Read the letter from "A Goat," to be found in another column. It seems Goats are fond of oysters as well as Sheep.

A Shooting Match took place at Long's Hotel, Thornhill, on Wednesday of last week. Some 260 pigeons were provided.

The funeral of Mrs. Wiles, of Thornhill, who died on Friday last, took place on Sunday, and was largely attended by friends from Toronto, and this neighborhood. Deceased who resided in Thornhill for a great many years, and was highly respected by all, was buried at Richmond Hill.

A "correspondent" believes that Badgerow had considerable to do with causing Mr. Long, of Thornhill, to be tried for selling liquor a short time since, and that he is now trying to make capital as a persecuted man, because he caused himself to be summoned as a witness. It is not only possible that our correspondent has got his eye on "the Ethiopian in the fence," but there is also a strong probability that such is the case.

PARTY.—A very pleasant time was enjoyed by the young ladies and gentlemen, who assembled on Friday evening last, at the residence of Mr. Thomas Wilson, to welcome the arrival home of Miss Letitia who has been residing with her brother at Markdale for a few months. A large number of friends were present, and different kinds of games and amusements were indulged in.

They decided to hold their spring fair and plowing match at Unionville. Their next meeting will be held at Unionville, on Saturday, the 6th day of April next, and make arrangements for the spring show.

FUNERAL.—The death of Mr. George Patton, farmer, let Con. Starnboro, has caused a deep and widespread sensation. After a sudden and violent attack of constitutional derangement, he was taken to the asylum, where he soon expired at the green age of 67 years. On Friday 1st inst. was buried in the cemetery adjoining the Kirk, where he had long been a regular and devout worshipper. The attendance was unusually large and the services impressive.

The Ontario Parliament was prorogued on Wednesday last.

Mr. W. Gibbs has been nominated to contest North Ontario for the Dominion House by the Conservative Convention.

Thornhill.

(From our own correspondent) PRESENTATION.—The house of Mr. Brunwell, of Thornhill, was taken possession of on Friday evening last, by a goodly number of friends. The meeting was for the purpose of making a presentation to Miss Brunwell. Several of the friends of the Presbyterian Church, appreciating her valuable services as organist assembled, when the Rev. J. Campbell in the name of the friends present, presented Miss Brunwell with a very fine Work-box, and also a beautifully bound Bible. Baskets being there in abundance a fine tea was enjoyed, and a very pleasant evening spent.

Buttonville.

(From our own Correspondent) SPELLING CONTEST.

A Grand central spelling contest will be held in the Bartonville Public School, on the evening of the 21st inst., commencing at 7:30; and all Public Schools in the Township of Markham, west of the 6th con, with the Union Public Schools, along Yonge street where any pupils attend from the said township are cordially invited to take part in the contest, and compete for the following prizes, which will be given. The first prize to consist of ivory and silk bound Poems, to the value of five dollars; also a second prize, relatively as low, to the value of three dollars; and a third prize, to the value of two dollars. The contest will be conducted strictly by uninterested parties. Spelling to be taken from the Second, Third and Fourth Reading Books. The Reeve of the township, Mr. Wm. Eakin, has kindly consented to occupy the chair for the evening. Admission, ten cents. Proceeds for the benefit of the school.

Markham Village.

(From our own Correspondent) East York has certainly been astonished, his member, Mr. Boulbee, has made a speech in the House of Commons. In the history of this Riding, since the days of Wm. Home Blake, this is the third speech our member has ever made. Mr. Amos Wright once asked a question in four words, and Mr. Metcalf made a bold attack on Sir A. T. Galt when that gentleman was absent. What annoys the Grits so much, is that Boulbee can make a speech with some sense in it. They have been so long used to a nonentity, they think that there must be some mistake. Wright and Metcalf's names only appeared in the division and pay list. East York has certainly been long patient. Mr. Baugher has been out among his expectant constituents, and has been wielding the veritable plow-handle he laid aside when he went to study law. George Washington Badgerow—the two first names would make a good candidate, and benefit the people into thinking that the great American Statesman had returned to mother earth again—but the last causes the delusion to vanish. The Grits are already getting shaky over their chances. The Economist will soon commence printing his written speeches, supposed to be delivered, by his acolyte, Dr. F. R. Armstrong, an announcement of the Economist. It may scorn the imputation as such as he pleases, but it is true, nevertheless, that any article, unless copied, that is worth anything, is not penned by him. The Economist is threatened with a libel suit, for an attack on Dr. Doherty, in connection with Municipal matters. It won't take back water, but is willing to let the question go before the Courts.

