Annual Meeting—Thos. F. Wallace, Richmond Hill High School.—Wm. McElrath.

The York Herald. Richmond Hill, Ont.

No. 30; Whole No. 1278; Volume 25. THURSDAY DECEMBER 28, 1882.

"A HAPPY NEW YEAR."

A few more days, and 1882 will become "last year," and we will have added to our years another twelve months experience of what we call life.

We all started 1882 with thoughts of doing better in many ways, and how few have succeeded. The bright hopes that afforded us so much pleasure in anticipating their fulfillment, have not been realized.

There is no doubt that in many persons' experience this is the real case, while others have even reached a much lower stage of our common humanity than they were at one year ago.

But there are very few people, arrived at years of thought, who can live a whole year, without learning many useful lessons. It is just as well, at the commencement of a new year, to reflect a little on our past life, and see if our experience will not be of some benefit during the next twelve months.

Elect Good Men.

On Monday the electors will record their votes throughout the country, for the men who are to run the municipal government next year.

In the Township of Markham there are good men in the field, and the ratepayers are intelligent and reasonable enough to know that their interests are better served when they select men on whose judgement and integrity they can rely.

We are not in favor of electing men, in municipal contests, simply on account of the party they belong to. But because a man is an active Conservative or Reformer is not any reason why he should not be returned if he has the proper qualifications to make a good Councilor.

We notice that Mr. John Duncan is nominated for the position of Third Deputy-Reeve. Mr. Duncan has already been a member of the Council and attended faithfully to the duties of the office.

Promotion Examination.

The pupils whose names appear below were promoted in the Richmond Hill Public School, on Dec. 22nd, 1882.

Municipal Nominations.

RICHMOND HILL.

Last Friday there was very little interest shown in the nomination of candidates for the position of Reeve and Councilors.

The Council was elected by acclamation. Reeve, John Brown; Councilors, Messrs. I. Crosby, J. Sanderson, W. Pugsley, and H. Hopper.

Mr. Wm. Trench was nominated for Reeve, but declined to run. Mr. B. Redditt and W. Pogue, also declined nominations for Councilors.

The ex-Reeve, Mr. Trench, the members of the old Council, Messrs. Redditt, Sanderson and Pugsley, as well as the new Council, addressed the ratepayers.

Mr. Trench said he had done his best as a member of the Council for the benefit of the village. He thought the new Council would do their duty. He declined running this year because his business required his whole time and attention.

Mr. Brown thought the Council would be guided by past experience, and as there were two old members elected he hoped, if they considered they had been dipping somewhat freely into the public funds in the past, that they would endeavor to economize in the future.

Mr. Pugsley said if the old Council had ever done anything wrong, and could see in what way they had done so, they would rectify it. In opening up the new street they acted for the best interests of the village, and he believed the people would recognize that such was the case, before long.

Mr. Sanderson considered that his reelection for two successive years by acclamation, was a guarantee of the confidence of the ratepayers. He would attend to the public interests as he had in the past, and would devote special attention to the promotion of the Fire Company, in an efficient condition, as he considered this one of the most important organizations in the village.

Mr. Crosby thanked the electors, and would act for the best interests of the village. Mr. Hopper would do the best he could as Councilor. He thought the taxes pretty high, and if he could lower them any, would do so.

Mr. Redditt said it was well enough to talk about low taxation, but perhaps before next year was over they would find them high enough. The taxes this year were not high. York Township paid a rate of 11 mills, and Richmond Hill had only 10 1/2 mills.

SABBATH SCHOOL CHRISTMAS TREE.

The entertainment in the C. M. Church, on Friday evening, was well patronized, notwithstanding the drizzling rain and unpleasant roads.

The Church was decorated in the usual manner, and the recitations, dialogues and choruses by the Sabbath School children were nicely given, and proved interesting. The programme included thirty-two pieces, and contained, besides the selections by the children, duets by the Misses Burkholder, of Woodbridge; a solo, "Sighing for Rest," by Miss Sanderson, of Richmond Hill; a duet, "Hope Beyond," by Miss Sanderson and W. Atkinson, which were rendered in a most pleasing manner; readings by W. Teasdale and Rev. J. Barkwell, and recitations by W. Robinson and D. T. Fairbairn. The chair was occupied by W. McQuarrie. After the Concert, the large number of gifts on the Christmas Tree were distributed, and the entertainment was closed with the benediction.

WOODBRIDGE. Woodbridge, Dec. 27th, 1882. Business the last week, has been more quiet than usual, at Xmas time. The only reason we could give for it was the good sleighing. Everybody wanted to go to Toronto to see the sights. Still our village was pretty lively. Xmas day was observed in the usual way. Services were held in the English Church, morning and evening. The Church was decorated with evergreens, and looked very handsome. Rev. Mr. Ford held forth in the morning, and the Rev. Mr. Short in the evening. The Choral Service in the evening, was something grand, under the management of Mr. C. W. Edwards, assisted by his choir.

