NEW ADVERTISEMENTS Money Wanted—Reynolds & Newton. A Great Bargain—THE MAIL.

The York Herald. Richmond Hill, Ont.

THURSDAY, SEPT., 30, 1880.

The Cash System.

As one of our leading merchants announces in our advertising columns, there is a new departure at his establishment. The old credit system, so long in vogue, and which so persistently clings to trade, will be discarded on the 1st of October, and business thereafter will be conducted on the cash principle.

It is of course apparent to every one that goods can be sold much cheaper when the cash system is adopted. As business is now carried on, many persons pay cash or its equivalent, while many others get trusted and never pay at all.

NOTES.

The Ottawa Free Press does not approve of the endeavor of the banks to induce the government to reduce the interest allowed on deposits in the post office savings bank.

Mr Langmuir has published the result of his enquiry into the charges made so freely against the officials of the Penitentiary reformatory of cruelty to a negro lad named Morgan, who died at that institution on the 10th of August last.

Auction Sales.

TUESDAY, OCT 5th, 1880.—Auction Sale of Stock and Furniture, the property of Mr W White, Victoria Square.

FARM FOR SALE.—On Thursday, Sept. 30th, 1880, Lot No 10, 7th Con. Markham, the property of Mrs E Barker, will be offered for sale by auction at the Markham Agricultural grounds.

The Late Mr. Joseph Fleury.

Funeral Services at Aurora on Saturday.

AN IMPOSING CORTEGE—MASONIC CEREMONIAL AND RESOLUTION OF CONDOLENCE.

At one o'clock on Thursday morning, Mr J Fleury, of Aurora, departed this life. He was born on lot 69, 1st Con. Yonge St., on the 7th of Dec., 1832.

Aurora Sept. 25.—The funeral of the late Mr Joseph Fleury, Reeve of this village, ex-Warden of the County, and a member of Rising Sun Lodge of A F & A M, took place here this afternoon.

It is of course apparent to every one that goods can be sold much cheaper when the cash system is adopted. As business is now carried on, many persons pay cash or its equivalent, while many others get trusted and never pay at all.

Interesting Letters.

Victoria Square Lawn Social.

To the Editor of the Herald: Sir.—The Lawn Social given by Mrs Nichols and Mrs Lawson, came off on Wednesday evening, Sept. 22nd, on the grounds of the former, which were beautifully illuminated with Chinese lanterns.

The night was all that could be desired, and the Social was a grand success. At about 6.30, p. m. the grounds were dotted with the visitors, who were eagerly awaiting the good things provided for them.

The amount realized was \$34.00, to be applied toward the building of the new Methodist Church at this place.

Thanking you Mr Editor for your valuable space,

ONE WHO WAS PRESENT. Victoria Square, Sept., 25th 1880.

Hugh McLaughlin, who killed Alex. Fraser, in the village of Markham, in June last, in a drunken brawl, has been found guilty of manslaughter at the Grey Assizes.

King Township Show at Schomberg on the 19th and 20th of October.

Royal Arcanum.

A second meeting of those interested in organizing a Council of the Royal Arcanum Society, was held in the Masonic Hall, on Tuesday evening last.

The objects of the order are:—To unite fraternally all men of sound bodily health, and good moral character, who are socially acceptable, and between 21 and 60 years of age.

To educate its members socially, morally and intellectually, also to assist the widows and orphans of deceased members.

To establish a fund for the relief of sick and distressed members.

To establish a Widows' and Orphans' Benefit Fund, from which, on the satisfactory evidence of the death of a member of the Order, who has complied with all its lawful requirements, a sum not exceeding three thousand dollars shall be paid to his family, or those dependent on him, as he may direct.

The cost of joining the Society is \$5 for initiation fee, and \$2.50 for medical examination and other fees.

Members can insure their lives for either \$1,500 or \$3,000. A member joining at 21 years of age would pay about \$17 annually as a premium on the \$3,000 insurance.

Members are only admitted between the age of 21 and 60, and every member has to pass a very strict and most searching medical examination.

This Society was only started three years ago, and has reached a membership of over 26,000. There are several thousand members in Canada.

After some further remarks from those present, it was moved by Mr Wm Trench seconded by Mr John Coulter, senr., that Messrs R E Law, A Wilson, and D T Fairbairn, be a committee to canvas for members, and when a sufficient number are secured to insure the granting of a charter, that the committee call a meeting and take the necessary steps to have a Council organized.

The meeting adjourned.

Markham Items.

Gleaned from the Economist.

MARKHAM FAIR.—Preparations are being made for the Fair to be held at Markham Village, on the 7th and 8th of Oct. Special prizes to the amount of \$400 are offered.

Messrs Foy and Mason, two young men of Markham Village, left on Tuesday last for Shelburne, where they are going into business. The business men of Markham, gave them a supper, on Monday evening, and the Economist speaks very highly indeed of their character.

FIRE.—Tuesday, just as the men had come in to dinner, the house of George Miller, jr., "Riggfoot Farm," Lot 16, 10th Con. Markham, was discovered to be on fire in the kitchen roof, and owing to the high wind blowing at the time, all efforts to save it were unavailing.

BIG THRESHING.—On Thursday 16th inst., Mr David Lehman, of Markham, threshed on the farm of Mr Geo. Robb, Lot 4, Con. S. Markham, with one of Mr A Fleury's celebrated horse power machines, thirty acres of a good heavy crop of barley and wheat, which was considered by the farmers present the best day's threshing ever done in the neighborhood; although there are several crack steam threshers going the rounds.