The Reeve still evinces a thorough knowledge of Municipal affairs, good judgment and a controlling influence at the Council Board. He would have been a much stronger candidate than Badgerow for the Local.

The Dunsin Act in talked about and if the By-law is squashed there will be a new election in this corporation of ours. I wand off for want of time. Yours, etc.

DANDELION.

York County Court.

Jas Macdonald brought an action against Mr. Jas. Tolson, J.P., of Yorkville, for false arrest. Tolson had put him in the lock up for some three hours, for roadwork. He claimed \$200 damages. The jury awarded him \$75.

At the County Court, in Toronto, last week, a case between Mr. John Palmer, of this village, and Mr. Severn, Brewer of Yorkville, was tried. From the evidence it appears that Palmer sold seven a quantity of barley, at \$1.02 per bush, cash. Severn denied agreeing to pay this price, in cash, but was willing to allow it to be eleven of the jury were in favor of allowing Palmer \$1.02 cash, while the remaining jury would not allow over 96 cents. The case was adjourned until the mid-summer Court.

Spence of Aurora, who was arrested on the charge of robbing and chloroforming Creeley last January, was dismissed, the jury finding him not guilty.

ANOTHER PATRIARCH GONE

Died in peace, at Buttonville, on Tuesday the 11th ult., in his 84th year, John H. Silver, who was the first white child born in the now populous and wealthy Township of Markham in the County of York. His parents emigrated from Hanover, and settled in Markham in 1774 and were amongst the first settlers whose early struggles and privations were intense, and not likely to be endured again in any portion of Ontario.

It is announced that Hon. Harcourt B. Bull of Hamilton has been appointed to the Senate to fill the vacancy occasioned by the death of Hon. Donald McDonald a short time since.

York Township Council.

The Council met at the Council Chamber, Eglinton, on Monday forenoon of last week, all the members being present. The minutes of the previous meeting were read and adopted. A number of petitions, accounts, and communications were read, after which Reports were received from the Township Auditors re Treasurer's accounts; from the Township Engineer, re bridges over East and West Branches of the river Don; and from Commissioners of streets and sidewalks at Weston. The Clerk was instructed to give the necessary notices for opening a road at York Mills. Also to prepare a deed of conveyance from James Riley to the Corporation. The Township Engineer was instructed to examine and report on the cost of opening a road of Lots 35, 37, and 38, 3rd con. from Day; also to examine the allowance for road in front of the 3rd con, from the Day and ascertain if it can be opened; also to advertise for tenders for the construction of bridges over the Don at front of lot 5, 2nd con East York, and at lot 20, 2nd con West York, also in connection with Commissioners for the construction of a bridge at Chapman's Hollow, town line of York and Scarborough. The Council appointed the Reeve and Mr. Jackson a Committee to confer with a Committee appointed by the Council of Parkdale in reference to the proposed disposition of the personal property of the late Union. Messrs Wm. Lea, Jan. Calmore, and Geo. Calmore were appointed Commissioners to superintend the gaveling of Pottery Hill. By-law No. 543 was passed, appointing Messrs James Taylor, Hugh Wilson, and Robert A. Hunter commissioners to superintend the building of the bridge at Chapman's Hollow in conjunction with the Township Engineer. By-law No. 550 was passed, granting the following sums for contracts made in 1878:—Joseph E. Sheppard, \$4; David Kennedy, \$20 30; James Redford, \$2 00; John McCarty, \$58 50; John Bailey, \$30; John Davis, \$60 27; Clarence Pennock, \$19; Peter Malloy, \$10; John Emeryman, \$10 65; G. A. Mohr, \$3; D. Mohr, \$59 75; James Armstrong, \$20 32; Joseph Sheppard, \$21 00; Alex. Rodgers, \$20; John Calmore, \$20; John Hales, \$40 00; George Pennock, \$10; Henry Switzer, \$20; Moore Bros., for painting, \$48 25; By-law No. 551 was passed, granting aid for indigent persons, \$124 in all, \$116 81. The Council then adjourned, to meet again on Monday, March 17.

