MESSAS. R. S. WILLIAMS & Son's.

Toronto, April 12th, 13th.

Gentlemen—I have much pleasure in testifying to the great excellence of your Pinnos. I have not them severely to the test, and find them possessed of those qualities of tone and touch so acceptable to the true musician and lover of classical music—a charming singing tone, easily graduated from the most delicate pianissimo to every degree of loudness and Thess, and a touch which answers readily to every shade of feeling.

I consider these instruments a great sequisition in musicial society, and am much pleased at finding a piano which I can recommend with perfect confidence. I am, Gentlemen, yours very truly, CHAS W. EWING, (Of London, England,)

GENTS—Having thoroughly examined the Workmanship of your Pianos, I have no hostitation in stating that, in my opinion, they are equal to those of any others of the best Makers that I have seen I can only speak in the same lifth terms regarding their musical qualities; for their fine full singing capability of tone, nleasant touch, &c, are such, that there seems to be no necessity to purchase foreign instruments, when our home enterprise can produce such Pianos, and at one-third less cost. I am glad to hear that the extensive sale of your instruments shows that you are meeting with the success that I think you justly deserve.

I am, Gentlemen. Your Obedient Sevent.

A Skilful Surgical Operation.

The American Ambassador at Vienna, Mr. Kasson, has lately forwarded to his Government an interesting account of a remarkable surgical operation lately per-formed by Professor Billroth, of Vienna, which, wonderful to tell, consisted in the removal of a portion of the human stomach, involving nearly one-third of the organand, strange to say, the patient recoveredthe only successful operation of the kind ever performed. The disease for which this operation was performed was cancer of the stomach, attended with the following emptoms:-The appetite is quite poor. Seigel's Operating Pills are the best family physic that has ever been discovered. They cleause the bowels from all irritating substances, and leave them in a healthy condition. They cure costiveness.

Preston, Sept. 21st, 1883. My Dear Str, - Your Syrup and Pills are still very popular with my customers, many saying they are the best family medicines possible.

The other day a customer came for two bottles of Syrup and said "Mother Seigel" had saved the life of his wife, and he added, one of these bottles I am sending fifteer miles away to a friend who is very ill, I have much faith in it."

The sale keeps up wonderfully, in fact, one would fancy almost that the people were beginning to breakfast, dine, and supon Mother Seigel's Syrup, the demand is so constant and the satisfaction so great. I am, dear Sir, yours faithfully.

Spanish Town, Jamaica, West Indies, Oct. 24, 1882.

Dear Sir,-I write to inform you that I have derived great benefit from "Seigel's Syrup." For some years I have suffered Syrup." For some years I have suffered from liver complaint, with its many and varied concomitant evils, so that my life was a perpetual misery. Twelve months ago I was induced to try Seigel's Syrup. and authough rather sceptical, having tried so many reputed infallible remedies, I determined to give at least a fair trial. In two or three days I felt considerably better, and now at the end of twelve months (having continued taking it) I am glad to say that I am a different being altogether. It is said of certain pens that they "come as a boon and a bles-ing to men" and I have no reason to doubt the truthfulness of the statement I can truly say, however, that Seigel's Syrup has come as a "boon and a blessing" to me I have recommended it to several fellow-sufferers from this distressing complaint, and their testimony is quite in accordance with my own. Grati-tude for the benefit I have derived from the excellent preparation, prompts me to furnish you with this unsolicited testimonial.

I am, dear Sir, Yours ever gratefully.

Mr A J, White .- Dear Sir, - I was for some time afflicted with piles, and was advised to give Mother Seigel's Syrup a trial, which I did. I am now happy to state that it has restored me to complete heath,-I remain, yours respectfully.