West Gwillimbury Fall Show at Bradford, on the 4th and 5th of Oct.

DEBATES.—The Newmarket High School pupils have organized a Literary and Debating Club for the better development of their mental powers this winter.

A man named Veitch was mulcted in the sum of \$1,200 at the last Grey Assizes for the seduction of a girl named Ferguson. The defendant appealed, and at the Assizes at Owen Sound the jury added \$300 to the original damages.

LOCAL ITEMS.

The Tam O'Shanter Hats, have you seen them. They are the latest style, and are all the rage in Toronto. They have been imported into this village by some of our school girls.

We are in receipt of a complimentary admission card to the North York Agricultural Society's fall exhibition which takes place on the 12th and 13th days of October at Newmarket. Thanks.

MASONIC FUNERAL.—Fourteen members of the Masonic Lodge in this village, attended the funeral of the late Joseph Fleury, Aurora, on Saturday last.

Mr Arnold, of the firm of Messrs Watkins & Arnold, dealers in Marble Work, has lately returned from New York, and brought with him numerous designs of getting work done in their line may depend upon having it done in first-class style.

On Sunday next, the Lord Bishop of the Diocese, intends holding a confirmation in St. Mary's Church. In this village. The Church will also be consecrated. Service to commence at 11 o'clock, a. m. In the evening a confirmation will be held in Thornhill Church.

The Annual Union Pic-Nic of Thornhill and Richmond Hill Sabbath Schools in connection with the Episcopal Church was held on Thursday last, at "Sunny-side Farm," owned by Mr John Brown. The gathering was large, and every one seemed to enjoy themselves, the day being fine and pleasant.

SOCIAL ASSEMBLY.—Over three hundred invitations have been issued for the Grand Union Social, to be held on Friday evening next, at the Grand Central Hall. If the weather is favorable there is every reason to expect a very large attendance, not only from this immediate neighborhood, but from Markham, Unionville, and along Yonge Street to Toronto.

NEW BARBER.—Prof. Adolphus, lightning manipulator of the razor and scissors, has folded up his tent and silently stolen away, towards Aurora. He could not wait for the grand supper which his many admirers so enthusiastically proposed getting up in his honor. His place is filled by an artist from Markham Village.

GARDEN PARTY.—The party held at Mr Rutherford's, Yonge St., by the C M Ladies Aid Society, on Friday evening last, was largely attended. The usual programme was carried out. The village band contributed with their usual success, towards the pleasures of the evening. A large sum of money was realized.

THE PURE MCCOY.—Mr P G Savage brought home a few pounds of tobacco, on his return from the Dominion Exhibition at Montreal. The tobacco is grown and dried by the habitants near Montreal, and is undoubtedly the pure McCoy, just as nature makes it. Peter kindly presented us with a portion of the roll. It has a mild and somewhat green flavor, but does not prove at all unpleasant. Call and see it.

CANADA HEALTH JOURNAL.—This journal contains many very interesting and valuable articles on subjects affecting the public health. Airs, ventilation, soil pipes, tubes, house drains, water supply, food, tobacco, contagious diseases and other subjects are fully and ably treated. Much valuable information can be found in it. Price \$1.50 a year, Single copy, 13c, published monthly, in Toronto: E Playter, M. D., Editor.

COMPLIMENTARY SOCIAL ASSEMBLY.—A Social assembly was given at the Grand Central Hall, on Tuesday evening last, by Mr C. Duncumb. The night was rather unfavorable,—cold and wet, doubtless preventing many from attending. The music was supplied by Prof. A Collins, on the violin; Miss L Collins, pianist, and Mr J Powell, cornet. Supper was served in Charlie's best style, and every person present seemed to thoroughly enjoy themselves.

CRICKET MATCH.—A match between Richmond Hill and Victoria Square, will take place on Saturday afternoon, on the grounds of the latter club. The Hill boys do not expect to have as easy a victory as the last match, but they are anxious to come off a few runs ahead. For the sake of old times the Square Club should just put our fellows on their muscle, even if they cannot hope to beat.

STEAM THRESHING VS. HORSE-POWER.—The excitement about threshing machines still continue. Messrs Joseph Hills and Wm Chatterley, who run Wisest steam thresher are willing to double the money (\$100), and meet Mr Ayer, with Lackie's horse-power, or any other horse-power, and do more work in a given time. They also state that Lackie has no superior as far as threshing with a horse-power is concerned, but even he cannot compete successfully with a steamer.—ADV'T.

WHY IS IT.—The Bradford Witness, and others of our exchanges, are lamenting that leap-year is fast flying away, and the young ladies do not seem to grasp the idea, as it were,—do not seem to appreciate their privileges to the extent that they should. This shows who are most anxious to get married. It is customary to represent only the fair sex as eager to slip on the bonds, while persons of the masculine gender are led captive, but leap year seems to show that such is not the case, as there does not appear to be as many marriages throughout the country, as in ordinary years. We have hopes of two or three bachelors around here being roped in yet.

LAW CONCERNING NEWSPAPERS

1. Any person who takes a paper regularly from a post office, whether directed in his name or not, or whether he has subscribed or not, is responsible for payment.

2. If a person orders his paper discontinued he must pay all arrears, or the publishers may continue to send it until payment is made, and then collect the whole amount, whether the paper is taken from the office or not.

3. The courts have decided that refusing to take newspapers or periodicals from the post office, or removing or leaving them uncollected for, is prima facie evidence of intentional fraud.