County News

Dr. Wildfield has received the unanimous nomination of the North York Reform Convention, for the Local House.

PERSONAL.—On Saturday last a few of Mr. A.H. Wilson's friends gave him a farewell supper at the Franklin House on the eve of his departure for Bradford, where he has taken a situation. Many speeches were made in a flattering manner, and to the toast of the evening, "Our Guest," Mr. Wilson made a most happy and feeling reply. Article bears the best wishes of all for a happy and successful future.

AN EXTRAVAGANT REWARD.—A news-boy found a legal document on the street, Monday morning, and was instructed to take the paper to Judge Mackenzie, who upon examination, found that it was a valuable mortgage belonging to Jacob Morden, of Richmond Hill. The owner was found, and rewarded the lad with the magnificent sum of five cents. The conduct of the generous boy having been reported to Judge Mackenzie, he commented at some length on prisoners people, after which a sum of money was subscribed, and placed in the hands of the Chief of Police to be given to the lad.—Mag.

EVAN'S SWEETHEART.—A case of emotion occurred in the neighborhood of Vivian last week. The parents of the infant went on a visit to the house of a friend to show them the new baby. On removing the clothing, after arrival, they discovered that the little one was dead in their over-cautionness to protect the infant from cold; had been smothered.

RENEWAL.—Mr. Ira Badgerow of the 9th Concession of which he had met with the following peculiar accident while out driving the other evening. His horse took fright and suddenly broke loose from the cutter, taking the shafts with him. Mr. Badgerow and his companion were left in charge of the cutter. The horse was not found till next morning.

FEDERAL BANK.—An Agency of this bank has been opened in Newmarket. Quietly, and without any public intimation, the Agency of the Consolidated Bank of Canada in this place was withdrawn on Saturday 1st and simultaneous therewith and just as quietly, an Agency of the Federal Bank was substituted therefore. Joseph Cuthbert, Esq., late Manager of the Consolidated, will continue to sustain the same relation to the Federal Agency here—only less honorably, as it is a property furnished to him by the Federal Bank. He is now a good business at this point, and although we have no special reason on the whole, to complain of the Consolidated we are free to confess the substitution of the Federal in place thereof, makes us feel sorry one cent. Mr. Norton also continues in the new Agency as Cashier.—Eva.

FIRE.—We regret to learn that the valuable saw-mill of Mr. Robt. McCormack, of Vivian was destroyed by fire on Sunday the 2nd inst. by a calamity that will deprive a number of persons of work for some time, and entail a heavy loss on the proprietor. The cause of the fire seems to be a complete mystery, although the supposition is that it was the work of an incendiary. There had been no fire in the mill for a long time previously, as it had been standing all winter. A good stock of logs had been got in and preparations were being made to commence the season's cut when the fire took place. The mill was a valuable one, containing besides the ordinary machinery a shingle mill and other fixings. The loss will be about \$200. Insured for \$200. We have not learned whether it is the intention of the proprietor to rebuild or not.—Reformer

The Newmarket Eva of last week nominated James Parmen Esq., for the Local House, and in alluding to the political situation of the Reform party in North York says, "Fortunately, the differences existing are not so wide spread as to preclude possible adjustment; but unless arranged before entering upon another contest, may become so uncontrollably outreaching as to paralyze future efforts in that direction for years to come."

GENERAL NEWS.

