Who Hired the Band?
SETTLED AT LAST.
Mossley, Oct 14th, 1878

To the Editor of the Herald.
Sir—I see by your last issue that some of the readers of the Herald are anxious to know who hired the Richmond Hill Band for that great Grit picnic at Unionville. Now, Sir, I will try to relieve their minds by stating that Mr W Trench closed the bargain with me, and told me that the Band was to go, as he was sure that they could raise the needed easy enough. I hope that this will satisfy your readers, and that the Liberal (Mr) will not see the public by Joseph Haydock of New York, who is using my name in making and selling spurious Holloway's Pills and Ointment.

He calls himself the Agent of Professor Holloway, for the United States. Now he has no connection whatever with me, and the whole thing is a fraud.

Efforts are constantly being made for payment of his advertisements, believing that he is acting for me.

It has taken the greater part of a long life-time, with many anxieties and cares, to accomplish what I have done, and you will no doubt, Sir, consider it most unjust that this Joseph Haydock should, unconsciously, be aided by the Newspaper Press of British North America, in practicing this deception.

He has the effrontery to insert in the FAMILY HERALD and WEEKLY STAR of Montreal, on August 23rd, 1878, an exact copy of one of my advertisements, and calling himself the Agent for the United States.

The Trade Marks of my medicines have all been registered at Ottawa.

I remain with great respect,
Your most obedient servant,
THOMAS HOLLOWAY.

Holloway's Pills and Ointment.
The following letter from Mr. Holloway, explains itself. It should be carefully perused by all.
63 Oxford Street, W. C.
London, Sept. 21, 1878.

To the Editor of the Herald.
DEAR SIR—Will you be pleased to allow me to invite your attention to a gross fraud which is being practiced upon me and the public, by JOSEPH HAYDOCK of New York, who is using my name in making and selling spurious Holloway's Pills and Ointment.

He calls himself the Agent of Professor Holloway, for the United States. Now he has no connection whatever with me, and the whole thing is a fraud.

Efforts are constantly being made for payment of his advertisements, believing that he is acting for me.

It has taken the greater part of a long life-time, with many anxieties and cares, to accomplish what I have done, and you will no doubt, Sir, consider it most unjust that this Joseph Haydock should, unconsciously, be aided by the Newspaper Press of British North America, in practicing this deception.

He has the effrontery to insert in the FAMILY HERALD and WEEKLY STAR of Montreal, on August 23rd, 1878, an exact copy of one of my advertisements, and calling himself the Agent for the United States.

The Trade Marks of my medicines have all been registered at Ottawa.

I remain with great respect,
Your most obedient servant,
THOMAS HOLLOWAY.

Fire at Clover Hill!
About 8 o'clock on Saturday night, 5th inst., a fire broke out in the driving-stable belonging to Mr. Size, Clover Hill. It is thought by many that the fire was the work of incendiaries. The following are the losses:—P. Size, loss on buildings, \$800, covered by insurance; John Stephens, loss on dwelling and contents, \$500; insured for \$500; John Higgins, loss on dwelling, \$600 insurance not known; P. T. Hipwell, loss \$400, no insurance.

SALE BILLS—If you are about to have a sale you cannot do better, in style or price, than at this office.

Some of the Aurora's talented critics do not think much of the talent displayed by Ward's Newmarket class, who rendered "Queen Esther" in that village a short time ago.

New Glove Factory.—A very important branch of industry has just been started in this village—that of the manufacturing of all kinds of kid and buck gloves, mis and gauntlets.

MISSING.—A telegram sent to the Toronto papers, the beginning of this week, says: "James McCabe, of the township of King went to Toronto on Friday last with a load of wheat, and has not been seen since. He had \$125 with him, is not likely to run away. It is feared that he has either met with an accident or received foul play."

HANLAN'S WINNINGS.—The Hanlan Club is putative father of the statement that Hanlan has won \$11,965 from this year's racing, acquired as follows:—from the Plummet race, \$1,250; from the Morris race, \$1,865; from Brockville regatta, \$500; from the Ross race, 650; from Barrie regatta, \$1,200; from the Courtney race, \$6,500. The club receipts are said \$4,000, a d out of his training expenses, equipment, travelling, &c., have been paid. The club thinks that Hanlan ought to get a homestead now from the country. He deserves it.

BEWARE OF NEW YORK COUNTERFEITS.
Spurious imitations of "Holloway's Pills Ointment" are manufactured and sold under name of "Holloway & Co." by J. E. Henry, Curran & Co. Druggists, and also by the Metropolitan Medicine Company, New York. Again one Joseph Haydock of New York, like counterfeits of his own make of "Holloway & Co." having for a trade mark a Crescent and serpent; McKesson & Robbins of New York are agents for the same. These persons, the better to deceive you, are blindingly cutting the Public in the small books of directions affixed to their Medicines, which are really the spurious imitations, to beware of Counterfeits.

Unscrupulous Dealers obtain them at very low prices and sell them to the Public in Canada as if genuine Holloway's Pills and Ointment. Most earnestly and respectfully appeal to the Clergy, to Mothers of Families and other Ladies, and to the Public generally of British North America, that they may be pleased to denounce unscrupulously these frauds.

Each Pot and Box of the Genuine Medicines bears the British Government's Stamp, with the words "HOLLOWAY'S PILLS AND OINTMENT LONDON," engraved thereon. On the label is the address, 53, OXFORD STREET, LONDON, who alone they are Manufactured.

Parties who may be defrauded by Vendor selling spurious "Holloway's Pills and Ointment," as if genuine make, shall on communicating the particulars to me, be amply remunerated, and their names never divulged.