On Tuesday evening, the annual Xmas Tree and presentation to the children, was held in the Orange Hall, which was crowded, and was a grand success. Santa Claus came in about 8 o'clock, mounted the platform, and made the presentations to the children, assisted by N. C. Wallace, Esq., M. P. A very pleasant evening was spent.

On motion the Council adjourned sine die.

DOTS AND DASHES.

Write it 188—3.

A Happy New Year to All. Had you a good time on Christmas? No Election for Council this year. Trustees also put in by acclamation. The Skating Rink is booming again.

Did you get many Christmas Cards? Are you going to the Firemen's Concert. Fifty torches in the procession. Comic and sentimental songs, readings and farces at the Entertainment. About twenty performers. Don't miss it. Do you intend to send any New Year's Cards? Don't forget the Carrier Boy, when he gives you his address.

Do the young men in this village intend to make New Year's Calls? Now start out the New Year with a diary, and a usual good resolution.

COMPLIMENTS OF THE SEASON.

All happiness they soul desires. May it in truth be done. What Christmas locks may New Year give. On them may fortune shine.

LOCAL ITEMS.

Christmas Cards for sale at the HERALD Store. Choice Family Flour, \$5 per barrel, at J. BROWN'S. Strictly Cash. WOOD FOR SALE.—Dry Beech or Maple, either on grounds or delivered. For particulars see bills.

FIRE CO MEETING.—A meeting of the Fire Company will be held on Friday evening. This is an important meeting, and a large attendance is requested.

The Methodist Church Entertainment at Buttonville on the evening of Christmas Day was very successful, there being a large attendance, and a good programme.

Mr. Chauncey, of the Markham Sun was in town the other day, and dropped in to see us. He reports business rushing in that aristocratic town, and wished us a "Happy New Year."

NEW HARNESS SHOP.—Mr. Joseph Devlin, of Unionville, has removed to this village, and opened a harness shop in the Lorne Block, next door south of Mr. Pogue's store. Competition, it is said, is the life of trade. We wish Mr. Devlin success, and have no doubt he will do his share of business.

CARNIVAL.—The Carnival announced to be given by the Band, on Friday evening last, was postponed, on account of the thaw making the ice in very poor condition. The recent cold snap has given good ice again, and the rink is as crowded as ever, in the evenings.

S. S. SLEIGHING PARTY.—The children of the English Church Sabbath School, in this village, had a grand sleigh-ride on Wednesday last. They left here in four sleighs, about 11 o'clock, with banners and flags floating in the breeze, and drove to Aurora, where they had dinner in the Town Hall, arriving home again in the evening.

HOW ARE YOUR EARS?—Those that have ears to hear, let them hear; and those that are deaf should read the advertisement in another column, headed "Ears for the Million." It is a wonderful remedy, guaranteed to restore the hearing, and the only absolute cure for deafness known.

CHRISTMAS DAY.—The day was spent very quietly in this village. A number of persons took a drive to the neighboring villages. In the morning service was held in the English Church, where there was a large congregation, and a good sermon. The Jacob's Ladder in the C. M. Sabbath School was the only entertainment in the evening.

GOOD FOR SANTA CLAUS.—This Christmas seems to be a good one for the venerable gentleman who drives about with a reindeer team, and makes his entrance and exit through the chimneys of the highest and wealthiest as well as the lowest and poorest people in the land. Many thousands of little children, all over the world, were eagerly and anxiously counting the days and hours which would ensue before Christmas. They still have strong and unlimited faith in the existence of that ancient friend of the little folks, who is always the same to each young generation. It is a beautiful sight to listen to the mysterious whispers, and to see the delight and wonder in the bright eyes of little girls and boys, as they discuss and speculate on the hour of Santa's visit,—the evening before and the morning after that personage is supposed to put in an appearance.

PROCESSION AND CONCERT.—The Richmond Hill Fire Company, assisted by the Riverside Fire Brigade, will give a grand torch-light procession and concert, on New Year's night, Monday, Jan. 1st, 1883. The procession, numbering about fifty torches, will leave the Fire Hall, at 6 o'clock, and parade through the village, headed by the Brass Band, after which a Concert will be held in the Masonic Hall. A good programme will be given consisting of comic and sentimental songs, choruses, readings, etc., and concluding with a popular farce. The Riverside Brigade have kindly consented to take part in the procession, and assist at the concert by rendering several choice comic and sentimental songs, a grand chorus, and an irresistibly mirthful farce which have been given to crowded houses at Riverside and elsewhere. Some of our favorite local amateurs, singers, readers and reciters, will also take part in the concert. The procession will be even a much grander affair than it was last year. The Fire Engine will be appropriately decorated with banners, Chinese lanterns, and wreaths, while rockets and Roman Candles will add to the brilliancy of the display. The whole programme, for the evening, promises to be one of the most entertaining and enjoyable that has ever been placed before a Richmond Hill audience.