The British squadron is to be immediately withdrawn from the sea of Larnora. In the Nova Scotia Bill of Legislature, Monday, the Provincial Secretary gave notice that he would introduce a bill to abolish the Legislative Council. It is stated that the King of Spain has signed a decree for the solution of the Cortes, and that the new Cortes will be summoned to meet on the 10th of May. General Grant has arrived at Calcutta, and is the guest of the Viceroy. Prince Arthur has become a subscriber to the Brant Memorial Fund. A report in which entire confidence cannot be placed, states that two English battalions of about eleven hundred men were completely defeated by the British troops at a place called at Logna, at the foot of the Khonk mountains, sixty miles south of Gazni, Afghanistan. A meeting of cattle exporters was held in Toronto on Monday, at which the opinion was expressed that the disease under which the cattle laboured which were recently slaughtered in Liverpool was caused by deficient ventilation on shipboard. A resolution was passed recommending the Government to appoint inspectors to examine the vessels engaged in the cattle carrying trade. A resolution was also passed approving of the action of the Government in prohibiting the importation of United States cattle. An opinion very largely prevails, where they were founded or not time can alone tell, that the Ontario elections will be brought on during the month of April next. The fact that most of the constituencies represented by friends of the Government are getting ready for the contest, gives coloring to this probability. We see by the Canada Gazette application will be made to His Excellency The Governor General in Council, by the persons hereinafter named, for Letters Patent under the Great Seal, constituting them and such other persons as may become shareholders in the Company a body politic and corporate under the provisions of "The Canada Joint Stock Companies Act, 1877." 1. The proposed corporate name of the Company is The Publishing Company. 2. The purposes for which incorporation is sought are for the manufacture, publication and sale of books and school requisites in Canada. 3. The place within the Dominion which is to be the chief place of business is the City of Toronto, in the province of Ontario. 4. The intended amount of capital stock is the sum of one hundred and fifty thousand dollars, divided into one hundred and fifty shares of one thousand dollars each. The names of the applicants are William Cooper Campbell, of the said City of Toronto, Merchant; William Darling Taylor, of the same place, Merchant; Arthur Brindley Lee, of the same place, Merchant; Walter Sutherland Lee, of the same place, Manager of the Western Loan and Savings Company; John Skirving Ewart, of the same place, Barrister; James Campbell, of the same place, Merchant; and John Leys, of the same place, Merchant, all of whom are subjects of Her Majesty by birth. And the five of the said applicants who are firstly above mentioned being all residents in the Dominion of Canada, are to be the first or provisional Directors of the Company.

EPPS' COLICA.—GREATFUL AND CONFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided his breakfast table with a delicately flavoured beverage, which may save you many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by getting ourselves well fortified with pure blood and a properly nourished frame. "Civil Service Gazette," 14th Oct. in packets labelled—"JAMES EPPS & CO., Homoeopathic Chemists, 48, Theobalds Street, and 170, Piccadilly, London."

33rd Year THE WITNESS

One of the most important features of the Witness during the year 1878, was the issue of free lectures on agriculture, by W. E. Clarke of Lambton, Quebec, late editor of the CANADA PATRIOT. These lectures were held in the city of Toronto, and were the most valuable and interesting ever given in this city. The lectures were reported in the Witness, whose value as a source of information within the past few months, being greatly enhanced.

The Witness is devoted to temperance, being the principal organ of that cause in Canada, and to all other moral and social reforms, as well as to the furtherance of Evangelical religion. Another special feature of the Witness during 1878, will be the attention paid to its engravings, which already are numerous and important. Portraits of the prominent men throughout the world will be given, and the paper will contain numerous illustrated articles of much interest and value, as well as selections from the humorous art of the day.

The fullest attention will be paid to news, so that the Witness may retain its present reputation as a newspaper. The household and general literary departments of the Witness have always been a prominent feature of the paper, and they will be continued on the same scale as heretofore. The Witness contains much valuable information about everything necessary to make the household bright, pleasant and comfortable. The price of the different editions of the Witness is as follows: per day, 1 cent; per week, 6 cents; per month, 18 cents; per quarter, 50 cents; per year, \$5.00. In addition to these, the publishers of the Witness are prepared to furnish, for all over North America, on its circulation of over 20,000, free lists. In homes remote from usual accommodation, it supplies the whole family reading, while in cities, towns, and villages everywhere, it is the favorite of the young people, who find it an endless source of amusement and enjoyment. Its price is but 20 cents a year, including postage. To Sunday schools and clubs it is sent at the following rates: 10 copies to one address, \$ 2.50 per an. 25 copies to one address, " 6.00 " 50 copies to one address, " 11.00 " 100 copies to one address, " 22.00 " All persons desiring to subscribe themselves in obtaining subscriptions for the Witness, will receive a sample copy and terms on application. Every letter answered.

ELECTORS OF West York

I had the honor of being nominated to contest this Riding at the next election for the Ontario Legislature, and I may say that, considering the reckless extravagance of the present Government in expending during the past five years, Two Million Seven Hundred and Thirty-five Thousand Dollars more than the revenue amounted to, as shown by the annexed figures, it is time we had a change in the management of Provincial affairs. Pledging myself, if elected, to use every endeavor to largely reduce the expenditure, I respectfully solicit your vote and influence.

Yours truly, WILLIAM TYRRELL.
