### TESTIMONIALS.

MESSER. R. S. WILLIAMS & Son's.

GENTLEMEN — I have much pleasure in testifying to the great excellence of your Pianos. I have put them severely to the test, and find them possessed of those qualities of tone and tonch so acceptable to the true musician and lover of classical nusic—a charming singing tone, easily graduated from the most delicate pianissimo to every degree of loudness and fulness, and a touch which answers rendily to every shade of feeling.

I consider these instruments a great acquisition in musicial society, and am much pleased at finding a piano which I can recommend with perfect confidence.

I am, Gentlemen, yours very truly, CHAS W.EWING, (Of London, England,)

Massas R. S. WILLIAMS & Sons—

Toronto, Nov. 4th, 1882.

Gents—Having thoroughly examined the Workmanship of your Planos, I have no hesitation in
stating that, in my opinion, they are equal to those of any others of the best Makers that I have seen
I can only speak in the same high terms regarding their musical qualifiers, for their fine full singing capability of tone, pleasant touch, &c., are such, that there seems to be no necessity to purchase
fereign instruments, when our home enterprise can produce such Pianos, and at one-third less cost
I am glad to hear that the extensive sale of your instruments shows that you are meeting with the

success that I think you justly deserve.

I am, Gentlemen. Your Obedient Servant, GEO. W. STRATHY, Mus Dec.
