnestly and respectfully appeal to the Clergy, to Mothers of Families and other Ladies, and to the Public generally of British North America, that they may be pleased to denounce unsparringly these frauds.
