The annual competition for the Scarboro' Quoit Club medal, took place on the farm of George Morgan, Esq., on Saturday, June 10th. The following is the score :-

EGGS THAT ARE EGGS .- Mr Chas. Tran, of Belford, has eggs from his Dorkin hers, three of which weigh fourteen and a quarter ounces.

Dyspepsia, that all prevalent disease of civilized life is always attended with a disordered sympathetic system and lad secretions, and no remedy is better adapted to its cure than Burdack Blood Bitters taken according to special directions found on every bottle.

DROWNED. - A young man named McCart ney, of Brampton, was drowned by bathing last Sunday morning at Weston ; severa companions were with him. It is thought he was seized with cramps, as he disappeared before aid could reach him.

A Real Necessity.

No house should be without a bottle of Hagyard's Yellow Oil, in case of accident. There is no preparation offered to suffering humanity that has made so many permanent cures, or relieved so much pain and misery. It is called b some the Good Samaritau, by others the ours-all, and by the afflicted an Angel of Mercy.

The English silver is a legal tender except at the Government and Post Office Savings Banks. An English half crown is still worth sixty cents; a shilling, twenty-four cents; a sixpence, tweive cents; a four penny piece, eight cents; and a three penny piece, elk cents. The only coin that does not fetch its face value is the florin or two shilling piece, which is only worth forty five cents. Any one, therefore, paving out English makey may insist upon receiving change at the above rates

Hunter, Rose, and Co's printing house on Wellington-street, Toronto, was damaged by fire to the extent of \$50,000 on Saturday morning.

"What everyone says must be true." And every one who has tested its merits speaks warmly in praise of Hagyard's Pecsoral Balsum as a positive cure for all throat and lung complaints, coughs, colds, sore throat; bronchitis and incipient consumption