LOCAL ITEMS.

Canadian Almanacs and Diaries for sale here.

DIVISION COURT.—Court will be held at Richmond Hill, on Monday, Jan. 8th, at Woodbridge on the 11th and at Weston on the 12th.

SHOOTING MATCH.—A pigeon shooting match will take place at York Mills, on Monday, Jan. 1st, 1883, New Year's Day, when liberal prizes will be given to successful competitors. A large number of pigeons will be on hand.

AUCTION SALE.—Farm Stock Implements etc. on Friday Dec. 29th at Lot 14 West York Yonge St. near the Golden Lion, the property of Mr. H. Legar. Sale at 12 o'clock without reserve as the owner is giving up farming. Sums of \$10 and under cash; over that amount, 12 months credit. See bills. S. Eckardt, Auct.

ANNUAL MEETINGS.—The Vaughan Ag. Society holds its annual meeting, at Woodbridge, on Jan 11th; and at the annual meeting of the West York Society will be held at the same place, on the 17th Jan.

PERSONAL.—Miss Hillman, of Cleveland, who has been visiting her friends in this village, for a few months, left here on Wednesday morning last, for a visit to Ottawa, and other eastern cities. Miss Hillman made a great many warm friends while in this village, who will join with us in wishing her a pleasant trip and an enjoyable visit.

JACOB'S LADDER.—The C. M. Church Sabbath School, of this village, had a social gathering, in the vestry, on the evening of Christmas Day, and a number of songs and hymns, appropriate to the season, were sung by the children. Presents were distributed from a rather attractive-looking "Jacob's Ladder," by our esteemed and venerable friend Santa Claus, who developed an astonishing amount of agility and youthfulness for one of his number of years. The room was crowded to the doors, and many persons were unable to obtain even standing room. A pleasant time was spent, and the hearts of the children made glad by the many handsome gifts they received from their teachers and friends.

Markham Pigs. EDITOR HERALD.—In your paper of last week I saw an item about a Markham man who recently killed two pigs, and wanted to know who could beat them for weight. Mr. Cherry, who lives on the towline between York and Vaughan Townships, killed two pigs on Monday, Dec. 18th, not quite one year old, which weighed 1097 pounds, and the last, after being rendered, weighed 204 pounds. Now, let Markham beat that, if it can, for two roasters.

Yours, etc., SUBSCRIBER. York, Dec. 22nd, 1882.

Mr. Sanderson moved, seconded by Mr. Redditt, that the Treasurer be authorized to pay Mr. Rutherford the amount to which he is entitled under the Statute, when he makes the necessary affidavit.—Carried.

Mr. Redditt moved, seconded by Mr. Pugsley, that the Treasurer be authorized to refund the sum of \$2 cents, to Mr. Wm. McElrath, M. A. Head Master of the High School, balance amount of railway tax paid for him under protest, for which he claims he is not liable.—Carried.

Board of Education.

The Board of Education met on Friday morning last, 22nd inst. Robt. Marsh, Esq., in the chair.

The Board took into consideration the appointment of an assistant teacher for the Public School.

It was resolved to again advertise for a teacher, one with experience preferred, at a salary of \$250. Some of the members suggested the advisability of having a standing contract with the Mail and Globe in consideration of the many times advertisements had to be inserted for the same purpose, this year.

The chairman laid before the meeting the probability of the gentleman who had received the position of assistant teacher in the High School not being suitable.

No action was taken, and after some further business, the Board adjourned.

Millions Given Away.

Millions of bottles of Dr. King's New Discovery for Consumption, Coughs and Colds, have been given away at Trial Bottles of the large size. This enormous outlay would be disastrous to the proprietors, were it not for the rare merits possessed by the wonderful medicine. Call at R. E. Law's Drug Store and get a Trial Bottle free, and try for yourself. It never fails to cure.

Terrific Fall From a Train.

Mr. Andrew Ramsay, a blacksmith living at Thornhill, fell off the platform of the Northern express on Monday night as it was going at full speed. The train had just left Thornhill for Toronto. Ramsay was standing on the platform and attempted to step down to the lowest step when the train, turning a curve with a swing, threw him about thirty feet from the car. Ramsay fell on his head. A brakeman saw the man fall and stopped the train as quickly as possible. Ramsay was picked up insensible and brought to Toronto Hospital. His left arm and his nose were broken.

Precautionary.

There have been many precautions against fire published but let a person become accidentally burned or scalded, and few people know what to do in absence of a doctor. The very best remedy is Haysard's Yellow Oil, the great Household Panacea for all painful and inflammatory diseases.

The York Industrial Home will be open to the public on and after the 15th day of January next.
