Messrs. R. S. WILLIAMS & SON'S. **TESTIMONIALS.** Toronto, April 15th, 1881. GENTLEMEN—I have much pleasure in testifying to the great excellence of your Pianos. I have put them severely to the test, and find them possessors of those qualities of tone and touch so essential to the true musician and lover of classical music—in charming, clear, and easily articulated tones, and of the most delicate finish—such to every degree of loudness and fulness, and a touch which answers readily to every shade of feeling. I consider these instruments a great acquisition in musical society, and am much pleased at finding a piano which I can recommend with perfect confidence. I am, Gentlemen, yours very truly, CHAS. W. EWING, (Of London, England,) Organist of St Peter's Church, Coburg, Ont.

Messrs. R. S. WILLIAMS & SON'S. **TESTIMONIALS.** Toronto, Nov. 14th, 1882. GENTLEMEN—Having thoroughly examined the Workmanship of your Pianos, I have no hesitation in stating that, in my opinion, they are equal to those of any others of the best Makers that I have seen. I can only speak in the same high terms regarding their musical qualities; for their fine full, singing capability of tone, pleasant touch, &c., are such, that there seems to be no necessity of purchasing foreign instruments, when our home enterprises can produce such Pianos, and at one-third less cost. I am glad to hear that the extensive sale of your instruments shows that you are meeting with the success that I think you justly deserve. I am, Gentlemen, Your Obedient Servant, GEO. W. STRAHERY, Mus. Dec.

Believing the people will appreciate a scale of low prices for a superior class of artificial teeth, I have determined on reducing the price at least 50 per cent.

Because our prices are so low as to seem wonderful when compared with those of other first-class dentists, I do not wish you to infer that my establishment is compelled to the manufacture of sets.
