 The proprietor of this establishment, having had many years experience, and studied closely the science in its application to curative purposes, feels confident that in presenting this ACME ELECTRIC APPLIANCE to the public, he is applying them with the best instrument of their kind now known to the science—instruments that will do their work well if used in accordance with printed directions given with each appliance, and would warn the public against all cheap imitations of his goods.

TESTIMONIALS.
 A Norman, Esq., Ingersoll, August, 1879.
 Dear Sir—I suffered for four years from which Dr Davies of Chicago, and other eminent physicians called rheumatism of the bowels, which they tried in vain to cure; but I am thankful to say your appliances have entirely removed the pain. I recommend all sufferers to try them.
 Yours truly, Peter Dowling
RHEUMATISM AND NEURALGIA.
 Toronto, Nov. 23rd, 1874.
 I have fully tried and most carefully tested and seen used your Curative Insoles and Bands, and believe this to be one of the best forms of administering Electricity, now known to be one of the most valuable importance for the relief of Rheumatism and Neuralgia affections. I most cheerfully recommend their use to all sufferers of these complaints.
 C. B. Hall, M. D., 29 Casar-Howell Place
INJURY.
 Toronto, Oct. 10th, 1879.
 Dear Sir—About three years ago I fell from a ladder about twelve feet across the banister of the stairs, and was taken up for dead, since which time I have suffered severe pains in my back and side, and great weakness, unfitting me for business, and got very little ease until I used your Electric Belt and Insoles, which relieved me very much. Yours truly, John Owen, 125 Yonge-st.
 The Appliances are made in all sizes and shapes for the different parts of the body, and range in price from \$1.00 to \$5.00 for small Bands, and from \$5.00 to \$15.00 for Waist Belts, Seo Circuits which are mailed free to all applicants.
